

2024 年 12 月六级真题（第一套）

Part I Writing (30 minutes)

Directions: For this part, you are allowed 30 minutes to write an essay that begins with the sentence “*Nowadays, more and more students have realized the importance of self-discipline in their personal growth.*” You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words. (You should copy the sentence given in quotes at the beginning of your essay.)

Part II Listening Comprehension (30 minutes)

Section A

Directions: In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 to 4 are based on the conversation you have just heard.

1. A) Preparing for a job interview.
B) Writing a work report together.
C) Going through a couple of issues the company faces.
D) Discussing the woman's annual performance review.
2. A) The overall culture of the company.
B) The instruction from her supervisor.
C) The honesty of the manager.
D) The recognition of her merits.
3. A) Her inadequate language proficiency.
B) Her inability to interact with colleagues properly.
C) Her inappropriate behavior at company meetings.
D) Her simplistic approach to dealing with others.
4. A) To avoid offending the recipients.
B) To show her unique writing style.
C) To save time.
D) To be frank.

Questions 5 to 8 are based on the conversation you have just heard.

- 5. A) Provide medical service to the community.
- B) Make healthcare in her hometown the best.
- C) Obtain a doctoral degree in internal medicine.
- D) Have a profound impact on people around her.
- 6. A) They have constantly urged her to study hard.
- B) They have worked hard to finance her education.
- C) They have tried to create a positive learning environment.
- D) They have pursued the family's dreams together with her.
- 7. A) It is a key medical branch conducive to realizing her dreams.
- B) It connects many other specialties with its broad coverage.
- C) It has a long history in the man's prestigious institution.
- D) It is a medical branch both of her parents specialize in.
- 8. A) Problematic.
- B) Competitive.
- C) Inconsistent.
- D) Trustworthy.

Section B

Directions: *In this section, you will hear two passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.*

Questions 9 to 11 are based on the passage you have just heard.

- 9. A) To prevent hackers from cracking our secret codes.
- B) To show that all the guidelines are being followed.
- C) To provide evidence that passwords are forgotten.
- D) To convince our computer that we are human.
- 10. A) Put an end to the hacking phenomenon.
- B) Help people remember their passwords.
- C) Reduce the intricacy of the password itself.
- D) Explain the need for different email accounts.
- 11. A) Innovate technologies to ensure the safety of users' accounts.

- B) Provide incentives for the application of creative passwords.
- C) Explore the possibility of using simpler secret codes.
- D) Take steps to encourage users to log in more often.

Questions 12 to 15 are based on the passage you have just heard.

- 12. A) Her work no longer interested her.
- B) Her training app did not fit her.
- C) Her fitness fell into a slump.
- D) Her business deteriorated.
- 13. A) Help users keep track of their fitness levels.
- B) Design personalised training programmes.
- C) Strengthen ties among users worldwide.
- D) Select well-qualified human coaches.
- 14. A) They are never repeated.
- B) They help enrich her life.
- C) They are of no extreme intensity.
- D) They keep her focused on her goal.
- 15. A) They will not be able to take the place of human personal trainers.
- B) They will not be able to comprehend some of the profiles users put in.
- C) They cannot lead to optimal results with their mathematical approach.
- D) They cannot match humans in arranging meticulous workout schedules.

Section C

Directions: *In this section, you will hear three recordings of lectures or talks followed by three or four questions. The recordings will be played only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.*

Questions 16 to 18 are based on the recording you have just heard.

- 16. A) All societies are built upon the cornerstones of basic values.
- B) Everyone everywhere demonstrates seven character traits.
- C) All societies are kept together by seven basic moral rules.
- D) Everyone everywhere shares a universal moral standard.
- 17. A) Ascertain whether deferring to authority was confined to right-wing people.

- B) Find out whether different societies had different versions of morality.
 - C) Make clear whether all societies faced the same moral issues.
 - D) Find out whether left-wing people still had a group loyalty.
18. A) Make independent descriptions of cultures around the world.
- B) Strive to understand the basic differences between peoples.
 - C) Appreciate the foundational value of the existing data.
 - D) Carry out systematic field studies to gather new data.

Questions 19 to 21 are based on the recording you have just heard.

19. A) They might be the most important part of our eating experience.
- B) They can activate our brain functions in a most direct fashion.
 - C) They can be viewed as the windows to our soul.
 - D) They could mislead us in more ways than one.
20. A) It attracts food companies' growing attention.
- B) It adversely impacts one's eating experience.
 - C) It invariably determines how food sells.
 - D) It changes the way people taste food.
21. A) Enhance the taste.
- B) Make predictions.
 - C) Identify distinct flavors.
 - D) Enrich the eating experience.

Questions 22 to 25 are based on the recording you have just heard.

22. A) Social status.
- B) Financial resources.
 - C) Meaning.
 - D) Happiness.
23. A) Their effect on people's happiness has long been overstated.
- B) Their influence on people's life varies with social contexts.
 - C) They can affect people's experience of meaning.
 - D) They can ensure people's overall wellbeing.
24. A) It used questions totally different from those in their first study.
- B) It focused on the sense of meaning of French participants.
 - C) It analysed cases from a daily poll of US residents.

- D) It examined data collected from multiple countries.
25. A) They might have more access to external sources of happiness.
- B) They might focus on an individual sense of satisfaction or meaning.
- C) They might be less easily affected by a community's overall feeling.
- D) They might be less adversely impacted by failure to achieve a purpose.

Part II Reading Comprehension (40 minutes)

Section A

Directions: *In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.*

About 23% of the global population lives in absolute poverty. In developing countries there is a low life expectancy, a high infant 26 rate, high levels of unemployment and illiteracy, nutritional levels below acceptable standards and widespread disease with very little or poor quality medical assistance. Others live 27 wealthy and luxurious lives and so the wealth is distributed in a very 28 manner. These are the central problems to questions of charity though charity also includes many other areas such as assisting the elderly.

We all 29 when very rich people pledge to give away most of their billions, but they are usually left with millions to pass on, still much more than most people would expect to earn in their lifetime. Even comparatively 30 salaries in the west are very high when compared globally. Someone on £20,000 could easily afford to give away £2,000 per year and still have plenty to live on plus some luxuries.

Most people agree that giving to charity is morally 31 but charitable behaviour tends to be regarded as above and beyond the call of duty. Some argue, however, that charitable behaviour is morally required. This means that to fail to behave charitably would be wrong. The majority of arguments in this vein refer to giving aid to poorer nations but they may also refer to giving time within one's 32 community. Arguments tend to place different requirements on people in different income brackets and 33 entirely people who are merely making ends meet. Some argue that people should all contribute a certain percentage of their earnings. I will 34 together all those arguments that place a moral requirement on people to give to charity, despite the fact that there is wide disagreement as to the 35 of that moral requirement.

A) applaud	E) group	I) moderate	M) probe
B) casualty	F) hierarchical	J) mortality	N) sceptically
C) exclude	G) immediate	K) overt	O) unequal
D) extent	H) incredibly	L) praiseworthy	

Section B

Directions: *In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.*

The Free-Trade Paradox

[A] Trade is one of the policy areas where the hostility that exists between *populists* (民粹主义者) and classical liberals is most visible. Free-traders point to the undeniable good that tariff-free trade has done for consumers across the world and to the observable alleviation of poverty in corners of the world where previously closed markets have been opened up. Protectionists point to the domestic producers who've paid the price for this globalized economy in the form of lost livelihoods and hollowed-out communities.

[B] The ongoing conservative civil war often degenerates into content-free tribal warfare, but trade is a rare exception. There are substantial, thought-out policy proposals on both sides of the argument.

[C] Consequently, trade as a topic of discussion provides an opportunity for liberals and populists to have a real meeting of minds. Fruitful debates might actually take place in this area, as opposed to the familiar ritual we've become accustomed to of condemnation met with counter-condemnation.

[D] Strange as it might sound, the problem with trade in the modern world isn't a matter of dollars and cents. It's a matter of false consciousness. This observation is bound to set Marxist alarm bells ringing in the minds of some readers, but it was first made by Alexis de Tocqueville in 1840.

[E] Tracking the economic development of mankind from primitive to modern societies, Tocqueville observed a paradox unfolding over the centuries as economic realities and human experience of those realities strayed further and further from each other. In primitive societies, he notes, the division of labor was as yet undeveloped for the most part, requiring each person, family, or tribe to be relatively independent when it came to meeting their own basic material needs. Men built their own dwellings, farmed their own land, tended to their own livestock. This is not to deny that basic forms of trade took place, but, for the most part, our primitive ancestors lived fairly self-reliant, if crushingly poor, lives.

[F] However, the exclusively local and face-to-face nature of economic and political organization in the ancient and prehistoric worlds constantly impressed upon these primitive peoples the uncontrollable reality of others and their needs. As Tocqueville notes, "as soon as a man begins to deal with common affairs in public, he begins to perceive that he is not so independent of his fellow men as he had first imagined, and that in order to obtain their support he must often lend them his cooperation."

[G] At the advent of the modern world, the division of labor spread further and further throughout society. Each person became more and more dependent on others for their basic needs. And yet, robbed of the engagement with our neighbors and with our local communities that our ancestors were forced into by circumstance, we feel ourselves to be more and more independent of one another. As we become more and more dependent on others, we become less and less conscious of our dependence on others. This is the paradox of trade in the modern world.

[H] The false consciousness that this paradox generates causes havoc on the debates we have about free trade. There is scarcely a single commodity in any American household that isn't dependent for its manufacture and sale, through one supply chain or another, on scores of different people spread out across the entire globe. But as Tocqueville already foresaw in 1840, we do not feel dependent on these strangers for our way of life. No sense of the dependence of our own material welfare on their work ever strikes our national consciousness. We rarely contemplate the globalized avenues of free trade with gratitude.

[I] There are two reasons for this. The first, to put it bluntly, is money. Money allows us to purchase the work of others without giving any thought to them as human beings. Unlike our ancestors in their primitive townships, we rarely have to meet face-to-face the people who've invented, built, shipped, or supplied our goods. No relationship has to be built before an exchange can take place. Simply agree on a price, and you can have any goods you wish without taking a second thought for the human being involved on the other side of the transaction. In this way, money makes us feel more independent than we actually are. Each of us senses the hold that it has over our fellows. We know that if we bid highly enough we can buy ourselves out of the time-consuming labor of building relationships. Money is kind of like magic in that way. It gives us a set of rituals to perform and promises that if we do so we'll be able to wield power over others. The illusion is created that having enough money to buy something is the equivalent of knowing how to make it yourself. Gratitude for the anonymous men and women who make up the supply chain rarely makes its way into our consciousness.

[J] Anonymity, in fact, is the second root cause of the free-trade paradox. Modernity has emancipated everyone from the limits of location and community. By and large, when we trade, we trade with strangers; when we vote, we vote for strangers; when we watch, read, or listen to stories, the tellers of the tales are strangers. As opposed to the ancestors Tocqueville compares us to, we do not know the people with whom we have to do, in either the economic or the political sphere. This is simply the shadow side

of the miracle of markets, which, for the first time in history, have allowed strangers to look after each other. They've also allowed each of us to live more and more of our lives exclusively as strangers to other people. This is how Tocqueville—rather pessimistically—describes us: Each, standing apart, is like a stranger to the destiny of others; his children and personal friends forming for him the entire human race. As for the remainder of his fellow citizens, he is beside them, but he does not see them. He touches them, but he does not feel them. He exists only in and for himself.

[K] The last sentence but one is as apt a summary as one could hope to come by of how each of us functions in the modern economy: “He touches them, but he does not feel them.”

[L] This is the greatest challenge facing defenders of free trade. It's exceedingly difficult for human beings to feel gratitude toward strangers, and the global marketplace that has made us so rich has also made us strangers to one another. Our brains are hardwired for tribal life, and tribes do not take kindly to strangers. Impressing a sense of dependence upon and gratitude toward foreign strangers is therefore an uphill task.

[M] If free-traders are going to win policy arguments in the future, they'll have to find a way of forging bonds of affection between American consumers and foreign producers. Only by de-anonymizing the men and women who supply us with the goods and services we enjoy from overseas and by creating a sense of solidarity and relationship across borders that transcends economic interest can free trade win the day. Otherwise, the inborn biological upper hand that protectionists have in the form of nationalist solidarity is bound to win the day at the ballot box.

36. People became more and more reliant on others for basic needs as they entered the modern world even though they might feel less so.

37. On the topic of trade, productive debates might be possible, in contrast to the familiar mutual condemnation in discussing other issues.

38. We feel greater independence than we actually possess because money allows us to buy things without building any relationships.

39. The trouble with today's trade stems from misconceptions rather than money.

40. For their arguments to prevail, advocates of free trade must try to forge bonds of affection between consumers at home and producers overseas.

41. According to Tocqueville, unlike our ancestors, we and the people we do trade with are strangers to each other.

42. In primitive societies, people had to rely mostly on themselves to meet their personal needs.

43. Few commodities in American homes are not reliant on people abroad in the process of manufacture and sale.

44. Protectionists argue against free trade by referring to the losses suffered by domestic producers and communities.
45. It is extremely hard to make people feel dependent on and grateful to strangers overseas.

Section C

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

There are hundreds of personality quizzes online that assert they can ascertain whether the right or left half of your brain is dominant. Left-brained people are supposedly logical and excel at language and math while right-brained people are more imaginative, emotionally intelligent and skilled with spatial reasoning. There's just one problem: That's not how brains work.

Popular science enthusiasts sort of took this idea and ran with it, and it's become woven in popular culture now, and it's not going away.

Despite this enduring belief, there's no such thing as being "right-brained" or "left-brained." Whether you're someone who tends more towards creativity or logic has nothing to do with one hemisphere of your brain being dominant over the other. But the actual science of how the two halves of our brains work together is sometimes stranger than fiction.

The human brain is divided into two hemispheres, the left and right. In all *vertebrate* (脊椎的) animals, the right hemisphere controls the left side of the body and vice versa. And scientists have long known, thanks to the behaviors of patients who suffered brain injuries, that different areas of the brain do different things.

But many scientists struggled with this idea, because the very suggestion that the left and right halves of the brain operate differently disrupted the idea that nature tends toward perfect symmetry.

Work by *neuroscientists* (神经学家) has revealed the importance of different hemispheres of the brain for different activities. However, their research quickly saw some misinterpretations in the general public: Some presumed creative people must be right-brained and logical people left-brained. It is proven that not only is personality unrelated to the different halves of the brain, but people aren't really right-or left-brained to begin with. The idea that we have left-dominant people and right-dominant people, and

that this is related to personality, is categorically false. That's never been supported in the neuroscience community. Neuroscientists don't believe that and never have.

What scientists learned is that there are really important differences between the left hemisphere and the right hemisphere. It's just that they have nothing to do with personality or whether cognitive strategy is more logical or free spirited or creative. While researchers have shown the limitations of how the hemispheres of our brains influence our lives, it's not difficult to understand the appeal of such ideas. People are endlessly fascinated by themselves and their friends, and the subtle differences in how people think about the world are really meaningful to them. When you come up with an online quiz that tells us something about ourselves, we're drawn to that. It's irresistible. But you have to take it with an enormous grain of salt.

46. What do numerous personality quizzes online claim they are able to do?

- A) Distinguish between the two hemispheres of one's brain.
- B) Determine whether one is left-brained or right-brained.
- C) Tell if one is more of a linguist or of a mathematician.
- D) Ascertain how one's brain performs different tasks.

47. What does the author say is sometimes stranger than fiction?

- A) How one hemisphere of the brain impacts creativity.
- B) How the two halves of our brains work alternately.
- C) How the two hemispheres of our brains cooperate.
- D) How one half of the brain dominates the other.

48. Why did many scientists have difficulty endorsing the idea that different areas of the brain do different things?

- A) It contradicts the assumption that the two hemispheres of the brain are symmetrical.
- B) It dismisses the view that the universe has been evolving in a consistent manner.
- C) It is in conflict with the suggestion that the left and right halves of the brain work together.
- D) It disrupts the idea that the right hemisphere of the brain controls the left side of the body.

49. What belief have neuroscientists long rejected according to the passage?

- A) There are left-dominant people and right-dominant people with different personalities.
- B) There are noticeable differences between the left and right hemispheres of the brain.
- C) One's personality is hardly related to the different halves of the brain.
- D) Different areas of the brain are responsible for different activities.

50. What are we advised to do with an online quiz that tells us something about ourselves?

- A) Challenge its authority.

- B) Scrutinize its originality.
- C) Evaluate its popularity.
- D) Question its reliability.

Passage Two

Questions 51 to 55 are based on the following passage.

One hundred thirty-five students, four teachers, one giant classroom: This is what 9th grade looks like at Westwood High School, in Mesa, Arizona's largest school system. There, an innovative teaching model has taken hold, and is spreading to other schools in the district and beyond.

Five years ago, faced with high teacher turnover and declining student enrollment, Westwood's leaders decided to try something different. Working with professors at Arizona State University's teachers college, they piloted a classroom model known as team teaching, which allows teachers to dissolve the walls that separate their classes across physical or grade divides.

The teachers share large groups of students—sometimes 100 or more—and rotate between group instruction, one-on-one interventions, small study groups, or whatever the teachers as a team agree is a priority that day. What looks at times like chaos is in fact a carefully orchestrated plan: Each morning, the Westwood teams meet to hammer out a personalized program for every student the team will focus on that day.

By giving teachers more opportunity to collaborate, Mesa's administrators hoped to fill staffing gaps and boost teacher morale and retention. Initial research suggests the gamble could pay off.

“Teachers are doing fantastic things, but it's very rare a teacher walks into another room to see what's happening,” said Andi Furlis, superintendent of Mesa Public Schools. “Our profession is so slow to advance because we are working in isolation.”

Of course, overhauling teaching approaches can't fix all the frustrations teachers have, such as low pay, but early results from Mesa show team teaching may be helping to reverse low morale. In a survey of hundreds of the district's teachers, researchers found those who worked on teams reported greater job satisfaction, more frequent collaborations with colleagues, and more positive interactions with students.

Another benefit of teams, teachers say, is that they can help each other improve their instruction. During one planning session, English teacher Jeff Hall shared a performance appraisal with a science teacher: Her recent lecture on something she called “the central dogma of biology” had bewildered him and their other teammates.

“If the science is too confusing for me, can you imagine the frustration you feel as kids?” Hall said. But the science teacher, he said, wouldn't have known about the confusion on her own.

