

图表型作文

一、审题要点

一般来说，图表型作文除了题目中的文字描述之外，还配有相关的图表数据。因此在审题时，要将两者结合，才能更准确地分析出写作话题和写作任务。

二、写作框架

图表型作文可以采用“三段论结构”。

1、开头段

A. 点明描述对象

点明图表描述对象可以用一句话对整个图表所反映的内容进行概括，具体可以通过改写图表标题来实现，因为一般而言，图表的描述对象都包含在标题中。

【功能句型】

- The chart shows ...

图表显示了.....

- ➡ The chart shows the degree of urbanization in China from 1980 to 2019.

图表显示了1980–2019年中国城市化程度。

【表达替换】

- chart (n. 图表) → graph (n. 图表)
- show (v. 显示) → illustrate (v. 表明) / demonstrate (v. 表明)

B. 交代数据细节

交代数据细节需要一定的读图技巧（“抓两头，放中间”）：

①随时间而变化的**动态图表**：重点抓住**起点与终点**的数据；

②没有时间变化的**静态图表**：重点关注**最大值与最小值**。

【注】

①数字后面的**单位**在转化成英文时，不要出错；

②图表包含的时间信息决定描述数据的**时态**，如：一般发生在过去的时间需要用一般过去时。

【功能句型】

- The figure rises (significantly) from A to B.

数据由A（显著）增长至B。

- ➡ The figure rises significantly from 19.31% to 60.6%.

数据由19.31%显著增长至60.6%。

- The figure sees a (significant) increase from A to B.

数据由A（显著）增长至B。

- ➡ The figure sees a significant increase from 200 million to 900 million.

数据由2亿显著增长至9亿。

- There is a (significant) increase in + 描述对象 + from A to B.
.....的数据由A（显著）增长至B。
- ➡ There is a significant increase in the gross enrollment ratio in higher education in China from 1990 to 2019 from 3.4% to 51.6%.
1990–2019年中国高等教育毛入学率由3.4%显著增长至51.6%。

【表达替换】

- The figure (数据) → The number of ... (.....的数字)
- rise (v. 增加) → increase / grow (v. 增加)
decrease / decline / reduce / drop / fall (v. 减少)
- rise (n. 增加) → increase / growth (n. 增加)
decrease / decline / reduction / drop / fall (n. 减少)
- significant (adj. 显著的) →
remarkable (adj. 惊人的) / sharp (adj. 急剧的) / rapid (adj. 快速的)
slow (adj. 缓慢的) / slight (adj. 轻微的)
steady (adj. 稳步的) / gradual (adj. 逐渐的)

2. 主体段

主体段需要完成写作任务。写作结构可以采用“总分式”论证结构，包括：

①主题句，总领全段；

②若干分论点。

针对图表所反映的现象，一般可以从两个方面展开论述：

现象产生的原因或带来的影响

【功能句型】

A. 主题句

- There are two / three / several reasons to explain this phenomenon.
有两个 / 三个 / 几个原因可以解释这一现象。
- Two / Three / Some possible factors may cause this phenomenon.
两个 / 三个 / 某些因素可能造成了这一现象。

B. 分论点

- 表示“首先”

Firstly, ... / First of all, ... / To start with, ... / To begin with, ... / First and foremost, ...

- 表示“其次”、“另外”

Secondly, ... / In addition, ... / Additionally, ... / Furthermore, ... / Moreover, ...

- 表示“最后”

Thirdly, ... / Finally, ... / Eventually, ... / Lastly, ... / Last but not least, ... /
Most importantly, ...

3. 结尾段

结尾段包括：

- ①再次强调主题总结全文，首尾呼应；
- ②对未来的趋势进行预测，升华主题。

A. 总结全文

总结全文时，可以转换说法，重新包装文章主题。

【功能句型】

- To sum up, ... / To conclude, ... / In conclusion, ...
总之，.....
- ➡ To conclude, China has made great progress in urbanization.
总之，中国在城市化方面取得了巨大进步。

- Based on the analysis above, we can see that ...
基于上述分析，我们可以看出.....
- ➡ Based on the analysis above, we can see that China has made great progress in poverty alleviation.
基于上述分析，我们可以看出中国在脱贫方面取得了巨大进步。
- Based on the analysis above, it is not difficult to see that ...
基于上述分析，不难看出.....
- ➡ Based on the analysis above, it is not difficult to see that China has made great progress in higher education.
基于上述分析，不难看出中国在高等教育方面取得了巨大进步。

B. 预测趋势

一般而言，

- ①正面积积极的现象，数据结果往往仍会存在或者仍将持续；
- ②负面消极的现象，数据结果很有可能将会发生一定的变化。

【功能句型】

- It is estimated that + 描述对象 + will + ...
预计.....将会.....
- ➡ It is estimated that this trend will still continue for some time in the future.
预计该趋势在未来将仍会持续一段时间。
- 描述对象 + be expected to...
.....预计将会.....
- ➡ This trend is expected to continue for some time in the future.
该趋势预计将在未来持续一段时间。
- We have reason to believe that ...

我们有理由相信.....

- ➡ We have reason to believe the living standards of rural families will keep improving under the leadership of the Chinese government.