The model is not for everyone. Some teachers approached about volunteering for a team have said they prefer to work alone. Team teaching can also be a scheduling nightmare, especially at schools like Westwood where only some staff work in teams. There are also thorny questions like how to evaluate four teachers on the performance of 135 students. But for the time being, it seems to be working.

51. What do we learn about team teaching from the passage?

- A) It is generally conducted in classrooms without walls.
- B) It allows students to choose teachers they favor most.
- C) It prioritizes peer work over classroom instruction.
- D) It is closely coordinated despite seeming confusion.

52. What does initial research suggest regarding Westwood's innovative teaching model?

- A) It could help raise teachers' pay.
- B) It could turn out to be a success.
- C) It could cut down overall costs.
- D) It could end up like a gamble.

53. What did superintendent Andi Furlis say about the teaching profession?

- A) Morale cannot be boosted until teaching models are overhauled.
- B) Teachers are simply too busy to visit classes of their colleagues.
- C) Progress is slow due to lack of collaboration among teachers.
- D) Teachers often do fantastic things without being noticed.

54. What does the author want to show by citing English teacher Jeff Hall's experience?

- A) English teachers and science teachers are complementary in performing their tasks.
- B) A teacher of arts and letters is completely puzzled by what a science teacher teaches.
- C) The new teaching model helps inform the teacher how their instruction is received.
- D) Science teachers will hardly know the confusion they create without a performance appraisal.

55. What does the author think is one of the difficult problems in implementing the new teaching model?

- A) What to do with teachers working alone.
- B) What to include in teaching schedules.
- C) How to recruit volunteers for a team.
- D) How to assess each teacher's performance.

Part IV Translation (30 minutes)

Directions: *For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on Answer Sheet 2.*

洋山港 (Yangshan Port) 是上海航运中心的重要组成部分, 是中国第一个深水港, 也是世界上规模最大的深水港之一。经过近 20 年的发展, 洋山港已实现高度自动化。数字技术和人工智能的使用大大减少了用工成本和碳排放。自主研发的码头管理系统可以在百公里之外对大型设备进行远程操控。洋山港看上去一片繁忙, 现场却见不到人工操作, 而且能够 24 小时不间断运作。洋山港将不断发展, 为把上海建成一个全球航运中心做出更大贡献。

2024 年 12 月六级真题解析（第一套）

Part I Writing (30 minutes)

Directions: For this part, you are allowed 30 minutes to write an essay that begins with the sentence “Nowadays, more and more students have realized the importance of self-discipline in their personal growth.” You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words. (You should copy the sentence given in quotes at the beginning of your essay.)

审题分析：

从体裁上看，这道题考查的是六级写作中考频较高的论说文，要求我们以“如今，越来越多的学生已经意识到自律在个人成长中的重要性。”为开头句进行写作。从话题上看，这道题考察是大学生自律这个话题。另外题目中也明确规定“你可以发表评论，引用例子，或者使用你个人的经历来展开写作”。

需要注意的是：题目中只给出了话题现象，并没有明确规定写作任务和角度。基于此，我们只要围绕这个话题现象来拓展，均不会视为走题。例如本题比较好写的角度是：具体阐述坚持自律会带来哪些积极影响。本范文参考「文字描述型作文：利弊影响类+综合类」的框架模板进行书写。

写作提纲：

1. 开头段引出话题背景、回应写作任务

- ①引出话题背景：如今，越来越多的学生已经意识到自律在个人成长中的重要性
- ②回应写作任务：自律的重要性再怎么强调也不为过

2. 主体段详细阐述：“保持自律”的好处

- ①对提高学习成绩有很大的帮助
- ②能培养健康的生活方式
- ③可以培养学生的毅力，增强他们的信心，使他们在面对挑战时更具韧性

3. 结尾段再次强调主题，同时提出建议措施

- ①再次强调主题：保持自律对学生的学习成绩和个人成长有积极的影响
- ②提出建议措施：学生必须重视自律能力的培养

范文写作:

①Nowadays, more and more students have realized the importance of self-discipline in their personal growth. ②**From my perspective, the importance of self-discipline cannot be overstated as it plays a crucial role in** shaping one's character, achieving goals, and maintaining a balanced lifestyle.

③**First of all**, self-discipline significantly contributes to the improvement of academic performance. ④Students who practice self-discipline are more likely to develop good study habits, follow designated learning schedules, and work persistently towards their goals. ⑤**Moreover**, self-discipline also fosters a healthy lifestyle. ⑥Self-disciplined students are more inclined to maintain a balanced diet and engage in regular exercise, thereby improving their overall well-being. ⑦**Furthermore**, maintaining self-discipline can cultivate perseverance and boost confidence in students, making them more resilient in the face of challenges and ultimately leading to success.

⑧**As discussed above, we could conclude that** maintaining self-discipline has a positive impact on students' academic performance and personal growth. ⑨**Therefore, students must attach importance to** the cultivation of self-discipline.

范文点评:

- ①开头段直接摘抄题干中的原句来引出话题背景。「self-discipline」意思是「自律」。
- ②该句套用引出观点的功能句型「From my perspective, ...the importance of sth. cannot be overstated as it plays a crucial role in...」来评价这一现象，回应写作任务，意为「在我看来，某某的重要性再怎么强调也不为过，因为它在.....中发挥至关重要的作用」。「shape one's character」意思是「塑造某人的个性」，「maintain a balanced lifestyle」意思是「保持平衡的生活方式」。
- ③该句利用衔接手段「first of all 首先」开头，阐述第一点好处。「significantly contribute to」意思是「极大促进，非常有助于」，「academic performance」即「学习成绩，学习表现」。
- ④该句对前文做进一步的解释说明。「who」引导定语从句，修饰其左边的名词「students」，「practice self-discipline」意思是「践行自律」，「be more likely to」意为「更可能」，「develop good study habits」意为「养成良好的学习习惯」，「follow designated learning schedules」意为「遵守规定的学习计划」，「work persistently towards goals」意为「坚持不懈地朝着目标努力」。
- ⑤该句利用衔接手段「moreover 此外」开头，阐述第二点好处。「foster a healthy lifestyle」意思是「培养健康的生活方式」。
- ⑥该句对前文做进一步的解释说明。「self-disciplined」为形容词，意思是「自律的」，「be more inclined to」意为「更倾向于」，「improve overall well-being」意思是「提高整体健康水平」。

- ⑦该句利用衔接手段「furthermore 而且」开头，阐述第三点好处。「cultivate perseverance」意思是「培养毅力」，「boost confidence」意思是「增强信心」，「resilient」为形容词，意为「对困境有承受力的，有韧性的」。
- ⑧结尾段第一句话套用功能句型「As discussed above, we could conclude that ...」再次强调主题，意为「如上所述，我们可以得出这样的结论：.....」，「has a positive impact on sth.」意思是「对.....有积极的影响」。
- ⑨该句通过提建议措施进行展望号召，「attach importance to」意思是「重视」。

关键词汇：

self-discipline <i>n.</i> 自律	work towards 朝着.....努力
overstate <i>v.</i> 夸大	persistently <i>adv.</i> 坚持地；坚定地
play a crucial role in 起至关重要的作用	self-disciplined <i>adj.</i> 自律的
shape character 塑造性格	be more inclined to 更倾向于
achieve goal 实现目标	engage in 参加
balanced lifestyle 平衡的生活方式	overall <i>adj.</i> 总的，全面的
contribute to 有助于	well-being <i>n.</i> 健康
academic performance 学习成绩；学习表现	perseverance <i>n.</i> 毅力，韧性
be more likely to 更可能	resilient <i>adj.</i> 对困境有承受力的，有韧性的
develop habits 养成习惯	have a positive impact on 对.....有积极影响
designated <i>adj.</i> 指定的，排定的	attach importance to 重视

范文翻译：

如今，越来越多的学生意识到自律在个人成长中的重要性。在我看来，自律的重要性再怎么强调都不为过，因为它在塑造一个人的个性、实现目标和保持平衡的生活方式方面发挥着至关重要的作用。

首先，自律对提高学习成绩有很大的帮助。坚持自律的学生更有可能养成良好的学习习惯，遵守规定的学习计划，并坚持不懈地朝着自己的目标努力。此外，自律还能培养健康的生活方式。自律的学生更倾向于保持均衡的饮食和经常锻炼，从而提高他们的整体健康水平。而且，保持自律可以培养学生的毅力，并增强他们的信心，使他们在面对挑战时更具韧性，最终取得成功。

如上所述，我们可以得出这样的结论：保持自律对学生的学习成绩和个人成长有积极的影响。因此，学生必须重视培养自律能力。

Part II Listening Comprehension

Section A

Conversation One

M: OK, then. [1]This here is your yearly performance review. You've been with the company for three years and under my direct supervision for the past twelve months. Your report is mostly good, but there are a couple of issues we must discuss. The report is yours to take with you. We'll go through the main points together now, and you can comb through it in greater detail later. Do you have any questions before we start?

W: No, sir.

M: I'll get straight to it then. It is evident that you are a hard worker, you are punctual and industrious. Furthermore, you have strong analytical skills and attention to detail. The company, myself included, are happy with your productivity and overall performance.

W: [2]Thank you. I appreciate the recognition.

M: Do you agree, then, with this depiction so far?

W: Yeah, it's true, simplistic, perhaps, but that's to be expected from this kind of evaluation.

M: Sure. Would you want to add anything? Your comments can be added to the report if you wish.

W: Oh, there's no need. It's a flattering portrayal, really. Thank you though.

M: OK, this leads me to the not-so-good part. This mostly centers around one behavioral aspect—your ability to work with others.

W: I see.

M: [3]Yes, as you already know, over the last several months, there have been some complaints raised about your communication style.

W: Of course, we already had, like, three meetings about this. Look, all I'm going to say is that it was never my intention to offend anyone. [4]Simply put, I don't like to write long emails, because, frankly, I think they're a waste of time. Conciseness is efficiency. I feel that writing long emails hurts that same productivity you praised me for just a minute ago, and I already apologized if anyone was offended. But to be perfectly honest, I think anyone who is offended was being a little too sensitive.

Questions 1 and 4 are based on the conversation you have just heard.

审选项预测

从选项中出现的词“work、company”可以推断，这篇对话的主题可能与“工作、公司”有关。

1. What are the speakers most probably doing?

答案: D) Discussing the woman's annual performance review.

选项与音频中的“This here is your yearly performance review.”（这是你的年度绩效评估。）直接对应，其中 annual 与 yearly 是一组近义词，都表示“一年一次的”，因此 D 选项“套路女士的年度绩效评估”是正确答案。

干扰项分析

A 选项“准备面试”与对话不符。对话显示这是一个已在公司工作三年的员工与上级之间的绩效评估会议，而非面试场景；

B 选项“一起撰写工作报告”不准确。对话中男士说年度绩效评估报告已经准备好，他们将共同审阅，而非现场共同撰写；

对话聚焦于员工个人的绩效评估，并没有明确提到公司整体面临的问题。故 C 选项“讨论公司面临的几个问题”与对话内容无关。

听音重难点

本题答案信息出现在对话开头，符合首末原则。

2. What does the woman say she appreciates?

答案：D) The recognition of her merits.

选项与女士的发言“I appreciate the recognition.”（我很感谢公司的肯定。）直接对应。而“merits”（优点）则是对前面男士称赞她的工作态度、分析能力和整体表现等的概括。音频中，女士明确表示感谢并欣赏这种对她个人优点的肯定。因此 D 选项“对她的优点的肯定”正确。

干扰项分析

男士虽说到了“overall”，但说的是“your productivity and overall performance”（你的工作效率和整体表现），而非公司的整体文化，故 A 选项“公司的整体文化”与女士的回应无关；

对话中没有提到任何具体的指导内容，女士感谢了对她工作的正面评价，其中并未提到她的上级是否有过指导，因此排除 B 选项“上级的指导”；

虽然对话显示经理的评价较为直接，但女士并未特别强调或感谢经理的诚实，而是感谢了对她工作的肯定，故排除 C 选项“经理的诚实”。

听音重难点

本题答案信息出现前有“Thank you.”作为提示。

3. What has given rise to some complaints about the woman?

答案：B) Her inability to interact with colleagues properly.

选项是对男士的发言“there have been some complaints raised about your communication style”（有人对你的沟通方式提出了一些意见）的概括。音频中明确指出有人投诉女士与他人的沟通方面存在问题。因此，B 选项“她无法与同事正常交流”是正确答案。

干扰项分析

A 选项“她的语言能力不足”在音频中未提及。对话中没有提到女士的语言能力问题，仅讨论了她的沟通方式；

音频中，女士虽然提到，为了“有人对你的沟通方式提出了一些意见”这一问题，他们开了三次会，但并未提到回忆中具体的行为问题，故排除 C 选项“她在公司会议上的不当行为”；

虽然女士之前用“simplistic”描述绩效评估，但对话中并没有将这一点与她与同事互动的问题直接联系。故 D 选项“她处理他人问题的简单化方法”也与他人对女士的投诉无关。

听音重难点

本题答案信息前有“Yes, as you already know, ...”作为提示。

4. Why doesn't the woman like to write long emails?

答案：C) To save time.

对话中，女士说“Simply put, I don't like to write long emails, because, frankly, I think they're a waste of time. Conciseness is efficiency.”（说白了，我不爱写长邮件，因为坦白讲，我觉得写长邮件纯属浪费时间。言简意赅就是效率。）即，女士认为写长邮件浪费时间，她认为简洁能提高工作效率。所以 C 选项“为了节省时间”是对音频内容的概括，是本题的正确答案。

干扰项分析

A 选项“为了避免冒犯收件人”不准确。虽然女士提到不想冒犯任何人，但这并非她不写长邮件的主要原因。相反，她认为长邮件本身就低效；

B 选项“为了展示她独特的写作风格”与对话不符。女士强调的是效率，而非展示特殊写作风格；

D 选项“为了坦诚”不准确。虽然女士在音频中表现得坦率，但这并非她不写长邮件的理由。她的重点是通过简洁提高工作效率。

听音重难点

本题答案信息有停顿和强调语气“Simply put、frankly”以及逻辑词“because”等作为提示。

Conversation Two

M: So tell me, why do you wish to study medicine?

W: [5]I've always wanted to be a doctor. I come from a small town where health care was never the best, and I think that had a profound effect on me. As a child, I remember thinking how great it would be to serve the community and cure people.

M: What other people or events in your life have shaped your interest in becoming a doctor?

W: [6]Well, that's hard to say. I would certainly say my parents have been a key factor. They always pushed me to study hard, and I certainly wouldn't be here without their support. I guess I was also immensely fortunate to have good teachers and friends around me. At the end of the day, I've always been surrounded by a positive environment conducive to my working hard and pursuing my dreams.

M: Is there any medical branch that you would like to specialize in?

W: I haven't decided yet. It's still early days. However, if I had to say, internal medicine.

M: Why internal medicine?

W: [7]I know it's no picnic, but I find it the most intriguing, because it covers so much and ties together so many specialties.

M: Thank you. Now, I'd like to address your academic history and projected grades. We like to think of ourselves as a prestigious institution with a highly competitive and promising student body. As you know, to get into our programs, you need at least an 85 percent score in the entrance exam. Do you think you can attain this?

W: I think so. Yes.

M: [8]I'm looking at your school grades now, and I'll be honest, it's a bit of a mixed bag. You do get top grades here and there, but you are not very, shall we say, consistent. I see no problem in making you a conditional offer, but consider yourself warned: our entrance exam is, to use your own words, no picnic.

Questions 5 to 8 are based on the conversation you have just heard.

审选项预测

从选项中出现的“medical”等可以推断，这篇对话的主题可能与“医学”有关。

5. What does the woman say she has always wanted to do since childhood?

答案: A) Provide medical service to the community.

选项A“为社区提供医疗服务”与女士原话中的“how great it would be to serve the community and cure people”（能为社区服务并治愈病人是多么了不起）对应。女士在对话中明确表示，自从童年时起，她就一直想成为一名医生，并且希望能够为社区提供医疗服务、治愈人们。因此A选项与音频一致，为本题的正确答案。

干扰项分析

虽然女士提到来自医疗条件不好的小镇，但她并没有说她的目标是改善小镇的医疗条件，而是想通过成为医生来服务社区，故排除 B“为了使她家乡的医疗条件成为最好的”；

之后的音频中确实女士提到对内科感兴趣，但这里问的是“这位女士表示她从小就有什么愿望？”因此获得学位与问题无关，故排除 C“获得内科医学博士学位”；

虽然女士提到她的成长经历对她产生了“profound effect”（深远影响），但这并不是她童年时想做的事情，而是描述她的个人经历，故排除 D“对周围的人产生深远影响”。

听音重难点

本题答案信息出现在对话开头的问答之中。

6. What do we learn about the woman's parents from the conversation?

答案：A) They have constantly urged her to study hard.

选项 A 直接对应女士原话中的“‘They always pushed me to study hard’（他们总是鼓励我努力学习）”。其中“constantly urged”与“always pushed”是一组同义替换，都表示“一直督促”，故 A 选项“他们一直敦促她努力学习”正确。

干扰项分析

对话中并未提及女士父母在经济上的支持，故排除 B“他们努力为她筹集教育经费”；

音频中，虽然女士确实提到周围有积极的环境，但这是泛指她的整体环境，而非特指父母直接创造的环境，故排除 C“他们试图创造积极的学习环境”；

对话中并没有提到家庭共同追求梦想，女士只是提到父母支持她追求自己的梦想，故排除 D“他们与她一起追求家庭梦想”。

听音重难点

本题答案信息前有停顿语气“‘Well’”作为提示。

7. Why does the woman say she wants to choose internal medicine as her specialty?

答案：B) It connects many other specialties with its broad coverage.

选项 B 与女士的发言相符，她明确表示，虽然内科并不容易，但“‘I find it the most intriguing, because it covers so much and ties together so many specialties’（但我觉得它最吸引人。它涵盖的领域广泛，还能把许多专科知识串联起来）”。选项 B 中“connects many other specialties”（将许多其他专科连接起来）与音频中的“ties together so many specialties”（把许多专科知识串联起来）对应，

而“its broad coverage”和“it covers so much”也是对应的，都表示“内科的涵盖范围广泛”。故 B 选项“它覆盖范围广，将许多其他专科连接起来”正确。

干扰项分析

A 选项“它是一个有助于实现她梦想的关键医学分支”在对话中没有明确提及，女士只是对内科的广度感兴趣，并未将其与实现梦想直接联系，故排除；

音频后半段中，男士提到“我们一直认为自己是一所享有盛誉的学府，这里汇聚了一群极具竞争力和发展潜力的优秀学生。”但这与女士选择专攻内科的原因无关，故排除 C“它在男士所在的这所声望很高的机构有悠久历史”；

音频中并未提到女士父母是否学习医学专业，更没有提到他们是否专攻内科，故排除 D“它是她父母都专攻的医学分支”。

听音重难点

本题答案信息有逻辑词“because”作为提示。

8. How does the man describe the woman's school grades?

答案：C) Inconsistent.

选项 C 是对男士说的“but you are not very, shall we say, consistent”（但你的成绩不是很，应该说，不太稳定）中“not very consistent”的同义替换，男士在对话中明确指出女士在学校成绩并不稳定。故选项 C“不稳定”正确。

干扰项分析

音频中虽然提到了“problem”，但男士说的是“给你发一份有条件录取通知是没问题的”，而不是说女士的成绩有问题，故排除 A 选项的“有问题的”；

男士的原话中虽然有“competitive”，但说的是“我们一直认为自己是一所享有盛誉的学府，这里汇聚了一群极具竞争力和发展潜力的优秀学生”，而不是男士称赞女士的成绩具有竞争力，故排除 B 选项的“具有竞争力的”；

男士明确表示她的成绩是“mixed bag”（参差不齐），显然这不能称为“值得信赖的”，故排除 D 选项。

听音重难点

本题答案信息有停顿语气“I'll be honest, ...”以及插入语“shall we say 作为提示。

Section B

Passage one

Logging into your email account can sometimes feel like trying to hack into the Pentagon. If you follow all of the guidelines, you need to use a different password for every one of your accounts. Use an incomprehensible variety of letters, numbers and symbols, sign up for two-step verification and change every password every time one of them is compromised. [9]More often than not, you then have to choose photos that include a street sign as this apparently provides solid evidence to your computer that you are, in fact, a human being. It's no small wonder most of us forget our passwords more often than our keys.

[10]Now, a new peer-reviewed study by researchers at Aalto University in Finland is attempting to figure out why we forget our passwords in order to help put an end to this frustrating phenomenon. Their findings suggest that how likely you are to remember your password has less to do with the intricacy of the password itself and more to do with how often you anticipate using it—which is to say, you are far more likely to remember a complicated password if you know you'll frequently be using it to log into an account than you are to remember a simple password for an account that you don't expect to log into very often. [11]The researchers advise websites to include more of an incentive for users to log in more often, in order to help them remember their secret codes.

Questions 9 to 11 are based on the passage you have just heard.

审选项预测

根据选项中出现的“codes、passwords、accounts”等表述，推测此篇章可能讨论的是“账户密码”。

9. Why do we often have to choose photos that include a street sign to log into our email accounts?

答案：D) To convince our computer that we are human.

选项 D 与音频中的“as this apparently provides solid evidence to your computer that you are, in fact, a human being”（因为这似乎能为你的电脑提供确凿证据，证明你的确是个活生生的人。）是同义替换。其中“convince our computer”（说服我们的电脑）与音频中的“provides solid evidence to your computer”（为你的电脑提供确凿证据）对应。因此，D 选项“让我们的电脑相信我们是人类”是正确答案。

干扰项分析

A 选项的“为了防止黑客破解我们密码”与音频不符。音频并未提到选择街道标志照片是为了防止黑客攻击，而是一种身份验证方式，故排除 A；

音频开头虽然提到了“follow all of the guidelines”（遵守所有规定），但说的是“如果你遵守所有规定，每个账户都得设置不同的密码。”这与本题所问的“为什么我们登录电子邮件账户时，经常需要选择含有街道标志的图片？”无关，因此排除 B 选项的“为了表明已遵守所有指南”；

C选项的“提供密码被遗忘的证据”与音频内容完全无关。音频中没有提及这种照片选择与忘记密码有任何联系，故排除C。

听音重难点

本题答案信息有递进逻辑信号“in fact”作为提示。

10. What do researchers at a university in Finland aim to do in their new study?

答案: B) Help people remember their passwords.

音频中芬兰阿尔托大学新研究的目的是“attempting to figure out why we forget our passwords in order to help put an end to this frustrating phenomenon”（试图弄清楚我们为何会忘记密码，以期彻底解决这一令人头疼的问题），而由此可推知，帮助人们不再忘记密码也即帮助人们记住密码，故B选项“帮助人们记住他们的密码”正确。

干扰项分析

A选项的“杜绝黑客现象”与音频不符。研究的重点是解决密码遗忘问题，而非防范黑客攻击，故排除A；

音频指出“他们的研究发现，记住密码的可能性与密码本身的复杂程度关系不大，反而更取决于你预期使用密码的频率。”由此可知，C选项的“降低密码本身的复杂程度”与音频内容不符；

音频讨论的是为什么人总会忘记密码，而非为什么人们有不同的电子邮件账户，故排除D选项“解释不同电子邮件账户的必要性”。

11. What do the researchers advise websites to do at the end of the passage?

答案: D) Take steps to encourage users to log in more often.

选项与音频中的“The researchers advise websites to include more of an incentive for users to log in more often, in order to help them remember their secret codes.”（研究人员建议网站应该采取措施鼓励用户更频繁地登录，这样可以帮助用户更好地记住自己的密码。）对应，选项的表达“Take steps to encourage users to log in more often”与音频中的“include more of an incentive for users to log in more often”是同义替换，均表示鼓励用户更频繁地登录。因此，D选项“采取措施鼓励用户更频繁地登录”是正确答案。

干扰项分析

A选项中“创新技术”在音频中并未提及，研究的重点是帮助用户记住密码，而非改进账户安全技术，故排除A选项“创新技术以确保用户账户的安全”；

音频中虽然提到了“incentive”，但说的是“采取措施鼓励用户更频繁地登录”，而非“为应用创新密码提供激励”故排除 B 选项；

音频中明确提到，研究发现密码复杂性并不是关键，而是强调使用频率的重要性，故排除 C 选项“探索使用更简单密码的可能性”。

听音重难点

本题答案信息出现在音频末尾，符合首末原则。

Passage Two

[12]Four years ago, Jenny Wiener was in a fitness slump.

She wanted to improve her physical and mental health. However, her workouts lacked intensity without a proper training programme to follow.

When she went to the gym, her daily ritual predominantly involved easy exercise options like jogging. She avoided more formidable exercises like lifting weights. A personal trainer who might push her was out of the question. The extravagant cost was just unaffordable. She then discovered the fitness phone app Slimmeratics.

[13]To use the app, you first input your profile about your previous training experiences and preferences, as well as your desired goals. A virtual coach then uses that information to suggest a personalised training regime. After the workout, the app's artificial intelligence software system uses feedback from Ms Wiener and its other 53 million users around the world to adjust future sessions.

[14]Now, Ms Wiener finds the workouts exciting. This is because no two are ever the same. As a result, the app has helped her to lose more than 25 kg. The app's mathematical approach can arrange a more meticulous workout schedule. This has led to optimal results.

[15]However, some experts think that apps cannot replace human personal trainers. An app cannot understand human behaviour. It will not comprehend that there are competing interests outside of health and fitness. Additionally, a human trainer can add compassion to the workout. He can also make exercise fun and sustainable. Trainers can monitor whether a person is doing exercises correctly. This can safeguard against injuries. An app cannot perceive such subtleties.

Questions 12 to 15 are based on the passage you have just heard.

审选项预测

根据选项中出现的“training、fitness、app”推测此篇章可能与“健身”、“手机应用程序”有关。

12. What was the problem Jenny Wiener encountered four years ago?

答案：C) Her fitness fell into a slump.

选项 C 与音频中“Four years ago, Jenny Wiener was in a fitness slump.”（四年前，珍妮·维纳正处于健身低谷期。）基本视听一致。因此 C 选项“她的健身状态陷入低谷”正确。

干扰项分析

A 选项的“她对工作不再感兴趣”与音频内容不符。音频没有提及珍妮·维纳的工作相关的内容，故排除 A 选项；

结合之后音频可知，珍妮·维纳意外发现了一款名为 Slimmeratics 的健身手机应用，且这款应用程序很适合她，故排除 B 选项“她的训练应用程序不适合她”；

D 选项的“她的生意恶化了”与音频信息无关。音频没有提及珍妮·维纳的生意衰退的内容，故排除 D 选项。

听音重难点

本题答案信息出现在音频开头，符合首末原则。

13. What can the fitness phone app Slimmeratics do according to the passage?

答案：B) Design personalised training programmes.

选项与音频中“A virtual coach then uses that information to suggest a personalised training regime.”（随后，虚拟教练会根据这些信息为用户推荐个性化的训练方案。）对应，选项中“programmes”（计划，方案）与音频中“regime”（组织方法；体系）是近义词替换，都指训练方案。故 B 选项“设计个性化训练方案”正确。

干扰项分析

虽然音频中提到 Slimmeratics 通过收集用户反馈来调整训练，但原文并没有明确指出应用直接“帮助用户追踪健身水平”，故排除 A 选项；

音频提到了“around the world”，说的是“该应用的人工智能系统会根据维纳女士以及全球其他 5300 万用户的反馈，不断调整未来的训练计划”，但并未提及用户间的互动或联系，故排除 C 选项“加强全球用户之间的联系”；

结合音频可知，Slimmeratics 这个应用程序实际上强调的是虚拟教练和人工智能系统，而非选择真人教练，故排除 D 选项“选择完全能胜任的真人教练”。

14. Why does the passage say Jenny Wiener now finds the workouts exciting?

答案：A) They are never repeated.

A 选项与音频中“This is because no two are ever the same.”（这是因为每次训练都截然不同。）为同义替换，选项的表达“never repeated”与音频中的“no two are ever the same”在语义上完全一致。故，A 选项“它们从不重复”正确。

干扰项分析

音频主要描述了应用程序设计出的训练的特点和效果，并未提及训练如何丰富珍妮的生活，故排除 B 选项“它们帮助丰富她的生活”；

本题问的是“为什么珍妮·维纳现在觉得锻炼令人兴奋”，这是因为她使用的手机应用程序设计的训练每次都不同。相关的音频中并没有描述训练的强度是否极端，只提到应用程序的人工智能系统会根据用户反馈调整训练计划。因此排除 C 选项的“它们不具有极端强度”；

音频中并未提到训练能否让珍妮专注，故排除 D 选项的“它们使她专注于目标”。

听音重难点

本题答案信息有因果逻辑信号“This is because...”作为提示。

15. What do some experts think of fitness apps like Slimmeratics?

答案：A) They will not be able to take the place of human personal trainers.

选项与音频中“However, some experts think that apps cannot replace human personal trainers.”（不过，有专家指出，手机应用再先进也无法完全取代真人私教。）直接对应。音频中“not be able to take the place”与选项中的“cannot replace”，都指“无法代替”，而“human personal trainers”则是视听一致的内容。因此 A 选项“它们无法取代真人私教”正确。

干扰项分析

音频中提到了“comprehend”，说的是“它（应用程序）无法理解人们在健康和健身之外还有其他的兴趣。”而不是“它们无法理解用户输入的某些资料”，故排除 B 选项；

音频提到“该应用程序采用数学算法，能够制定更加精细的训练计划。”并且“这种方法效果显著。”故 C 选项的“它们无法通过数学算法获得最佳结果”与音频不符，可排除；

音频中“arrange a more meticulous workout schedule”（制定更加精细的训练计划）说的正是应用程序，而非人类行为，故 D 选项“它们无法像人类一样安排精细的训练计划”与音频不符，错误。

听音重难点

本题答案信息有转折逻辑与引用转述信号“However, some experts think...”作为提示。

Section C

Recording One

[16]All societies are held together by seven universal moral rules, which include deferring to superiors and respecting the property of others, Oxford University has concluded.

Although many cultures are moving towards more liberal, less hierarchical organisations, the new research suggests that traditional power structures and basic values of charity and brotherhood are the cornerstones of successful societies.

The huge study of 60 different cultures around the world found that all communities operate under seven basic moral codes. Those universal rules are: help your family, help your group, return favours, be brave, defer to superiors, divide resources fairly and respect the property of others.

The character traits held by every kind of community, be they traditional hunter-gatherers or advanced civilisations, helping to uphold civilised society and foster social cooperation, researchers found.

“Everyone everywhere shares a common moral code,” said Dr Oliver Scott Curry, lead author and senior researcher at Oxford. “These seven moral rules appear to be universal across cultures because people face the same social problems. Even if some of its traits look right-wing or conservative, for example deferring to authority, left-wing people will still have a group loyalty and deference to someone or something. This shows there really is more that unites us than divides us.”

[17]The study, published in Current Anthropology, is the largest and most comprehensive and widespread survey of morals ever conducted and aimed to find out whether different societies had different versions of morality.

The team accessed the world’s best archives to analyse accounts from more than 600 sources, of 60 societies around the world. They found that the seven rules were considered morally good in all societies and were observed across all continents, religions and politics. However, some communities valued certain rules more highly than others.

Dr Curry hopes that this research helps to promote mutual understanding between people of different cultures, an appreciation of what we have in common, and how and why we differ.

[18]Co-author Professor Harvey Whitehouse, said social scientists should now set about testing the theory in the field rather than relying on old data. “This study was based on historical descriptions of cultures around the world,” he said. “These descriptions are made independently of, and prior to, the theory we’re testing. [18]In future, when social scientists are serious about testing theories of morality, they will need to gather new data, more systematically, out in the field.”

Questions 16 to 18 are based on the recording you have just heard.

审选项预测

根据选项中出现的“societies、moral、morality”等表述，推测此讲座可能与“社会、道德”有关。

16. What do we learn from the conclusion of the Oxford University researchers?

答案: C) All societies are kept together by seven basic moral rules.

选项与原文“All societies are held together by seven universal moral rules”（全球各个社会都遵循七项共同的道德准则）基本视听一致。其中，“kept together”和选项中“held together”意思相同，均强调了道德准则在社会凝聚中的关键作用。因此，C选项“各个社会都被七项共同的道德准则维系在一起”正确。

干扰项分析

A选项中“cornerstones of basic values”虽然可以部分对应到音频中的内容，但对应音频说的是“传统的权力结构以及慈善和友爱的基本价值观仍然是构建成功社会的基石”，而非“所有社会都建立在基本价值观的基石之上”，故排除该选项；

音频强调的是“七条道德准则”，而不仅仅是“七种特征”。因此B选项“每个地方的每个人都展示七种特征”错误地将道德准则简化为个人特征，故排除；

D选项的“世界各地的人们都共享一套普遍的道德标准”虽然能对应到音频中牛津大学首席研究员奥利弗·斯科特·库里博士的话，但这是研究人员对研究的评价，而非研究的结论本身。此外，音频强调的是“all societies are held together by seven universal moral rules”（所有社会都由七条普遍的道德规则维系），聚焦于社会结构，而非个人是否共享道德标准。故排除D选项。

听音重难点

本题答案信息出现在音频开头，符合首末原则。

17. What did the new study by Oxford researchers aim to do?

答案: B) Find out whether different societies had different versions of morality.

选项与音频中“The study...aimed to find out whether different societies had different versions of morality.”（该研究旨在探索不同社会是否存在不同的道德观念。）视听一致。因此B选项“探索不同社会是否存在不同的道德观念”正确。

干扰项分析

虽然音频中“deferring to authority”（服从权威）和“right-wing people”（右翼人士），但音频说的是“即使某些特征看似右倾或保守，例如服从权威，左翼人士同样会对特定群体或事物表现出忠诚和服从。”由此可知，研究的目的并非探讨尊重权威与政治倾向的关系。故排除A选项“确定服从权威是否仅限于右翼人士”；

音频中虽然说到了“the same social problems”（相似的社会问题），但说的是“这七条道德准则似乎在不同文化中都普遍存在，因为人们面临着相似的社会问题。”而这是牛津大学首席研究员奥利弗·斯科特·库里博士对研究发现的解释，并非研究的核心目的。故，选项 C“阐明所有社会是否面临相同的道德问题”没有准确反映音频中研究的目的；

音频虽然提到了“left-wing people”（左翼人士）和“group loyalty”（群体忠诚），但说的是“即使某些特征看似右倾或保守，例如服从权威，左翼人士同样会对特定群体或事物表现出忠诚和服从。”而非“查明左翼人士是否仍然具有群体忠诚”，故排除 D 选项。

18. What does Harvey Whitehouse think social scientists should do to test theories of morality?

答案：D) Carry out systematic field studies to gather new data.

选项 D 与音频中“In future, when social scientists are serious about testing theories of morality, they will need to gather new data, more systematically, out in the field.”（将来，社会科学家如果要严谨地检验道德理论，就必须深入实地，更有系统地收集新数据。）对应。选项中“gather new data”与音频视听一致一致，而“systematic field studies”则是对音频中“more systematically, out in the field”的概括，都是指系统地实地调查。因此，D 选项“进行系统的实地研究以收集新数据”正确。

干扰项分析

A 选项“独立描述世界各地的文化”与音频不符。怀特豪斯教授提到，“这项研究建立在对全球各地文化的历史记载之上。”而，“这些描述是在我们提出理论之前，独立完成的，与我们正在验证的理论没有关联。”他的意思是这些描述已经存在，而非建议未来研究应该做这件事。故排除 A 选项；

B 选项“努力理解人们之间的基本差异”与库里博士的期望相关：这项研究能够促进不同文化背景下人们之间的相互理解，认识到我们的共同之处，同时也能了解彼此差异及其原因，这与本题所问的“哈维·怀特豪斯认为社会科学家应该如何验证道德理论？”无关，故可排除；

音频中怀特豪斯教授指出，社会科学家现在应该着手在实际环境中验证这一理论，而非继续依赖旧数据，故 C 选项“欣赏现有数据的基础价值”与怀特豪斯教授的观点不符。

听音重难点

本题答案信息出现在音频末尾，符合首末原则。

Recording Two

When it comes to food, color is money. Food companies know that better color gives better prices, so they ensure that their products are attractive in color to bolster earnings. Oranges, for example, have to

meet specific color standards, and oranges are just the beginning. There are color standards for foods including French fries, tomatoes, pumpkins, olives, honey and cherries.

[19]The attention to color is for good reason. For all the talk of the tongue, our eyes really might be the most important part of the eating experience. A great number of our brain functions are dedicated to processing vision, while only a percent or two is given over to taste faculties. [20]And the result is that color actually changes how we taste food.

Scientists have demonstrated many times the importance of color to taste. In a 1980 study, for example, test participants were asked to name the flavor of the beverage they were drinking without being able to see that beverage. Only one in five was able to identify it as orange. But when they were allowed to see that they were drinking, which was orange in color, each of them identified the orange flavor. And when a drink that was lime-flavored was colored orange, nearly half of respondents identified the flavor of the beverage as orange—none made that mistake when the beverage was green in color.