我们有理由相信，在中国政府的带领下，农村家庭的生活水平将得到不断改善。

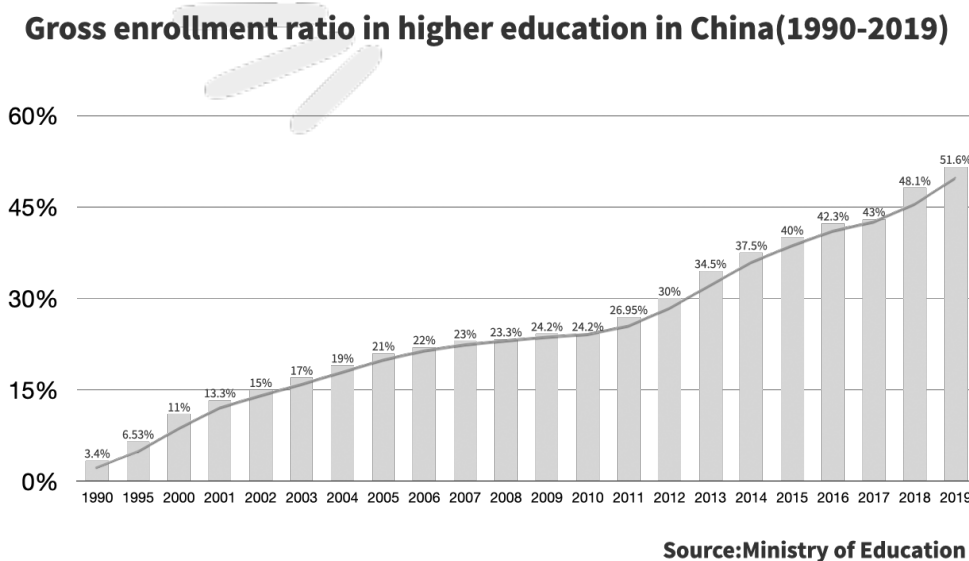

【表达替换】

- estimate (v. 估计) → predict (v.预测) / expect (v.预计)

三、真题展示

Part I Writing

Directions: For this part, you are allowed 30 minutes to write an essay based on the chart below. You should start your essay with a brief description of the chart and comment on China's achievements in higher education. You should write at least **150** words but no more than **200** words.

范文写作：

①**The chart shows** the gross enrolment ratio in higher education in China from 1990 to 2019. ②**The figure rose significantly from 3.4% to 51.6%** during this period.

③**There are three possible reasons to explain this phenomenon.** ④**First and foremost**, with rapid economic growth in the past several decades, Chinese families have become increasingly wealthier. ⑤In this way, they are able to financially support their children in continuing studies after graduation from high school. ⑥**Furthermore**, the Chinese government has introduced a series of favorable policies, which allows more young students to have the opportunity to receive higher education. ⑦**Last but not least**, due to fierce competition in the job market, a growing number of students make up their minds to pursue further education in order to get well-paid jobs.

⑧**Based on the analysis above, it is not difficult to see that** China has made great progress in higher education. ⑨**It is estimated that** this trend will still continue for some time in the future.

范文点评：

①文章开头套用功能句型“The chart shows ...”，即“图表显示了……”，来点明图表的描述对象，也就是写作的话题。其中“gross enrolment ratio”意为“毛入学率”。

②该句描述图表中的具体数据，套用功能句型“The figure rose significantly from A to B”，意为“数据从A显著增长至B”。

③主体段开头套用功能句型“**There are ...[数词] possible reasons to explain this phenomenon**”，意为“有多少个可能原因能解释这一现象”，为主体段的主题句。

- ④该句用衔接手段“First and foremost”开头，引出第一点原因。其中，“with rapid economic growth”意为“随着经济的快速发展”。
- ⑤该句用短语“In this way”承接，意为“这样一来”。其中“support sb. in doing sth.”意为“支持某人做某事”。
- ⑥该句用衔接手段“Furthermore”开头，引出第二点原因；其中“introduce a series of favorable policies”，表示“出台一系列有利政策”；后面“which”引导非限制性定语从句，修饰前面整个句子；“allow sb. to do sth.”意为“允许某人做某事”；“have the opportunity to do sth.”意为“有机会做某事”。
- ⑦该句用衔接手段“Last but not least”开头，意为“最后、最后但也很重要”，引出第三点原因。其中“due to”意为“由于”，后接名词性质的成分；“make up one’s mind to do sth.”意为“决定做某事”。
- ⑧结尾段开头套用功能句型“Based on the analysis above, it is not difficult to see that ...”来总结前文，意为“基于上述分析，不难看出……”。其中“make great progress in”表示“在某方面取得巨大的进步”。
- ⑨套用功能句型“It is estimated that ...”，意为“预计……”，来预测未来的发展趋势。

精彩词汇：

gross enrolment ratio 毛入学率

phenomenon n. 现象

decade n. 十年

wealthy adj. 富裕的

financially adv. 经济上的

a series of 一系列

favorable adj. 有利的

opportunity n. 机会

fierce adj. 激烈的

make up one’s mind to do sth. 决定做某事

pursue v. 追求

well-paid adj. 高薪的

receive higher education 接受高等教育

estimate v. 预计

范文翻译：

图表显示了中国高等教育1999年至2019年的毛入学率，在此期间，数据从3.4%显著增长至51.6%。

有三个可能原因能解释这一现象。首先，随着过去几十年来经济的快速增长，中国家庭变得越来越富裕。因此，他们能够为孩子提供经济支持，让孩子得以在高中毕业后继续学业。另外，中国政府采取了一系列有利政策，让更多的年轻学生有机会能够接受高等教育。最后，由于工作市场的激烈竞争，为了能够得到高薪工作，越来越多的学生决定继续深造。

基于上述分析，不难看出中国已经在高等教育方面取得了巨大的进步。预计该趋势在未来仍然会持续一段时间。