What's happening when someone fails to identify the flavor of a beverage they can't see or that has an abnormal color? Is it that participants can't discern what the flavor is, and so rely on visual cues? Or does color actually change the experience of taste? The key to these questions is the effect of color on expectation. [21]The brain makes predictions using color. These predictions rely on expectations that come from experience. Research shows that we're all born liking sweet things and desire to eat them. But we aren't born knowing what the sweet things we crave look like. So we need to learn this over time. The brain gets information from the environment, and we learn, for example, that fruits go from green and sour to red and ripe and sweet. Thus, if we see a green berry, we equate its color with a sour taste. And just looking at a red fruit will activate our expectations that it will taste sweet and delicious.

Questions 19 to 21 are based on the recording you have just heard.

审选项预测

根据选项中出现的“eating、food、taste”等表述，推测此讲座可能与“食物的味道”有关。

19. What does the speaker say about our eyes?

答案：A) They might be the most important part of our eating experience.

选项 A 与音频中“our eyes really might be the most important part of the eating experience”（在整个用餐体验中，我们的眼睛可能才是最关键的）基本视听一致，故 A 选项“它们或许是我们用餐体验中最关键的部分”正确。

干扰项分析

音频中虽然提到了“brain functions”（大脑功能）——“我们大脑中有相当大一部分功能专门用于处理视觉信息，而只有百分之一或二专门负责味觉感知”。但并没有说眼睛能“以最直接的方式激活大脑功能”，因此 B 选项不正确；

音频完全没有提到眼睛是“心灵的窗户”这一说法。这虽是一个常见的表达，但与音频内容无关，因此 C 选项不正确；

对应音频中并未提到眼睛误导我们做什么，故 D 选项“它们可能在多方面误导我们”不正确。

听音重难点

本题答案信息有最高级“the most important”作为提示。

20. What does color actually do according to this lecture?

答案：D) It changes the way people taste food.

选项 D 和音频中的“*And the result is that color actually changes how we taste food.*”（由此可见，食物的颜色确实能改变我们品尝食物的方式。）是同义替换。选项中的“the way people taste food”与“how we taste food”是对应的，都表示“品尝食物的方式”。因此，D 选项“它改变了人们品尝食物的方式”正确。

干扰项分析

音频中虽然提到了食品公司关注食物的颜色，但并未提到这种关注是否是“不断增长的”。因此 A 选项“它吸引了食品公司的日益关注”不正确；

音频只是客观地陈述颜色会改变我们品尝食物的方式，并没有评价这种改变是好是坏，因此 B 选项“它对人们的用餐体验产生不利的影响”不正确；

虽然音频开头暗示颜色会影响食品价格，但并没有说颜色“必然决定”食品的销售情况。故，C 选项“它必然会影响食品的销售情况”与音频不符，也不正确。

听音重难点

本题答案信息有“*And the result is*”作为提示。

21. What does the brain use color to do?

答案：B) Make predictions.

选项 B 与音频中的“*The brain makes predictions using color.*”（大脑利用颜色做出预测。）视听一致。因此 B 选项“做出预测”正确。

干扰项分析

结合音频可知，颜色会影响我们对味道的期望和感知，但没有指出它会增强味道本身，因此 A 选项“增强味道”与音频不符，可排除；

音频中提到的 1980 年的研究（研究人员让测试参与者在看不到饮料的情况下，说出他们正在喝的饮料的味道）表明，当饮料颜色异常或不可见时，人们可能难以辨别味道，但这只是预测受阻的结果，而非颜色的主要功能。故排除 C“识别不同的味道”；

音频中虽然提到了“eating experience”（用餐体验），但这是音频前半段的内容，说的是“虽然人们常说味觉很重要，但在整个用餐体验中，我们的眼睛可能才是最关键的。”而非大脑使用颜色来“丰富饮食体验”，故排除 D 选项不正确。

Recording Three

[22]Searching for meaning is something many of us experience throughout our lives. For some, this meaning is religious, some political and some interpersonal. And having a sense of meaning can bring us happiness.

A new study looks at the relationship between meaning and happiness in the context of financial resources. [23]Rhia Catapano from the University of Toronto and colleagues find meaning is a far weaker predictor of happiness for rich people than poorer people—suggesting economic resources can impact how we experience meaning.

The team analyzed data from over 500,000 people across 123 countries. The first study used data from a daily poll of US residents collected between 2013 and 2015. Wellbeing was tracked using measures of positive affect—whether, during the day before they were surveyed, participants had smiled or laughed a lot, or experienced a lot of happiness.

Meaning was measured through a daily “purpose index”, which explored the extent to which participants felt that they liked what they do every day and are motivated to achieve their goals. Finally, income levels were assessed.

The results showed that the correlation between meaning and happiness was strongest among those in lower income brackets. But as income levels increased, the correlation became weaker.

[24]The second study looked at worldwide data. Happiness was measured using the same questions as in the first study, while meaning was measured using the single question: “Do you feel your life has an important purpose or meaning?”. Again, the strength of the relationship between meaning and happiness depended on participants’ income: meaning had a greater influence on happiness for those on lower incomes compared to those in higher brackets.

In the final study, French participants indicated the extent to which they felt they led a purposeful and meaningful life and how much they considered themselves a happy person. Finally, rather than using

specific income brackets, they placed themselves on a “social ladder” representing where they stand in society with regard to wealth, education, and career. The results from this study duplicated those of the first two.

[25]So, overall, meaning and happiness had a stronger relationship in those with fewer resources than those with more. This might be the case because richer individuals have more access to other sources of happiness—many of which will be external, like lack of stress or community. Thus, a focus on an internal sense of satisfaction, purpose or meaning is less important.

Questions 22 to 25 are based on the recording you have just heard.

审选项预测

根据选项中出现的“meaning、happiness”等表述，推测此讲座可能涉及到“意义”、“幸福感”。

22. What does the speaker say many of us search for throughout our lives?

答案： C) Meaning.

选项 C 与音频“Searching for meaning is something many of us experience throughout our lives.”（追寻意义是我们许多人终其一生都在经历的过程。）视听一致，因此选项 C“意义”是本题的正确答案。

干扰项分析

对应音频中并未提到“社会地位”相关的信息，故排除 A 选项；

B 选项“financial resources”虽然是音频中提到过的信息，但对应音频说的是“一项新研究探讨了在经济条件背景下，意义与幸福感之间的关系。”而非我们很多人一生都在追寻的是“经济资源”，故排除 B 选项；

虽然音频提到了“having a sense of meaning can bring us happiness”（拥有意义感能为我们带来幸福感），但这表明幸福是拥有意义感的结果，而非人们一生所追寻的东西。故排除 D 选项“幸福感”。

听音重难点

本题答案信息出现在讲座开头，符合首末原则。

23. What do Rhia Catapano and colleagues find about economic resources?

答案： C) They can affect people's experience of meaning.

对应音频“Rhia Catapano from the University of Toronto and colleagues find meaning is a far weaker predictor of happiness for rich people than poorer people—suggesting economic resources can impact how we experience meaning.”说明，多伦多大学的莉娅·卡塔帕诺及其同事的研究发现，相比于低收入群体，对富人来说，意义与幸福感之间的关联明显较弱。这一发现暗示，经济资源可能会影响

我们对意义的感知和体验。C 选项“它们会影响人们对意义的感知”与音频相符，其中“impact how we experience meaning”与选项中的“impact how we experience meaning”是一组同义替换，都表示“影响我们对意义的感知”。因此本题的正确答案为 C 选项。

干扰项分析

根据音频，研究只是发现了经济资源与意义、幸福之间的关系模式，并未评价这种影响是否被夸大，故排除 A“它们对人们幸福感的影响长期以来被夸大了”；

对应音频并未提到经济资源在不同的“社会背景”下发挥作用，故 B 选项“它们对人们生活的影响随社会背景而变化”与音频不符，可排除；

音频中，研究表明富人可能有更多幸福来源，但并未断言经济资源能确保整体福祉，这种表述过于绝对，故排除 D“它们能确保人们的整体福祉”。

听音重难点

本题答案信息有引用转述信号“suggesting”作为提示。

24. What do we learn about Rhia Catapano and colleagues' second study?

答案：D) It examined data collected from multiple countries.

音频明确指出“The second study looked at worldwide data.”（第二项研究考察了全球范围的数据。），这表明第二项研究分析了来自多个国家的数据收集对应。故选项 D“它研究了从多个国家收集的数据”与音频相符，是正确答案。其中“multiple countries”（多个国家）与音频中“worldwide”（全世界）对应。

干扰项分析

音频中明确表示“Happiness was measured using the same questions as in the first study”（这项研究采用与第一项研究相同的问题来衡量幸福感），故 A 选项“它使用了与第一项研究完全不同的问题”与音频不符，可排除；

根据音频可知，“French participants”（法国参与者）是最后一项研究中的内容，而非本题问的“第二项研究”，故排除 B 选项“它专注于法国参与者的意义感”；

C 选项中的“a daily poll of US residents”（美国居民日常民意调查）是“第一项研究”中的内容，而非本题所问的第二项研究。故排除 C 选项“它分析了来自美国居民日常民调的案例”。

25. Why do meaning and happiness have a weaker relationship in those with more resources?

答案：A) They might have more access to external sources of happiness.

音频首先指出“So, overall, meaning and happiness had a stronger relationship in those with fewer resources than those with more.”（因此，总的来说，相比资源充足的群体，对于资源较少的人来说，生活的意义与幸福感之间存在着更为紧密的联系。）这与本题的问题“对于资源较丰富的人群来说，为什么意义感和幸福感之间的联系不那么紧密”相符。随后“This might be the case because richer individuals have more access to other sources of happiness—many of which will be external, like lack of stress or community.”解释了原因，即“这可能是因为较富裕的人有更多途径获得其他来源的幸福——其中许多是外部因素，例如生活压力较轻或良好的社区环境。”因此音频明确解释了富人与意义、幸福之间关系较弱的原因是，他们有更多机会从外部获得幸福，故 A 选项“他们可能有更多机会从外部来源获得幸福”与音频基本视听一致，是本题的正确答案。

干扰项分析

B 选项“他们可能专注于个人满足感或意义感”与音频相反，音频指出较富裕的人“对内心满足感、人生目标或生活意义的关注就显得不那么重要了”，这表明富人对个人内在满足感的关注较少，而非更多，故排除 B 选项；

音频中提到，社区是较富裕的人外部幸福来源的一个例子，但并未说明富人是否更容易或更难受社区感受的影响，故排除 C“他们可能不易受社区整体感受的影响”；

音频并未比较富人与穷人在目标未达成时受到影响的差异。故排除 D 选项“他们可能受目标未达成的不良影响较小”。

听音重难点

本题答案信息出现在音频末尾，且有“So, overall, ... because”等逻辑信号作为提示。

Part III Reading Comprehension

Section A

词性分析：

名词：casualty（伤亡人员；损失）、extent（范围；程度）、group（群体，团体）、mortality（死亡率）、probe（探究，详尽调查；探针，探测仪）

动词：applaud（鼓掌，赞扬）、exclude（排除，除外）、group（使成组，聚集；将……分类）、moderate（缓和，使适中）、probe（探查，调查）

形容词：hierarchical（分层的，等级的）、immediate（立即的，直接的）、moderate（适度的，中等的；温和的）、overt（公开的，明显的）、praiseworthy（值得赞扬的）、unequal（不平等的，不平的）

副词：incredibly（难以置信地；非常地）、sceptically（怀疑地）

26. (J) mortality

In developing countries there is a low life expectancy, a high infant 26 rate, high levels of unemployment and illiteracy, nutritional levels below acceptable standards and widespread disease with very little or poor quality medical assistance.

第26空位于“a high infant ___ rate”中，语法上需要一个名词与“rate”搭配，且需符合句意。句子的上下文提到发展中国家的问题，包括低预期寿命、高婴儿死亡率等。选项中，mortality（死亡率）是描述婴儿死亡现象的常用词，符合句意和语法要求。因此，J项 mortality 为正确答案，表示“婴儿死亡率高”。

27. (H) incredibly

Others live 27 wealthy and luxurious lives and so the wealth is distributed in a very 28 manner.

第27空后的形容词 wealthy 和 luxurious 表明，此处需要填入一个副词来修饰这两个形容词。句意描述一些人过着富裕和奢华的生活，与前文的贫困形成对比。选项中只有 incredibly（令人难以置信地）作为副词，强调程度，符合此处语境和语法。因此，H项 incredibly 为正确答案，表示“过着极其富有和奢华的生活”。

28. (O) unequal

Others live incredibly wealthy and luxurious lives and so the wealth is distributed in a very 28 manner.

第28空前的名词 wealth 和动词 distribute 表明此处需要填入一个形容词来描述财富分配的方式。句意承接前文，描述财富分配的不平衡，与贫困和奢华生活的对比相呼应。对比选项来看，unequal（不平等的）符合句意，表达财富分配不均的现象。因此，O项 unequal 为正确答案，表示“财富以非常不平等的方式分配”。

29. (A) applaud

We all 29 when very rich people pledge to give away most of their billions, but they are usually left with millions to pass on, still much more than most people would expect to earn in their lifetime.

第 29 空前是主语 We，后是时间状语从句，因此空格处需要填入一个动词，作为主句的谓语。句意描述富人承诺捐出大部分财富时，人们的反应。选项中只有 applaud（鼓掌、赞扬）符合此处语境，表示人们对此行为的赞赏，且动词形式正确。其他动词（如 group、exclude、probe）语义不符，故本题答案为 A。

30. (I) moderate

Even comparatively 30 salaries in the west are very high when compared globally. Someone on £20,000 could easily afford to give away £2,000 per year and still have plenty to live on plus some luxuries.

第 30 空位于副词 comparatively 之后，修饰名词 salaries，因此需要填入一个形容词。该句意为“在西方国家中，即使是相对 30 薪资，在全球范围来看也算非常高的。”综合来看，只有 moderate salaries（中等收入）表述最为合理。因此，I 项为正确答案，表示“即使是相对中等的薪资”。

31. (L) praiseworthy

Most people agree that giving to charity is morally 31 but charitable behaviour tends to be regarded as above and beyond the call of duty.

第 31 空前的副词 morally 表明此处需要填入一个形容词，描述慈善行为。该句有关大多数人对捐款给慈善机构这件事的看法。选项中的形容词 praiseworthy（值得称赞的）符合句意，表达对慈善行为的正面道德评价。因此，L 项 praiseworthy 为正确答案，表示“捐款给慈善机构在道德上是值得赞扬的”。

32. (G) immediate

The majority of arguments in this vein refer to giving aid to poorer nations but they may also refer to giving time within one's 32 community.

第 32 空前是 one's，其后是名词 community，这表明此处需要填入一个形容词。该句意为“大多数这类观点都涉及向贫穷国家提供援助，但也可能是指在 32 社区内投入时间。”可以看出此处提到国家层面和个人层面的慈善行为作为对比，因此选项中只有形容词 immediate（直接的、附近的）符合语境，指代“自己所处的社区”，也即 G 项为正确答案。

33. (C) exclude

Arguments tend to place different requirements on people in different income brackets and 33 entirely people who are merely making ends meet.

第 33 空前是 and，也就是说空格之后的内容应当与 place...on people 并列，故此处需填入动词原形。句意表示，这些观点往往对不同收入阶层的人提出不同的要求。不难推测后半句中 merely making ends meet（勉强维生）的人是应当“被排除在外的”。因此 exclude（排除）最符合此处语境，表示“完全排除那些仅能维持生计的人”。

34. (E) group

I will 34 together all those arguments that place a moral requirement on people to give to charity, despite the fact that there is wide disagreement as to the 35 of that moral requirement.

第 34 空前是 will，后是 together，因此需要填入一个能与 together 搭配的动词原形。句意表示作者将把所有主张慈善道德要求的论点归纳在一起。而选项中只有动词原形 group（分组、归类）最符合语境，group together（汇总）也与 all those arguments 形成动宾关系，其他动词（如 probe）则无此用法。因此，E 项为正确答案，表示“我将把所有那些认为人们有道德义务捐款给慈善机构的观点归为一类”。

35. (D) extent

I will group together all those arguments that place a moral requirement on people to give to charity, despite the fact that there is wide disagreement as to the 35 of that moral requirement.

第 35 空位于名词短语 the...of that moral requirement 中，因此需要填入一个名词。结合上一题可知，该句句意为“我将把所有那些认为人们有道德义务捐款给慈善机构的观点归为一类，尽管对于这种道德要求的 35 存在广泛分歧。”由此可知，extent（程度、范围）符合此处语境，表示道德要求的具体范围或程度存在争议。D 项为本题的正确答案。

Section B

36. G

第一步：选取关键词

“名词优先”：basic needs、the modern world

“动形其次”：became more and more reliant、feel less so

第二步：定位关键词

[G] At the advent of the modern world, the division of labor spread further and further throughout society. Each person became more and more dependent on others for their basic needs. And yet, robbed of the engagement with our neighbors and with our local communities that our ancestors were forced into by circumstance, we feel ourselves to be more and more independent of one another. As we become more

and more dependent on others, we become less and less conscious of our dependence on others. This is the paradox of trade in the modern world.

第三步：寻找同义替换

题干 / 原文：

became more and more reliant / became more and more dependent

feel less so (less reliant) / feel ourselves to be more and more independent

37. C

第一步：选取关键词

“名词优先”：productive debates

“动形其次”：might be possible、mutual condemnation

第二步：定位关键词

[C] Consequently, trade as a topic of discussion provides an opportunity for liberals and populists to have a real meeting of minds. Fruitful debates might actually take place in this area, as opposed to the familiar ritual we've become accustomed to of condemnation met with counter-condemnation.

第三步：寻找同义替换

题干 / 原文：

productive debates / fruitful debates

might be possible / might actually take place

mutual condemnation / condemnation met with counter-condemnation

38. I

第一步：选取关键词

“名词优先”：greater independence、money

“动形其次”：buy things、without building any relationships

第二步：定位关键词

[I] There are two reasons for this. The first, to put it bluntly, is money. Money allows us to purchase the work of others without giving any thought to them as human beings. Unlike our ancestors in their primitive townships, we rarely have to meet face-to-face the people who've invented, built, shipped, or supplied our goods. No relationship has to be built before an exchange can take place. Simply agree on a price, and you can have any goods you wish without taking a second thought for the human being

involved on the other side of the transaction. In this way, money makes us feel more independent than we actually are. ...

第三步：寻找同义替换

题干 / 原文：

greater independence / more independent

buy things / purchase the work of others

without building any relationships / without giving any thought to them as human beings; no relationship has to be built

39. D

第一步：选取关键词

“名词优先”：the trouble with today's trade、money

“动形其次”：stems from misconceptions

第二步：定位关键词

[D] Strange as it might sound, the problem with trade in the modern world isn't a matter of dollars and cents. It's a matter of false consciousness. This observation is bound to set Marxist alarm bells ringing in the minds of some readers, but it was first made by Alexis de Tocqueville in 1840.

第三步：寻找同义替换

题干 / 原文：

the trouble with today's trade / the problem with trade in the modern world

money / dollars and cents

stems from misconceptions / it's a matter of false consciousness

40. M

第一步：选取关键词

“名词优先”：advocates of free trade、bonds of affection、between consumers at home and producers overseas

“动形其次”：for their arguments to prevail、try to forge

第二步：定位关键词

[M] If free-traders are going to win policy arguments in the future, they'll have to find a way of forging bonds of affection between American consumers and foreign producers. Only by de-anonymizing the men and women who supply us with the goods and services we enjoy from overseas and by creating a sense of

solidarity and relationship across borders that transcends economic interest can free trade win the day. Otherwise, the inborn biological upper hand that protectionists have in the form of nationalist solidarity is bound to win the day at the ballot box.

第三步：寻找同义替换

题干 / 原文：

advocates of free trade / free-traders

for their arguments to prevail / win policy arguments

try to forge bonds of affection / find a way of forging bonds of affection

between consumers at home and producers overseas / between American consumers and foreign producers

41. J

第一步：选取关键词

“名词优先”：Tocqueville、ancestors、the people we do trade with、strangers

第二步：定位关键词

[J] Anonymity, in fact, is the second root cause of the free-trade paradox. Modernity has emancipated everyone from the limits of location and community. By and large, when we trade, we trade with strangers; when we vote, we vote for strangers; when we watch, read, or listen to stories, the tellers of the tales are strangers. As opposed to the ancestors Tocqueville compares us to, we do not know the people with whom we have to do, in either the economic or the political sphere. ...

第三步：寻找同义替换

题干 / 原文：

unlike our ancestors / as opposed to the ancestors

we and the people we do trade with are strangers / we do not know the people with whom we have to do

42. E

第一步：选取关键词

“名词优先”：primitive societies、personal needs

“动形其次”：rely mostly on themselves

第二步：定位关键词

[E] ...In primitive societies, he notes, the division of labor was as yet undeveloped for the most part, requiring each person, family, or tribe to be relatively independent when it came to meeting their own basic material needs. Men built their own dwellings, farmed their own land, tended to their own livestock.

This is not to deny that basic forms of trade took place, but, for the most part, our primitive ancestors lived fairly self-reliant, if crushingly poor, lives.

第三步：寻找同义替换

题干 / 原文：

meet their personal needs / meeting their own basic material needs

rely mostly on themselves / be relatively independent

43. H

第一步：选取关键词

“名词优先”：few commodities、American homes、people abroad、the process of manufacture and sale

“动形其次”：are not reliant on

第二步：定位关键词

[H] The false consciousness that this paradox generates causes havoc on the debates we have about free trade. There is scarcely a single commodity in any American household that isn't dependent for its manufacture and sale, through one supply chain or another, on scores of different people spread out across the entire globe. But as Tocqueville already foresaw in 1840, we do not feel dependent on these strangers for our way of life. No sense of the dependence of our own material welfare on their work ever strikes our national consciousness. We rarely contemplate the globalized avenues of free trade with gratitude.

第三步：寻找同义替换

题干 / 原文：

few commodities / scarcely a single commodity

American homes / American household

are not reliant on / isn't dependent

people abroad / scores of different people spread out across the entire globe

44. A

第一步：选取关键词

“名词优先”：protectionists、losses suffered by domestic producers and communities

“动形其次”：referring to

第二步：定位关键词

[A] Trade is one of the policy areas where the hostility that exists between *populists*(民粹主义者) and classical liberals is most visible. Free-traders point to the undeniable good that tariff-free trade has done

for consumers across the world and to the observable alleviation of poverty in corners of the world where previously closed markets have been opened up. Protectionists point to the domestic producers who've paid the price for this globalized economy in the form of lost livelihoods and hollowed-out communities.

第三步：寻找同义替换

题干 / 原文：

referring to / point to

losses suffered by domestic producers and communities / domestic producers who've paid the price ...

lost livelihoods and hollowed-out communities

45. L

第一步：选取关键词

“名词优先”：strangers overseas

“动形其次”：extremely hard、feel dependent on and grateful to

第二步：定位关键词

[L] This is the greatest challenge facing defenders of free trade. It's exceedingly difficult for human beings to feel gratitude toward strangers, and the global marketplace that has made us so rich has also made us strangers to one another. Our brains are hardwired for tribal life, and tribes do not take kindly to strangers. Impressing a sense of dependence upon and gratitude toward foreign strangers is therefore an uphill task.

第三步：寻找同义替换

题干 / 原文：

strangers overseas / foreign strangers

extremely hard / an uphill task

feel dependent on and grateful to / impressing a sense of dependence upon and gratitude toward

Section C

Passage One

46. B) Determine whether one is left-brained or right-brained.

第一步：选取关键词

“名词优先”：personality quizzes online

第二步：定位关键词

第1段：There are hundreds of personality quizzes online that assert they can ascertain whether the right or left half of your brain is dominant. Left-brained people are supposedly logical and excel at language and math while right-brained people are more imaginative, emotionally intelligent and skilled with spatial reasoning. There's just one problem: That's not how brains work.

第三步：分析题干／文章

题目问及「许多在线性格测试声称它们能够做什么？」原文首句明确提到，这些测试声称能够确定你的大脑是左半球还是右半球占主导地位。因此，B选项「判断一个人是左脑型还是右脑型」准确对应原文信息，是本题的正确答案。

错误选项分析

A) “Distinguish between the two hemispheres of one's brain.”（区分一个人大脑的两个半球。）原文提到的是确定哪一侧占主导，而非单纯区分两个半球，因此该选项与原文信息不符。

C) “Tell if one is more of a linguist or of a mathematician.”（看出一个人更有可能成为语言学家还是数学家。）原文提到左脑型人擅长语言和数学，但测试的目的是确定大脑哪一侧占主导，而非直接判断职业倾向。

D) “Ascertain how one's brain performs different tasks.”（确定一个人的大脑如何执行不同任务。）原文未提及测试能够确定大脑执行任务的具体方式，因此该选项与原文信息不符。

47. C) How the two hemispheres of our brains cooperate.

第一步：选取关键词

“名词优先”：fiction

第二步：定位关键词

第3段：Despite this enduring belief, there's no such thing as being "right-brained" or "left-brained." Whether you're someone who tends more towards creativity or logic has nothing to do with one hemisphere of your brain being dominant over the other. But the actual science of how the two halves of our brains work together is sometimes stranger than fiction.

第三步：分析题干／文章

题目问及「作者提到有时比小说还离奇的是什么？」原文第三段在转折信号 but 之后明确提到，两个大脑半球如何协同工作的科学事实有时比小说更离奇。原文中的 halves 和 work together 分别对应了C选项中的 hemispheres 和 cooperate。因此，C选项「我们左右脑的协作方式」准确对应原文信息，是本题的正确答案。

错误选项分析

A) “How one hemisphere of the brain impacts creativity.” (大脑的一个半球如何影响创造力。) 原文未单独讨论创造力与大脑某一半球的关系，因此该选项并无依据。

B) “How the two halves of our brains work alternately.” (我们的左右脑如何交替工作。) 原文强调的是“协同工作”，而非交替工作，因此该选项与原文信息不符。

D) “How one half of the brain dominates the other.” (大脑的一个半球如何主导另一个半球。) 原文否定了半球主导与性格的关系，且未提及相关主导机制，因此该选项并无依据。

48. A) It contradicts the assumption that the two hemispheres of the brain are symmetrical.

第一步：选取关键词

“名词优先”：scientists、difficulty、different areas of the brain do different things

第二步：定位关键词

第 5 段：But many scientists struggled with this idea, because the very suggestion that the left and right halves of the brain operate differently disrupted the idea that nature tends toward perfect symmetry.

第三步：分析题干／文章

题目问及「为什么许多科学家难以认同大脑不同区域负责不同功能的观点？」对应文段在转折信号 but 之后指出，这一观点与「自然界趋向完美对称」的假设相矛盾。不难发现，A 选项的 symmetrical 与原文中的 symmetry 是一组同根词，都表示「对称的」。因此，A 选项「这与左右脑对称的假设相矛盾」准确对应原文信息，是本题的正确答案。

错误选项分析

B) “It dismisses the view that the universe has been evolving in a consistent manner.” (这否定了宇宙演化的一致性。) 原文未提及宇宙演化，更不必说宇宙演化的一致性，因此该选项属于无中生有。

C) “It is in conflict with the suggestion that the left and right halves of the brain work together.” (这与左右脑协作的观点相冲突。) 原文强调的冲突观念是自然界的对称性，而非协同工作，因此该选项与原文信息不符。

D) “It disrupts the idea that the right hemisphere of the brain controls the left side of the body.” (这打破了右脑控制身体左侧的观点。) 原文并未质疑这一生理事实，因此该选项并无依据。

49. A) There are left-dominant people and right-dominant people with different personalities.

第一步：选取关键词

“名词优先”：belief、neuroscientists

第二步：定位关键词

第6段: Work by *neuroscientists*(神经学家) has revealed the importance of different hemispheres of the brain for different activities. However, their research quickly saw some misinterpretations in the general public: Some presumed creative people must be right-brained and logical people left-brained. It is proven that not only is personality unrelated to the different halves of the brain, but people aren't really right-or left-brained to begin with. The idea that we have left-dominant people and right-dominant people, and that this is related to personality, is categorically false. That's never been supported in the neuroscience community. Neuroscientists don't believe that and never have.

第三步: 分析题干/文章

题目问及「根据文章, 神经科学家长期以来反对什么观点?」对应文段最后明确否定了「左脑或右脑主导与性格相关」的观点, 并重复强调了这一观点从未得到神经科学界的支持。因此, A 选项「存在具有不同个性的左脑型和右脑型的人」准确对应原文信息, 是本题的正确答案。

错误选项分析

B) “There are noticeable differences between the left and right hemispheres of the brain.” (左右脑之间存在显著差异。) 原文认可大脑左右半球存在差异的观点, 只是否认了其与性格有关, 因此该选项答非所问。

C) “One's personality is hardly related to the different halves of the brain.” (人的个性与左右脑几乎无关。) 这是原文中神经学家们明确支持的观点, 而非被否定的观点, 因此该选项答非所问。

D) “Different areas of the brain are responsible for different activities.” (大脑不同区域负责不同活动。) 原文明确指出, 科学家们早就通过观察脑损伤患者的行为, 发现大脑的不同区域负责不同的功能。也即该观点是科学共识, 未被否定, 因此该选项答非所问。

50. D) Question its reliability.

第一步: 选取关键词

“名词优先”: online quiz、something about ourselves

第二步: 定位关键词

第7段: What scientists learned is that there are really important differences between the left hemisphere and the right hemisphere. It's just that they have nothing to do with personality or whether cognitive strategy is more logical or free spirited or creative. While researchers have shown the limitations of how the hemispheres of our brains influence our lives, it's not difficult to understand the appeal of such ideas. People are endlessly fascinated by themselves and their friends, and the subtle differences in how people think about the world are really meaningful to them. When you come up with an online quiz that tells us

something about ourselves, we're drawn to that. It's irresistible. But you have to take it with an enormous grain of salt.

第三步：分析题干／文章

题目问及「作者建议我们应如何对待一个能帮助我们了解自身某些特质的在线测试？」原文最后一段中，作者在转折信号 but 之后明确说要以高度怀疑的态度对待这类测试（take it with an enormous grain of salt）。其中「take ... with a grain of salt」是一个惯用搭配，表示「对……持保留态度」。因此，D 选项「质疑其可靠性」准确对应原文建议，是本题的正确答案。

错误选项分析

A) “Challenge its authority.”（挑战其权威性。）原文中作者给出的建议是不要全盘相信这类测试，也即对其保持怀疑态度，这并非意味着要挑战其权威性，因此 A 选项表述不够准确。

B) “Scrutinize its originality.”（审查其原创性。）原文并未讨论这类测试的原创性问题，因此该选项属于无中生有。

C) “Evaluate its popularity.”（评估其受欢迎程度。）原文第二段提到，科普爱好者基本接受了左脑型和右脑型的人各有所长的观点，并将其发扬光大，如今它早已融入了流行文化（popular culture）。但该选项与这部分内容并无关联，也不能回答题目所问，故排除。

Passage Two

51. D) It is closely coordinated despite seeming confusion.

第一步：选取关键词

“名词优先”：team teaching

第二步：定位关键词

第 2 段：...Working with professors at Arizona State University's teachers college, they piloted a classroom model known as team teaching, which allows teachers to dissolve the walls that separate their classes across physical or grade divides.

第 3 段：The teachers share large groups of students—sometimes 100 or more—and rotate between group instruction, one-on-one interventions, small study groups, or whatever the teachers as a team agree is a priority that day. What looks at times like chaos is in fact a carefully orchestrated plan: Each morning, the Westwood teams meet to hammer out a personalized program for every student the team will focus on that day.

第三步：分析题干／文章

题目问及「从文章中我们了解到关于团队教学的什么信息？」原文在第2段正式引出了「团队教学（team teaching）」的概念，随后在第3段中做了具体介绍，并指出「虽然教学场面有时看起来混乱不堪，但实际上都是精心策划的安排」，教师团队每天早上会开会制定制定个性化教学方案。因此，D选项「尽管看似混乱，但它有着紧密的协调」准确概括了原文信息，是本题的正确答案。

错误选项分析

A) “It is generally conducted in classrooms without walls.”（它通常在没有墙壁的教室里进行。）原文第2段提到，团队教学模式允许教师打破不同班级之间由实体（教室）或成绩划分所造成的隔阂（dissolve the walls），这是一种比喻，意指打破班级或年级之间的界限，而非字面上的无墙教室，因此该选项表述有误。

B) “It allows students to choose teachers they favor most.”（它允许学生选择最喜欢的教师。）原文并未提及团队教学模式下学生可以选择老师，因此该选项属于无中生有。

C) “It prioritizes peer work over classroom instruction.”（它优先考虑同伴合作而非课堂教学。）原文第3段只提到，教师们共同教授一大群学生，并轮流开展集体授课、一对一辅导、小组学习或者任何教研团队当天敲定的重点教学任务。原文并未比较同伴合作和课堂教学的优先级。

52. B) It could turn out to be a success.

第一步：选取关键词

“名词优先”：initial research

第二步：定位关键词

第4段：By giving teachers more opportunity to collaborate, Mesa's administrators hoped to fill staffing gaps and boost teacher morale and retention. Initial research suggests the gamble could pay off.

第三步：分析题干／文章

题目问及「关于韦斯特伍德的创新教学模式，初步研究表明了什么？」原文第4段提到，初步研究表明这一「冒险（gamble）可能会成功（could pay off）」，意指团队教学可能带来积极结果。因此，B选项「它最后可能会取得成功」与原文信息一致，是本题的正确答案。

错误选项分析

A) “It could help raise teachers' pay.”（它可能有助于提高教师的薪资。）原文提到低薪酬是教师的困扰之一，但未说明新模式能提高薪酬，因此该选项并无依据。

C) “It could cut down overall costs.”（它可能会降低总体成本。）原文未提及该创新教学模式的成本问题，因此该选项属于无中生有。

D) “It could end up like a gamble.”（它最终会像一场赌博。）原文只是用比喻的说法来指出这一尝试有风险，类似一场赌博（gamble），但重点在于它最终可能成功（pay off），而不是指它最终会像一场赌博。

53. C) Progress is slow due to lack of collaboration among teachers.

第一步：选取关键词

“名词优先”：superintendent Andi Furlis

第二步：定位关键词

第5段：“Teachers are doing fantastic things, but it's very rare a teacher walks into another room to see what's happening,” said Andi Furlis, superintendent of Mesa Public Schools. “Our profession is so slow to advance because we are working in isolation.”

第三步：分析题干／文章

题目问及「总监安迪·福尔利斯对教育行业有什么看法？」对应文段指出，教师很少互相观摩，行业进步缓慢（slow to advance）是因为教师们都在孤军奋战（working in isolation）。换言之，原因在于教师之间缺乏合作（lack of collaboration among teachers）。因此，C选项「由于教师之间缺乏合作，所以进步缓慢」准确概括了这部分原文信息，是本题的正确答案。

错误选项分析

A) “Morale cannot be boosted until teaching models are overhauled.”（只有彻底改革教学模式才能提升士气。）原文第6段提到团队教学可能有助于扭转低落的士气，但未说明这是唯一途径，该选项表述过于绝对。

B) “Teachers are simply too busy to visit classes of their colleagues.”（教师们太忙，无法观摩同事的课堂。）原文的确提到教师很少观摩其他课堂，但未说明其原因是太忙（too busy）。

D) “Teachers often do fantastic things without being noticed.”（教师们常做出色的事却无人注意。）对应文段中总监安迪·福尔利斯指出，老师们正做着了不起的事（teachers are doing fantastic things），但并未说明这些事是否被关注到。

54. C) The new teaching model helps inform the teacher how their instruction is received.

第一步：选取关键词

“名词优先”：English teacher Jeff Hall

第二步：定位关键词

第7段: Another benefit of teams, teachers say, is that they can help each other improve their instruction. During one planning session, English teacher Jeff Hall shared a performance appraisal with a science teacher: Her recent lecture on something she called “the central dogma of biology” had bewildered him and their other teammates.

第8段: “If the science is too confusing for me, can you imagine the frustration you feel as kids?” Hall said. But the science teacher, he said, wouldn't have known about the confusion on her own.

第三步: 分析题干/文章

题目问及「作者通过引用英语教师杰夫·霍尔的经历想要说明什么?」根据人名可以定位至原文的第7段和第8段。根据杰夫·霍尔所述经历, 团队教学中教师可以通过分享反馈(如另一位老师的科学讲座令人困惑不解), 来帮助彼此了解教学效果(help each other improve their instruction)。因此, C选项「新的教学模式有助于教师了解自己的课堂教学效果」准确概括了这部分原文信息, 是本题的正确答案。

错误选项分析

A) “English teachers and science teachers are complementary in performing their tasks.” (英语教师和科学教师在完成任务方面是互补的。)原文是以英语教师杰夫·霍尔对一位科学教师的授课评价为例, 指出团队教学模式可以帮助教师了解自己的课堂教学效果, 并未说明这两个学科的教师在完成任任务方面是互补的。

B) “A teacher of arts and letters is completely puzzled by what a science teacher teaches.” (文科教师完全不理解理科教师的教学内容。)这是例子中所描述的现象, 也即英语教师杰夫·霍尔完全没有理解那位科学教师教授的内容。但本题问的是作者通过这个案例想说明什么, 因此该选项答非所问。

D) “Science teachers will hardly know the confusion they create without a performance appraisal.” (若没有教学评估, 科学教师几乎不会知道他们造成的困惑。)原文第8段直接引用了杰夫·霍尔的话, 指出(如果没有教师团队协作)这位科学老师可能根本不会知道自己的讲解有多么令人困惑。由此可知原文强调的是教师团队协作的作用, 而非教学评估的必要性。因此该选项偏离原文重点, 且不能回答题目所问。

55. D) How to assess each teacher's performance.

第一步: 选取关键词

“名词优先”: difficult problems

第二步: 定位关键词

第 9 段: The model is not for everyone. Some teachers approached about volunteering for a team have said they prefer to work alone. Team teaching can also be a scheduling nightmare, especially at schools like Westwood where only some staff work in teams. There are also thorny questions like how to evaluate four teachers on the performance of 135 students. But for the time being, it seems to be working.

第三步: 分析题干/文章

题目问及「作者认为在实施新的教学模式时, 其中一个棘手的问题是什么?」原文最后作者明确提到一个棘手问题(thorny questions), 也即如何根据 135 名学生的表现来评估四位任课教师。对比可知 D 选项「如何评估每位教师的表现」与原文表述一致, 其中 assess 与原文中的 evaluate 对应, 都表示「评估」。因此本题选择 D 选项。

错误选项分析

A) “What to do with teachers working alone.” (如何处理独自工作的教师。) 对应文段的确提到部分教师偏好独自工作(prefer to work alone), 但并未说明这是主要难题/棘手问题; 且文段也并未提及要如何处理这些教师。

B) “What to include in teaching schedules.” (教学计划中应包括哪些内容。) 对应文段提到该模式下排课十分困难的问题(team teaching can also be a scheduling nightmare), 但这与教学计划中应包括的内容并无关联, 该选项误解了原文意思。

C) “How to recruit volunteers for a team.” (如何招募团队志愿者。) 文段只提到有一些处理过团队志愿教学工作(volunteering for a team)的教师表示他们更喜欢独自工作, 并未提及招募团队志愿者是一个棘手的问题。

Part IV Translation

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

洋山港(Yangshan Port)是上海航运中心的重要组成部分, 是中国第一个深水港, 也是世界上规模最大的深水港之一。经过近 20 年的发展, 洋山港已实现高度自动化。数字技术和人工智能的使用大大减少了用工成本和碳排放。自主研发的码头管理系统可以在百公里之外对大型设备进行远程操控。洋山港看上去一片繁忙, 现场却见不到人工操作, 而且能够 24 小时不间断运作。洋山港将不断发展, 为把上海建成一个全球航运中心做出更大贡献。

原文分析

这段文字简单描述「洋山港」自动化发展及对上海航运中心的贡献，从内容上看属于社会发展类话题。通过快速浏览原文，我们基本上可以确定，译文整体上都是与现在相关的时态。

关键词汇

航运 shipping	远程控制 remote control
深水港 deep-water port	繁忙 busy; bustling
高度自动化 highly automated	现场 on site
数字技术 digital technology	人工操作 manual operation
人工智能 artificial intelligence	运作 operate
用工成本 labor costs	把……建成 build...into; establish...as
碳排放 carbon emissions	全球航运中心 global shipping center
自主研发的 self-developed	做出贡献 make contribution
大型设备 large equipment	

汉英翻译

1. 洋山港 (Yangshan Port) 是上海航运中心的重要组成部分，是中国第一个深水港，也是世界上规模最大的深水港之一。

该句共由三个短句组成，且主语都为“洋山港”，基础的译法是译作由连词 and 连接的并列句。此外，也可以将短句进行主次之分，如将“是上海航运中心的重要组成部分”这部分处理为句中插入语的形式置于主语之后，再将短句二、三合并译作主句。

语言上，“是……重要组成部分”可译作短语“is an important part of sth.”，“中国第一个深水港”即“China's first deep-water port”，“是……之一”译作“one of+名词的复数”，“世界上规模最大的深水港之一”即“one of the world's largest deep-water ports”。

参考翻译：Yangshan Port, an important part of Shanghai Shipping Center, is China's first deep-water port and one of the world's largest deep-water ports.

2. 经过近 20 年的发展，洋山港已实现高度自动化。

该句比较简单。根据句意，时态应为现在完成时，其中“实现高度自动化”既可以直译为“has achieved a high level of automation”，也可以译作“has become highly automated”。

参考翻译：After nearly 20 years of development, Yangshan Port has become highly automated.

3. 数字技术和人工智能的使用大大减少了用工成本和碳排放。

该句比较简单。根据句意，时态应为现在完成时，“数字技术和人工智能的使用”译作“the use of digital technology and artificial intelligence”，“大大减少”即“significantly/greatly reduce”，“用工成本”和“碳排放”分别译作“labor costs”和“carbon emissions”。

参考翻译：The use of digital technology and artificial intelligence has significantly reduced labor costs and carbon emissions.

4. 自主研发的码头管理系统可以在百公里之外对大型设备进行远程操控。

句子的主干部分为“码头管理系统可以对大型设备进行远程操控”，“在百公里之外”为地点状语，可置于句末进行翻译。语言方面，“自主研发的”可译作“self-developed”或者是“independently developed”，“码头管理系统”译作“terminal management system”或“port management system”，“可以对某某进行远程操控”译作“enable remote control of sth.”，“大型设备”即“large equipment”，“在百公里之外”即“from hundreds of kilometers away”。

参考翻译：The self-developed terminal management system enables remote control of large equipment from hundreds of kilometers away.

5. 洋山港看上去一片繁忙，现场却见不到人工操作，而且能够 24 小时不间断运作。

该句共由三个短句组成。根据句意，短句一和二之间构成转折关系，因此在翻译时可以在短句一前增加连词“while/although”，或者在短句二前增加“but/yet”，选其一即可。

语言方面，“看上去怎么样”可以用动词“appear”来翻译，“看上去一片繁忙”即“appear busy/bustling”；“现场却见不到人工操作”属于一个无主句，翻译时可套用“there be”句型，“现场”译作介词短语“on site”，“人工操作”译作“manual operation”；“而且能够 24 小时不间断运”可先调整句意为“而且能够 24 小时连续不断地运作”，即“and it can operate continuously for 24 hours”。

参考翻译：While Yangshan Port appears busy, there is no manual operation on site, and it can operate continuously for 24 hours.

6. 洋山港将不断发展，为把上海建成一个全球航运中心做出更大贡献。

该句共由两个短句组成。根据句意，两个短句可处理为 and 连接的并列句，且时态为一般将来时。

语言方面，“不断发展”即“continue to develop”，“做出更大贡献”译作“make greater contributions”，“把……建成……”可借用短语“build sth. into sth.”或者是“establish sth. as sth.”，“全球航运中心”即“global shipping center”。

参考翻译：Yangshan Port will continue to develop and make greater contributions to building Shanghai into a global shipping center.

参考译文

Yangshan Port, an important part of Shanghai Shipping Center, is China's first deep-water port and one of the world's largest deep-water ports. After nearly 20 years of development, Yangshan Port has become highly automated. The use of digital technology and artificial intelligence has significantly reduced labor costs and carbon emissions. The self-developed terminal management system enables remote control of large equipment from hundreds of kilometers away. While Yangshan Port appears busy, there is no manual operation on site, and it can operate continuously for 24 hours. Yangshan Port will continue to develop and make greater contributions to building Shanghai into a global shipping center.

2024 年 12 月六级真题（第二套）

Part I Writing (30 minutes)

Directions: For this part, you are allowed 30 minutes to write an essay that begins with the sentence “*To increase the likelihood of success, one should set realistic goals and work persistently towards them.*” You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words. (You should copy the sentence given in quotes at the beginning of your essay.)

Part II Listening Comprehension (30 minutes)

Section A

Directions: In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions. Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.

Questions 1 to 4 are based on the conversation you have just heard.

1. A) Changing his major.
B) His family situation.
C) Revising his graduation thesis.
D) His passion for Art History.
2. A) He doesn't think it legitimate to depend on his father.
B) He thinks his financial situation has now changed.
C) He doesn't think it will provide him with a living.
D) He thinks it nourishes the financially secure only.
3. A) Try his best to socialize and build a network in the art industry.
B) Seek financially viable employment opportunities after graduation.
C) Investigate all possible ways to become a celebrity in the art world.
D) Strike a balance between intellectual pursuits and financial security.
4. A) Money.
B) Time.
C) Determination.
D) Optimism.

Questions 5 to 8 are based on the conversation you have just heard.

- 5. A) Their decision on investigating beef consumption.
- B) Their original ideas about the domestic market.
- C) Their different approaches to a case study.
- D) Their end-of-semester business projects.
- 6. A) Expanding farmland out west.
- B) Importing most of the beef.
- C) Raising cattle domestically.
- D) Continuing to boost economic growth.
- 7. A) Technical equipment.
- B) Business consultancy.
- C) Beef.
- D) Carwashing.
- 8. A) Car owners of all walks of life.
- B) High-end customers in big cities.
- C) Consumers craving for professional service.
- D) Well-off dealers seeking a profitable markup.

Section B

Directions: *In this section, you will hear two passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.*

Questions 9 to 11 are based on the passage you have just heard.

- 9. A) Parents' talking with them during TV time raises their curiosity levels.
- B) Their daily television exposure cuts parent-child conversation time.
- C) The more TV they watch the poorer their progress in development.
- D) Their socioeconomic levels impact their academic achievement.
- 10. A) Kids' enhanced learning.
- B) Kids' curiosity levels.
- C) Kids' reading and math.
- D) Kids' behavioral development.
- 11. A) It can hinder kids from getting on with their peers.

- B) It can cut into kids' time on exploratory activities.
- C) It can arouse kids' interest in how people interact in real life.
- D) It can widen the gap between kids from different economic statuses.

Questions 12 to 15 are based on the passage you have just heard.

- 12. A) Exerting ourselves too hard in order to attain our life's goals.
- B) Being possessed with a single thought of professional success.
- C) Trying every means to beat others in terms of personal aspirations.
- D) Being mindlessly driven to possess more and more material things.
- 13. A) We might isolate ourselves from our fellow beings.
- B) We might acquire an incorrect sense of well-being.
- C) We might end up pursuing all the wrong things.
- D) We might make a mess of our personal lives.
- 14. A) They should be based on solid theoretical concepts.
- B) They should take personal interests into account.
- C) They should include goals to help other people.
- D) They should increase our sense of worthiness.
- 15. A) Drifting through life aimlessly.
- B) Giving up the chance to fulfill yourself.
- C) Abandoning all that life has to offer.
- D) Spoiling your character and integrity.

Section C

Directions: *In this section, you will hear three recordings of lectures or talks followed by three or four questions. The recordings will be played only once. After you hear a question, you must choose the best answer from the four choices marked A), B), C) and D). Then mark the corresponding letter on **Answer Sheet 1** with a single line through the centre.*

Questions 16 to 18 are based on the recording you have just heard.

- 16. A) Grade-raising ways and means.
- B) Pressure-alleviating exercise.
- C) Revision-conducting approaches.
- D) Brain-boosting food and drink.
- 17. A) Buying it from coffee shops.

- B) Building up a tolerance of it.
 - C) Drinking it after 2 pm.
 - D) Consuming it with sugar.
18. A) By taking varied vitamin supplements.
- B) By consuming a rich variety of foods.
 - C) By eating both oranges and frozen berries.
 - D) By getting components packaged in tablets.

Questions 19 to 21 are based on the recording you have just heard.

19. A) Many people across advanced economies think the world is going from bad to worse.
- B) The news focuses on reporting catastrophes that occur across the world.
 - C) A significant part of the world is experiencing another great recession.
 - D) Many people have no idea of those living under miserable conditions.
20. A) It has experienced ups and downs like any other historical trend.
- B) It is hailed as a miracle by both economists and ordinary people.
 - C) It is the only way for all countries to share economic prosperity.
 - D) It has given more and more countries a rare chance to thrive.
21. A) Their fortunes may take a downturn.
- B) They can be classified as middle class.
 - C) Their living standards have been deteriorating.
 - D) They are experiencing a radical transformation.

Questions 22 to 25 are based on the recording you have just heard.

22. A) Why smells can activate emotional memories.
- B) How powerful the sense of smell can become.
 - C) How scent particles revive memories forgotten.
 - D) Why the scent of bread has a strong mental impact.
23. A) The brain cells' processing of memories experienced as strongly emotional.
- B) The activation of the brain's emotion processing area by chemical particles.
 - C) The interaction between chemical particles and the brain cells responsible for smell.
 - D) The sensations of scents going directly to the brain's emotional and memory centers.
24. A) Imagination.
- B) Association.
 - C) Experience.

- D) Context.
25. A) Inaccuracy and alterability.
- B) Susceptibility to polar interpretations.
- C) Being personal and individualistic.
- D) Being dependent on relevant scenarios.

Part III Reading Comprehension (40 minutes)

Section A

Directions: *In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.*

Ever been talking about something important with someone you care about and found the discussion frustrating instead of fruitful? Negative energy can then cast a 26 over your efforts to build a shared understanding.

In fact, collaborative problem-solving conversations require skills. Strong listening skills are essential. Sprinkling in positivity via appreciation, 27 smiles, and warm comments helps. So does the essential ability to keep your emotional tone in the calm zone. If the tone of a dialogue heats up and anger erupts, the dialogue 28 from collaborative to adversarial, and progress is likely to come to an immediate 29.

In addition, effective dialogue generally has another important characteristic: symmetry.

Symmetry in dialogue refers to the balance of how much each partner talks. Are you each getting equal airtime? When one participant does most of the talking, this asymmetry or lack of balance tends to become annoying to one or both of you. The silent partner 30 tires of only listening, while the talker can feel 31. Usually, both would prefer more equal give and take.

Different rates of speech and levels of voice volume can 32 symmetry as well. The faster or louder partner can easily begin taking up more airtime. The slower-talking or softer-voiced one can have trouble getting the floor.

Conversations also lose balance when one partner's opinions count more than the other's. One person's input may carry more sway because their style of expression is more 33. One viewpoint may tend to get lost because it is expressed more 34.

If either partner fairly consistently 35 or evaporates, modifying the pattern will be helpful. The dialogue will feel more productive, and at the same time, the relationship overall is likely to feel more positive.

A) affectionate	E) flattered	I) predominates	M) tentatively
B) approximately	F) flips	J) propagate	N) typically
C) elapses	G) halt	K) scenario	O) vigorous
D) erode	H) overburdened	L) shadow	

Section B

Directions: *In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.*

What is a super blood wolf moon?

[A] Blue moons, rose moons, supermoons. For some reason all the websites seem to think you really want to know all about these moons. “Catch This Weekend’s AMAZING SUPERMOON,” one headline will announce. “The Supermoon Isn’t Actually A Big Deal And You’re All Ruining Astronomy,” another will complain.

[B] The latest example is the super blood wolf moon eclipse which sounds like the name of an emotional song I would have performed a modern dance routine to in 9th grade, but is, in fact, an astronomical event set to occur on January 20. As we’ll explain below, there is nothing truly mysterious or otherwise special about this moon, and it will not look like a bloody wolf head in the sky or anything wild like that. We get these super lunar events by smashing together all the qualifiers we’ve historically used to keep track of full moons throughout the year, and in the age of the internet we can get a little too enthusiastic.

[C] Consider this your go-to resource for all moon-gazing news. Here’s what you need to know about the latest lunar event.

[D] Look, it’s okay if you don’t know. There are probably loads of folks who walk around pretending they totally know why that thing in the sky seems to get bigger and smaller at regular intervals but who totally do not.

[E] The moon orbits Earth, and it’s tidally locked—that means it always shows us the same face, instead of spinning around like our planet does. That’s why you can always see the man on the moon (or the

moon rabbit, depending on your cultural preferences) even as it spins around us. But while the moon is big and bright in the sky when it's full, that's only because it's reflecting light from the sun. But the moon is always moving, so it's getting hit with sunlight at different angles. It's invisible to us during the new moon, because our satellite is parked right between us and the sun; the so-called dark side of the moon is lit up like Las Vegas, but the side we can see is in shadow. A full moon happens when the earth is right between the sun and the moon, so sunlight hits the part we can see. And all the other phases are just the transition from one of those extremes to the other.

[F] The moon isn't always exactly the same distance from Earth, because its orbit isn't perfectly circular. We call the closest point *perigee*(近地点), and the most distant point is *apogee*(远地点). 2018's closest perigee and most distant apogee both happened in January, and the difference was about 30,000 miles.

[G] The reason you care about this ordinary change in distance is that it turns a moon super. When a full moon happens close to perigee, it's going to look a bit bigger. Honestly, the difference is not profound, but if you're in a position to photograph the supermoon next to something that shows the slight increase in scale, it can look pretty cool. January's super blood wolf moon eclipse is super because the date lines up with the closest the moon will get to us during January, but the moon won't actually be at its closest for the year until February's supermoon, during which you can expect plenty of undue excitement over.

[H] Blood moons only occur during total lunar eclipses (which can happen a few times a year in any given location). When the moon slips through our shadow, we give it a reddish coloring. The moon can also look orange whenever it's rising or setting, or if it hangs low in the horizon all night—the light bouncing off of it has to travel through a thicker atmosphere, which scatters more blue light away. But you'll probably only see that deep, sinister red during an eclipse.

[I] A lot of headlines about moons are just ridiculous (you do not need to be particularly excited about a blue moon, it just looks like a regular full moon), but you should definitely roll out of bed to look at a blood moon if one is going to be visible in your region, even though they're just lunar eclipses and not evidence of bloody battles between the sky gods.

[J] In March of 2018, we had our second "blue" moon of the year, to much acclaim. And while that's not necessarily special in an oh-gosh-get-out-and-look-at-it way, it's certainly special: a blue moon is a nickname for when two full moons fall in the same calendar month. We hadn't previously had two in one year since 1999. We won't have them again until 2037. Astronomer David Chapman explained why this is merely a peculiarity of our calendar; once we stopped doing things based on the moon and started trying to follow the sun and seasons, we no longer had one reliable full moon per month. The moon cycle is 29.53 days long on average, so in most months we still end up with a single new moon and a single full one. But every once in a while, one month steals a full moon from another. In 2018 (and in 1999, and

again in 2037) both January and March stacked full moons on the first and last nights of the month, leaving February in the dark.

[K] Getting two blue moons a year is rare, but we have individual blue moons every few years. Also, fun fact: not actually blue. A moon indeed does take on a moody bluish color, but this only happens when particles of just the right size disperse through the sky—it has nothing to do with the moon’s status as “blue.” Big clouds of ash from volcanic eruptions or fires can do the trick, but it doesn’t happen often, and the stars would certainly have to align for two such rare instances to occur at once.

[L] You may have heard that the super special second blue moon of 2018 was also a Paschal moon. This is true! That just means it was the first full moon of spring, which is often used to determine the date of Easter Sunday. All of this is just calendar nonsense, and we refuse to go into it further.

[M] Sometimes you’ll see a headline that promises a moon with so many qualifiers it makes your head spin. A super blue blood worm moon, perhaps? Or a super blood wolf moon? Lots of websites will tell you that “wolf moon” is the traditional name of the first full moon of the year in “Native American” cultures, which is kind of a weird thing to claim given that there are 573 registered Tribal Nations in the U.S. alone today, not to mention historically. The idea that hungry, howling wolves were such a universal constant in January that all of North America across its different cultures, geographies, and languages spontaneously came up with the same nickname is illogical.

[N] Many cultures have traditional names for the full moon on a given month or season, so there’s quite a list to draw from if you’re trying to really juice up a story on a slightly-thinner-than-average view of the moon. But these are all based on human calendars and activities and folklore; you will not go outside and see a pink moon in April, though I wish it were so.

36. We cannot see the moon at times when it is positioned right between the earth and the sun.

37. Volcanic eruptions may cause the moon to assume a moody blue color.

38. The moon will be closest to the earth when the supermoon occurs in February.

39. There is nothing unusual about the super blood wolf moon, which will bear no resemblance to a bloody wolf head.

40. The moon will appear orange when the light reflecting from it travels through an atmosphere thicker than usual.

41. It is contrary to logic to claim the name of wolf moon originates from the cultures of American Indians.

42. As the moon's orbit is not a hundred-percent circle, its distance from the earth changes.

43. A full moon in a given month or season gets a specific name in different cultures.

44. There are likely lots of people who know absolutely nothing about why the moon appears to change its size regularly but act like they know.
45. When a full moon appears twice in the same month, it is nicknamed a blue moon.

Section C

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on **Answer Sheet 2** with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

With population increases and global urbanisation ever accelerating, much attention is focused on the sustainability of our cities and scarce attention is paid to the countryside.

Rural life is associated with closely-knit communities, sense of belonging, and a simple, tranquil life. Yet whilst some or all of these elements exist in the countryside, so do conservatism and a lack of employment opportunities. And it is mostly due to the latter that rural communities are suffering. Attracted by the improved economics of urban areas, country-dwellers across the world are moving out, contributing to the excessive crowdedness of densely populated cities, and leaving the countryside in desolation.

So how can the countryside ensure its survival among these changes, or should it at all? Due to both the distance between residences and facilities and often intermittent public transport, those living in the countryside are heavier automobile users. Rural dwellers also use more energy maintaining their mostly detached buildings. We may be piled up like boxes in the city, but this brings energy efficiency that the countryside cannot match. Rural energy requirements result in higher carbon emissions per person than in the city, so it is actually irresponsible to endorse such a lifestyle choice.

Protecting the countryside is a hot topic. Those who have made their fortunes in the city often buy second homes in the countryside, visiting intermittently for a sample of a supposedly simple life. The side-effect of this is that house prices are pushed up due to increased demand, leaving them unaffordable for local people. A solution has yet to be found for this challenge, for market forces are further forcing residents out of the countryside. For those who believe in rural preservation, this is deplorable.

Whilst an idealised view of the countryside is common, the reality is that rural life has continuously evolved. Industrialisation brought an increase in divisions of labour, changing social links between rural people. The internet has introduced once foreign cultures into the countryside. Improved

travel connections and affordability have made the world more accessible, creating a 'global village'. Considering these changes, surely an evolving countryside is inevitable.

Perhaps the countryside should also prepare itself for massive population increases in the future. With cities across the world growing rapidly, how will the current urban generation respond to the inevitable social changes of mass urbanisation? Will the longing for a simpler life become stronger, fueling a rural renaissance?

As the world continues to urbanise, the voices calling for rural preservation may well grow louder. But change is inevitable. We know that the world is going to see new cities emerging from the dust and current cities growing into megacities, but the future of the countryside is less clear.

46. What has become of the rural areas nowadays?

- A) They are becoming somewhat deserted.
- B) They are being increasingly urbanised.
- C) They are closely-knit communities.
- D) They are haunted by conservatism.

47. What does the author think of the rural lifestyle?

- A) It is unlikely to survive given the on-going changes.
- B) It is less energy-efficient compared to that in cities.
- C) It is highly dependent upon heavy automobiles.
- D) It is a choice more affluent people will endorse.

48. What does the author think of rich urban residents buying a second home in the countryside?

- A) It is bound to mar the traditional rural life.
- B) It adversely impacts rural social stability.
- C) It hinders rural economies' revitalisation.
- D) It is detrimental to rural preservation.

49. What do we learn about the countryside with industrialisation and technological advances?

- A) It is destined to change gradually.
- B) It will present an idealised way of life.
- C) It is likely to embrace foreign cultures.
- D) It will become increasingly diversified.

50. What does the author think of the future of the countryside compared with cities?

- A) It is going to be harder for the locals.
- B) It is going to resemble that of cities.
- C) It is less likely to stay static.

D) It is less easy to envisage.

Passage Two

Questions 51 to 55 are based on the following passage.

Statements, like “beauty is in the eye of the *beholder* (观看者),” are rarely questioned. They’ve become so embedded in our consciousness that people think it’s absurd to think otherwise. It might be useful, however, to at least push back on this assumption because people evaluate environment, situations, and people aesthetically. We may find that we still believe it is correct, but we may also find that there is a lot more to the situation than you suppose.

A recent study exploring aesthetic taste was published in *Cognition*. The results from this study show that people agree very much in their aesthetic evaluation of natural objects, but they disagree more about artifacts, or human-made objects.

The study found that shared taste was most common for faces and natural landscapes, but least common among works of architecture and art. The hypothesis is the commonly pleasing features, like proportion or symmetry, are at work.

Preferences for natural scenes might be learned through life experiences. Factors like habitability, safety, and openness might be preferred as people develop. Some of the details of landscapes change, but the basics are more common, e.g., water, open spaces, and signs of care.

Art and architecture, unlike natural spaces, do not have the same level of exposure. So, people do not have the same level of shared taste.

It's possible that the lower amount of agreement in the shared taste of artifacts has to do more with elements of style, rather than ‘behavioral consequences.’

All of the consequences seem reasonable (or at least possible), but I think there might be an interesting philosophical conclusion that they did not draw. It seems that there is an objective ground to our aesthetic preferences or evaluations. I am not saying this would mean beauty is completely objective, just that there could possibly be general objective principles at work, i.e., beauty is not simply in the eye of the beholder.

Nature exhibits some of the universal aesthetic features, such as radiance, in a common way throughout the world. It's not exactly the same everywhere, but it is common. For example, a sunset is similar enough in different places to warrant almost universal appeal.

Possible universal principles of beauty—such as proportion, fittingness, radiance, and others—are general categories, which allow for a wide array of embodiments. When people get involved in making artifacts in architecture or art, they apply these very general concepts in unique ways. But the way they applied the principle may not have universal appeal.

This is why it's important to experience diverse cultures and their artifacts because it opens us up to different ways of approaching or constructing beauty. And it is always good to question our assumptions.

51. What does the passage say about the statement "beauty is in the eye of the beholder"?

- A) It has hardly ever been disputed.
- B) It can be interpreted aesthetically.
- C) Many people have found it absurd.
- D) People have long been misled by it.

52. What does a recent study exploring aesthetic taste show?

- A) Aesthetic tastes tend to differ from person to person.
- B) Natural beauty is rarely surpassed by artificial beauty.
- C) There is less consensus on objects shaped by human craft.
- D) There is general agreement on what is pleasing to the eye.

53. Why do people differ in their aesthetic appraisal of artifacts?

- A) They come out in a great variety of designs.
- B) They lead to varying behavioral consequences.
- C) They take up much less natural space than landscapes.
- D) They come into people's view less often than natural spaces.

54. What does the example of sunset tell about nature?

- A) It creates a powerful appeal through its brilliant radiance.
- B) It displays aesthetic traits in a similar way the world over.
- C) It embodies beauty with a wide array of aesthetic features.
- D) It establishes the principles of beauty in a number of ways.

55. Why do artifacts not always hold universal appeal?

- A) The appreciation of their beauty is not subject to objective standards.
- B) The universal principle of beauty prevents a wide array of embodiments.
- C) The way their creators apply the principle of beauty may not be pleasing to everybody.
- D) Their creators interpret the universal principle of beauty each in their preferred way.

Part IV Translation (30 minutes)

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

遨游太空历来是中华民族的梦想。2003 年，神舟五号飞船发射成功，杨利伟成为第一个飞入太空的中国宇航员。2008 年，神舟七号升空，翟志刚成为中国历史上首位进行太空行走的宇航员。近年来，中国航天事业进入创新发展“快车道”，天宫空间站建设稳步推进，中国空间站于 2022 年全面建成。中国航天事业的迅速发展在中华民族的历史上写下了辉煌一页，也为人类文明进步做出了巨大贡献。未来，中国探索太空的脚步将迈得更稳、更远。

2024 年 12 月六级真题解析（第二套）

Part I Writing (30 minutes)

Directions: For this part, you are allowed 30 minutes to write an essay that begins with the sentence “*To increase the likelihood of success, one should set realistic goals and work persistently towards them.*” You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words. (You should copy the sentence given in quotes at the beginning of your essay.)

审题分析：

从体裁上看，这道题考查的是六级写作中考频较高的论说文，要求我们以“**为了增加成功的可能性，一个人应该设定现实的目标，并坚持不懈地朝着目标努力。**”为开头句进行写作。从话题上看，这道题涉及的是**优秀品质类**话题。另外题目中也明确规定“你可以发表评论，引用例子，或者使用你个人的经历来展开写作”。

需要注意的是：题目中只给出了话题现象，并没有明确规定写作任务和角度。基于此，我们只要围绕这个话题现象来拓展，均不会视为走题。例如本题比较好写的角度是：具体阐述“设定现实的目标”和“坚持不懈地朝着目标努力”对于“增加成功的可能性”分别有什么帮助和促进作用。本范文参考「**文字描述型作文：利弊影响类**」的框架模板进行书写。

写作提纲：

1. 开头段引出话题背景、回应写作任务

①引出话题背景：为了增加成功的可能性，一个人应设定现实的目标，并朝着目标努力

②回应写作任务：这两点是成功的关键因素

2. 主体段详细阐述：“现实的目标”和“坚持不懈的努力”是如何帮助实现成功的

①有明确目标是取得成功的起点，可以更清晰地了解自己的方向，为成功铺平道路

②只有坚持不懈地朝着目标努力，克服障碍和困难，最终走向成功

3. 结尾段再次强调主题，同时提出建议措施

①再次强调主题：现实的目标设定和坚持不懈的努力相结合是成功的制胜法宝

②提出建议措施：必须设定明确的目标，并为之努力奋斗

范文写作：

①To increase the likelihood of success, one should set realistic goals and work persistently towards them. ②**From my perspective**, there is no doubt that they are two key factors for success.

③**First and foremost**, having clear goals is the starting point for achieving success. ④Setting realistic goals means establishing achievable and specific objectives that align with one's abilities and resources. ⑤By setting such goals, individuals can gain a clearer understanding of their direction, paving the way for success. ⑥**By contrast**, impractical goals are often difficult to achieve, resulting in a waste of time and energy. ⑦**However**, setting goals alone is not sufficient, since consistent effort and unwavering determination are crucial to turning these goals into reality. ⑧When faced with challenges and obstacles, only by striving persistently towards one's goals can we overcome these barriers, ultimately leading to success.

⑨**As discussed above, we could conclude that** the combination of realistic goal-setting and persistent effort is a winning formula for success. ⑩**Therefore**, in order to maximize the chances of achieving success, we must have clear goals and work hard towards them.

范文点评:

①开头段直接摘抄题干中的原句来引出话题背景。「increase the likelihood of sth.」意思是「增加.....的可能性」,「set goals」意为「设定目标」,「work persistently towards...」意为「坚持不懈地朝着.....努力」。

②该句套用引出观点的功能句型「From my perspective, ...」来评价这一现象,回应写作任务,意为「在我看来,.....」,「there is no doubt that...」意思是「毫无疑问,.....」,「key factor」意为「关键因素」。

③该句利用衔接手段「first and foremost 首先」开头,阐述「设定现实目标的好处」。「the starting point for...」意思是「.....的起点/基础」。

④该句对前文做进一步的解释说明。「achievable and specific objective」意思是「可实现的和具体的目标」,「that」引导定语从句,修饰其左边的名词「objectives」,「align with」意为「使一致」。

⑤该句紧承上句而来。「gain a clearer understanding of ...」表示「更清晰地了解.....」,「pave the way for sth.」即「为.....铺平道路」。

⑥该句利用短语「by contrast 相比之下」进行反面论证。「impractical goals」意思是「不切实际的目标」,「resulting in a waste of time and energy」为现在分词短语做结果状语,意思是「导致时间和精力浪费」。

⑦该句利用转折副词「however 然而」开头，阐述「坚持不懈朝目标努力的必要性」。

「sufficient」为形容词，意思是「足够的」，「since」引导原因状语从句，「consistent effort and unwavering determination」均为形容词加名词的形式，意思是「持续的努力和坚定的决心」，「be crucial to」意为「对……至关重要，是……的关键」。

⑧该句对前文做进一步的解释说明。「when」引导省略的时间状语从句，「challenges and obstacles」即「挑战与障碍」，「only+by 方式状语」位于句首时，后面的主句要进行部分倒装，即「can we...」，「strive persistently towards」同义替换「work persistently towards...」。

⑨ 结尾段第一句话套用功能句型「As discussed above, we could conclude that ...」再次强调主题，意为「如上所述，我们可以得出这样的结论：……」。「winning formula」意思是「制胜法宝，成功秘诀」。

⑩该句通过提建议措施进行展望号召。「maximize」意思是「使增加到最大限度」，「work hard towards」同义替换「work persistently towards...」。

关键词汇：

likelihood *n.* 可能性

set goals 设定目标

work towards 朝着……努力

persistently *adv.* 坚持不懈地

there is no doubt that... 毫无疑问

key factor 关键因素

starting point for ……的起点

achievable *adj.* 可实现的

align with 使一致

pave the way for 为……铺平道路

impractical *adj.* 不切实际的

sufficient *adj.* 足够的

consistent *adj.* 持续的

unwavering *adj.* 坚定的

determination *n.* 决心

be crucial to 对……至关重要，是……的关键

obstacle *n.* 障碍

strive towards 朝着……努力

persistent *adj.* 坚持不懈的

winning formula 制胜法宝，成功秘诀

maximize *v.* 使增加到最大限度

范文翻译：

为了增加成功的可能性，一个人应该设定现实的目标，并坚持不懈地朝着目标努力。在我看来，毫无疑问，这两点是成功的关键因素。

首先，有明确目标是取得成功的起点。设定现实的目标意味着建立与个人能力和资源相匹配的可实现的和具体的目标。通过设定这样的目标，个人可以更清晰地了解自己的方向，为成功铺

平道路。相比之下，不切实际的目标往往难以实现，造成时间和精力浪费。然而，仅仅设定目标是不够的，因为持续的努力和坚定的决心是将这些目标变为现实的关键。当面对挑战和障碍时，只有坚持不懈地朝着自己的目标努力，我们才能克服这些障碍，最终走向成功。

如上所述，我们可以得出这样的结论：现实的目标设定和坚持不懈的努力相结合是成功的制胜法宝。因此，为了最大程度地提高实现成功的机会，我们必须设定明确的目标，并为之努力奋斗。

Part II Listening Comprehension

Section A

Conversation One

W: Hi Allen. Sorry for not calling you back sooner. [1]You said on the phone you had something you needed to discuss with me?

M: [1]Well, to get right down to it, I'm having second thoughts about my major. With my family situation getting more complicated and the end of my university education nearing, persisting with Art History just doesn't seem the right choice.

W: Allen, in the last three years, I have heard nothing but how passionate you are about the Art History program. You often told fellow classmates how fabulous the instructors were and that you finally felt accepted. What could cause you to abandon that?

M: My father's current financial situation has helped me realize that a more financially viable employment opportunity is not necessarily a bad thing. [2]Art History nourishes my soul, but does nothing to put food on my plate.

W: What about all the work opportunities I discussed with you last month? Have you gone to those places of business to investigate whether any legitimate positions might be available for someone with your background?

M: Um, well...

W: [3]Look, Allen, if your heart is set on working in the art industry, you need to be more assertive and start talking with people. Networking is key if you want to become a celebrity in the world of museums and galleries.

M: [4]Time is a very precious commodity right now. My social life does not exist. I can barely keep up with my studies, and thesis is due by the end of this year. When can I find time to research jobs when I have so much to do as it is?

W: What you do now will determine your future options. Now is the optimum time to put forth your best effort.

M: I will take what you said into consideration. The advice is much appreciated.

Questions 1 and 4 are based on the conversation you have just heard.

审选项预测

从选项中出现的词“art、financial”可以推断，这篇对话的主题可能与“艺术、经济”有关。

1. What did the man want to discuss with the woman?

答案：A) Changing his major.

对话中，女士首先问“You said on the phone you had something you needed to discuss with me?”（你在电话里说有事要跟我商量？）随后，男士明确表示：“I’m having second thoughts about my major.”（我对自己的专业有些犹豫了），他还解释说“With my family situation getting more complicated and the end of my university education nearing, persisting with Art History just doesn’t seem the right choice.”（我家里的情况越来越复杂，再加上我快大学毕业了，继续学艺术史似乎不是正确的选择。）由此可知，男士想讨论换专业的事情。因此 A 选项“改变他的专业”正确。

干扰项分析

虽然男士提到了“my family situation getting more complicated”（我家里的情况越来越复杂），但这只是他考虑改变专业的原因之一，是背景信息，而非他想与女士讨论的主要话题。故排除 B 选项“他的家庭情况”；

对话后半部分，男士曾提到过“thesis is due by the end of this year”（年底还要交论文），但并未到任何关于修改毕业论文的内容。因此，排除 C 选项“修改他的毕业论文”；

女士曾提到“I have heard nothing but how passionate you are about the Art History program”（我一直听说你对艺术史专业有多热爱。），但这只是女士提供的背景信息，而非男士正在与她讨论的话题，实际上他暗示自己可能会放弃现在的专业，转向更有经济前景的方向，故排除 D 选项“他对艺术史的热情”。

听音重难点

本题答案信息出现在对话开头的问答之中，且答案前有“Well”停顿语气提示。

2. Why does the man want to give up Art History?

答案：C) He doesn’t think it will provide him with a living.

选项 C 与对话中“Art History nourishes my soul, but does nothing to put food on my plate.”（艺术史虽然能滋养我的灵魂，却无法让我吃饱饭。）对应。音频中，男士明确指出，艺术史专业虽然在精

神上满足他，但无法解决他的实际生活需求，无法提供足够的经济支持。C 选项中“provide him with a living”（提供生计）与音频中“put food on my plate”（吃饱饭）是一组同义替换，因此 C 选项“他认为艺术史专业无法提供生计”正确。

干扰项分析

音频中男士虽然提到了父亲的财务状况，但并未表示对父亲的依赖，或这种行为是否正当。故排除 A 选项“他认为依赖父亲是不正当的”；

男士提到的是他父亲的财务状况，而非自己的财务状况，故排除 B 选项“他认为自己的财务状况现在已经改变”；

音频中提到了“艺术史能滋养我的灵魂（nourishes my soul）”，也说明艺术史专业无法给男士提供经济支持，而非艺术史专业仅适合富人，故排除 D“他认为艺术史只滋养那些经济上有保障的人”。

3. What does the woman advise the man to do?

答案：A) Try his best to socialize and build a network in the art industry.

女士在对话中明确建议男士“Look, Allen, if your heart is set on working in the art industry, you need to be more assertive and start talking with people.”（艾伦，你听我说，如果你真心想在艺术行业发展，就得主动出击，多与人沟通交流。）而后还说“Networking is key if you want to become a celebrity in the world of museums and galleries.”（要想在博物馆和画廊圈内出名，建立人脉关系至关重要。）选项 A“尽力在艺术行业社交并建立人脉”即是对这两条建议的概括，选项中的“socialize”即是对“start talking with people”的概括，而“build a network”与音频中“Networking”也是对应的。故选项 A 正确。

干扰项分析

女士的建议集中在如何在艺术行业取得成功，她鼓励男士留在艺术行业，而非寻找其他领域的经济上可行的就业机会。故排除 B 选项“毕业后寻找经济上可行的就业机会”；

虽然女士提到了“在博物馆和画廊圈内出名”（become a celebrity in the world of museums and galleries），但她只提到了建立人脉网络的重要性，而非调查所有可能的成名方式。因此 C 选项“调查所有可能的方式在艺术界成名”与音频不符；

女士的建议中并未提到“智力追求”相关的信息，更不用说平衡智力追求和经济保障了，故 D 选项“在智力追求和经济保障之间取得平衡”不正确。

听音重难点

本题答案信息有停顿语气“Look, Allen”作为提示，且反复出现了条件因果“if”。

4. What does the man say he really lacks right now?

答案: B) Time.

B 选项与音频中男士说的“Time is a very precious commodity right now.”（时间现在是弥足珍贵的东西。）视听一致。随后，男士还详细解释了自己时间不足的原因“My social life does not exist. I can barely keep up with my studies, and thesis is due by the end of this year. When can I find time to research jobs when I have so much to do as it is?”（我根本没有社交生活。我的学业都快应付不来了，更别提年底还要交论文。我已经忙得不可开交了，哪还有时间去研究找工作的事啊？）这些描述直接表明他现在最缺乏的是时间。因此，B 选项正确。

干扰项分析

虽然之前的对话中提到过经济方面的顾虑让男士想换专业，但男士没有直接当下自己最缺的就是钱。结合音频，男士当下的困难是时间不足，无法兼顾学业和找工作，故排除 A 选项“金钱”；

C 选项的“决心”与男士的表述无关。男士没有表现出缺乏努力或决心的迹象，他只是在抱怨时间不够用，仍在努力完成学业和论文，故排除 C 选项；

D 选项的“乐观”在对话中也没有体现。男士虽然表达了压力，但并未明确表示自己悲观或缺乏乐观态度，他只是客观描述了当前的面临的时间不够的困境，故排除 D 选项。

Conversation Two

M: [5]Have you decided yet what your end-of-semester business project will be on?

W: Yes. How about you?

M: Yes. Go on. You go first.

W: I'm going to do it about beef.

M: Beef?

W: Yeah, beef. I'm going to design a business case study for a cow farm that supplies beef for the domestic market.

M: Wow. That sounds very interesting and original. Wherever did you get that idea?

W: I don't know. It just came to me, I guess. But think about it. Beef consumption has been rising strongly over the past 20 years. As the economy continues to grow, consumer demand is expected to continue to increase for the foreseeable future. And currently, most of the beef is imported, which brings with it added fees. [6]So why not raise cattle here?

M: [6]Of course. It makes perfect sense. There's plenty of land out west, so if done right, it should be very profitable to raise our own cattle.

W: Exactly.

M: Seriously, that sounds like a great idea. You should genuinely look into it once we get our degrees.

W: Thanks. So, your turn now. What are you doing your case study on?

M: [7]I was thinking about the car wash, but it now seems like such a boring notion after hearing your brilliant idea.

W: That's cool. I could see that working. After all, there's plenty of cars about, and those aren't going away anytime soon. While many people don't care how their car looks, many other people do. [7]You got yourself a vast and continual market.

M: Right. So the idea is a large, self-cleaning car wash, but I mean really big and well outfitted, like they have in America. [8]I was thinking of having it cater to high-end consumers in large cities. It could charge a profitable markup by offering just a bit more technical equipment and professional service than competitors.

Questions 5 to 8 are based on the conversation you have just heard.

审选项预测

从选项中出现的“beef、business、business projects”等可以推断，这篇对话的主题可能与“牛肉、商业”有关。

5. What are the speakers mainly talking about in the conversation?

答案：D) Their end-of-semester business projects.

对话开头男士询问：“Have you decided yet what your end-of-semester business project will be on?”

（你决定好期末商业项目要做什么了吗？）而后女士回答“Yes. How about you?”（决定了。那你呢？）接着，男士也表示他已决定，并邀请女士先分享。这清楚地表明他们正在讨论学期末商业项目。因此 D 选项“他们的期末商业项目”是正确答案。

干扰项分析

音频中虽然提到了“beef”（牛肉），但这是女士准备做的项目，而非对话的主题，故排除 A 选项“他们关于调查牛肉消费的决定”；

音频中女士曾提到“domestic market”（国内市场）相关的内容，但这是女士的计划：“我打算为一家向国内市场供应牛肉的养牛场设计一个商业案例分析。”随后男士夸赞说“这个想法听起来既有趣又新颖。”因此 B 选项“他们关于国内市场的原创想法”与音频不符，故排除；

音频中虽然提到了“case study”（案例研究），但这是女士在具体介绍自己的期末商业项目，而非男士与女士的讨论主题是如何进行案例研究的方法，故排除 C 选项“他们对案例研究的不同方法”。

听音重难点

本题答案信息出现在对话开头的问答之中，符合首末原则。

6. What does the man say makes perfect sense?

答案：C) Raising cattle domestically.

音频中，女士说“And currently, most of the beef is imported, which brings with it added fees. So why not raise cattle here?”（而且，目前市面上的牛肉大多都是进口的，这带来了额外的成本。所以为什么不在本地养牛呢？）而后男士对此表示肯定：“Of course. It makes perfect sense.”（确实如此。这完全说得通。）由此可知，男士对女士“在国内养牛”的想法表示了赞同，故C选项“在国内养牛”符合音频，音频中的“raise our own cattle”与选项的表达“raising cattle domestically”是一组同义替换，均表示“在国内养牛”。所以，本题的正确答案为C选项。

干扰项分析

对话中男士提到“西部有大量的土地”（There's plenty of land out west），但他只是说利用西部的土地来养牛，而非要“扩大农田”。因此，A选项“向西部扩大农田”与男士的回答内容不符，故排除；虽然女士提到目前“大部分牛肉是进口的”，但她随后也说了正因为牛肉大部分依靠进口故成本较高，因此要考虑在国内养牛。而且男士也没有说进口牛肉很有道理，他支持的是在国内养牛的想法，认为这才是合理的选择。因此，B选项“进口大部分牛肉”与男士的观点不符，故排除；音频中，女士提到“经济的持续增长”（the economy continues to grow）导致牛肉消费量增加，但男士的回答肯定的是“在国内养牛很有道理”，而非继续推动经济增长本身是合理的。因此排除D选项“继续促进经济增长”。

听音重难点

本题答案信息出现在对话问答之中，符合互动原则。

7. What business does the woman say has a vast and continual market?

答案：D) Carwashing.

选项D与音频中“I was thinking about the car wash...”（我本来在考虑洗车）基本视听一致。在对话中，男士说自己的项目是研究洗车。而后女士肯定了男士的项目，说“That's cool. I could see that working.”（那个想法不错。我觉得这可行。）随后还补充：“After all, there's plenty of cars about, and those aren't going away anytime soon. While many people don't care how their car looks, many other people do. You got yourself a vast and continual market.”（毕竟，到处都是汽车，短期内这些汽车也不太可能消失。虽然有些人对自己车子的外观无所谓，但也有不少人很在乎。你拥有一个庞大且稳定的市场。）由此可知，女士认为洗车业务有庞大且持续的市场。故D选项“洗车业务”正确。

干扰项分析

A 选项“技术设备”是男士介绍洗车业务时涉及到的具体信息，说以后自己开的洗车店会提供更好的技术设备。而这与本题问的“女士说哪个行业拥有广阔且持续的市场”无关，故排除 A 选项；

音频中的两人讨论的是牛肉和洗车业务，并未涉及关于“商业咨询”的内容，故排除 B 选项“商业咨询”；

根据音频，女士的项目是关于牛肉的，但在这段对话中，当她说“庞大且持续的市场”时，她是在评论男士的项目（洗车业务），而非自己的牛肉项目。故排除 C 选项“牛肉”。

8. Who would the man's imagined business cater to?

答案：B) High-end customers in big cities.

选项 B 与音频“I was thinking of having it cater to high-end consumers in large cities.”（我的想法是，让这样的洗车场服务于大城市的高端消费群体。）基本视听一致。因此 B 选项“大城市的高端消费者”是男士设想的洗车场的服务对象，是本题的正确答案。

干扰项分析

音频中并未提到“各行各业”的相关信息，故排除 A 选项“各行各业的车主”；

音频中提到男士认为“通过提供比竞争对手更好的技术设备和专业服务，它可以收取更高的利润”，而非“消费者对专业服务的渴望”，故排除 C 选项；

D 选项中“a profitable markup”（有利可图的加价）虽然与音频对应，但音频中并未提到“富裕的经销商”相关的内容，故排除 D 选项“寻求有利可图的加价的富裕经销商”。

听音重难点

本题答案信息出现在对话末尾，符合首末原则。

Section B

Passage one

Increased television time for young children has long been linked with poorer progress in some areas of development. One possible way to counter those negative effects is talking while watching the screen.

[9]As a new study suggests, the more engaged parents were in conversation with preschoolers during TV time, the more likely those children were to have higher curiosity levels when they reached kindergarten. This was particularly true for children with socioeconomic disadvantages.

“Our findings reinforce the importance of parent conversation to promote early childhood development and curiosity,” said lead author Prachi Shah at University of Michigan Health C.S. Mott Children’s Hospital.

Researchers assessed hours of daily television exposure and frequency of parent screen-time conversation among 1,500 preschoolers, and then measured early childhood curiosity in kindergarten.

[10]The study specifically focused on curiosity levels, which are associated with enhanced learning and higher academic achievement in reading and math at kindergarten, and behavioral developmental benefits, especially for children from families with lower socioeconomic status.

While many young children are now growing up with digital media exposure through mobile devices like tablets and phones, television remains a dominant screen activity, accounting for 72% of all screen time. TVs are in 98% of all homes, keeping television exposure a relevant developmental context in young children.

[11]Excessive media exposure, including television, can displace exploratory activities such as play and parent-child interactions, which are believed to be key to cultivating curiosity in kids.

“Our findings suggest the importance of parents finding opportunities to foster conversational exchanges in daily routines with their young children—including while watching television,” Shah said.

Questions 9 to 11 are based on the passage you have just heard.

审选项预测

根据选项中多次出现的“curiosity、kids”等表述，推测此篇章可能讨论的是“儿童的好奇心”。

9. What do we learn from a new study about young children?

答案：A) Parents’ talking with them during TV time raises their curiosity levels.

音频中“As a new study suggests, the more engaged parents were in conversation with preschoolers during TV time, the more likely those children were to have higher curiosity levels when they reached kindergarten.”（一项最新研究显示，在学龄前儿童看电视时，父母与他们互动交流得越多，这些孩子到了幼儿园年龄就越可能表现出更强的好奇心。）指出，新研究的发现即是，孩子看电视时，父母与他们交流得越多，孩子的好奇心越旺盛。故 A 选项“父母在看电视时与孩子交谈会提高他们的好奇心水平”是对音频内容的概括，是本题的正确答案。其中“raises their curiosity levels”与“higher curiosity levels”是一组同义替换，都表示“好奇心水平高”。

干扰项分析

结合音频可知，研究关注的是父母在电视时间与孩子交谈的频率及其对好奇心的影响，而非电视时间本身对亲子对话时间有何影响。故排除 B 选项“他们每天看电视减少了亲子对话的时间”；

C 选项“他们看电视越多，发展进步就越差”与音频开头提到的“幼儿看电视时间过长与某些方面的发展迟缓一直存在关联。”相接近，但这并非本题所问的新研究的发现，而只是背景信息。因此排除 C 选项；

音频中提到了“学业成绩”（academic achievement），说的是“这项研究特别关注好奇心水平，发现它不仅与幼儿园阶段阅读和数学能力的提升及学业成绩的进步密切相关”，由此可知，音频强调的是好奇心水平与学业成绩之间的关联，而非社会经济水平与学业成绩。故排除 D 选项“他们的社会经济水平影响他们的学业成绩”。

听音重难点

本题答案信息前有引用转述信号“As a new study suggests, ...”作为提示。

10. What did Prachi Shah's study specifically focus on?

答案：B) Kids' curiosity levels.

选项 B 与音频中“The study specifically focused on curiosity levels, ...”（这项研究特别关注好奇心水平）基本视听一致，故 B 选项“儿童的好奇心水平”正确。

干扰项分析

选项 A 中“增强学习能力”虽然是音频中提到过的信息，但音频是说“这项研究特别关注好奇心水平，发现它不仅与幼儿园阶段阅读和数学能力的提升及学业成绩的进步密切相关”，由此可知，好奇心是增强学习能力的因素，且研究关注的是好奇心水平而非增强学习能力，因此排除 A 选项“儿童学习能力增强”；

音频提到好奇心水平与“与幼儿园阶段阅读和数学能力的提升及学业成绩的进步密切相关”，但研究的焦点不是直接研究阅读和数学能力，而是研究好奇心水平，故排除选项 C“儿童的阅读和数学能力”；

音频中也提到了“儿童的行为发展”，但同样地，音频点明“这项研究特别关注好奇心水平……还能带来行为发展方面的益处”，由此可知，行为发展方面的益处也是好奇心带来的，同样不是研究的焦点。故排除 D 选项。

11. What does the passage say about excessive media exposure?

答案：B) It can cut into kids' time on exploratory activities.

选项B“挤占孩子们用于探索性活动的时间”与音频中“Excessive media exposure, including television, can displace exploratory activities such as play and parent-child interactions...”（包括看电视在内的过度接触媒体可能会挤占孩子们探索的时间.....）对应。音频中“displace exploratory activities”与选项中的“cut into kids’ time on exploratory activities”对应，都表示过度接触媒体会占用孩子们的探索时间。因此，B选项是正确答案。

干扰项分析

音频中并未提到过度媒体接触会影响孩子与同龄人的关系或社交能力，故排除A选项“它会阻碍孩子与同龄人相处”；

音频中提到的“探索性活动”、“玩耍和与亲子互动”这些都是现实生活中的互动活动，而过度媒体接触的负面影响是取代探索性活动，由此可知，这也减少了孩子们在现实中的互动机会。因此排除C选项“它能激发孩子对人们在现实生活中如何互动的兴趣”；

音频中并未讨论到过度媒体接触对不同经济背景儿童之间差距的影响。故排除D选项“它会扩大不同经济地位的孩子之间的差距”。

Passage Two

Humans are aspirational goal-seeking beings. Each of us, according to research, has an inborn drive to acquire. [12]The “dark side” of this drive to acquire is being mindlessly driven to possess more and more “things” and to socially compare our “stuff” with all the stuff other people have in their lives.

So the question is: How do we ensure we tap into our drive to acquire in positive ways that will benefit our well-being? One way is to become more intentionally aspirational.

To be intentionally aspirational includes consciously aspiring to be the person you need to be to succeed in your professional and personal life. It also includes consciously aspiring to acquire things in your life that will positively impact your sense of well-being.

[13]If you’re not consciously, mindfully and intentionally harnessing this inborn drive to acquire, you might be mindlessly pursuing all the wrong things.

[14]While your intentional aspirational goals will include the pursuit of acquiring things that will increase your sense of well-being, they ought to also include goals to help other people in your various life roles. Your intentional aspirational goals will also include striving to be your personal best—a person of good character, integrity and trustworthiness.

Think about this from a practical, rather than theoretical viewpoint. [15]If you’re not pursuing intentional aspirational goals, you have nothing to strive for. If you have nothing to strive for, you’re

putting yourself in the dangerous position of simply drifting through life, and you'll not be able to experience, live and enjoy all that life has to offer.

Questions 12 to 15 are based on the passage you have just heard.

审选项预测

根据选项中多次出现的“life、goal”推测此篇章可能与“人生”、“目标”有关。

12. What is the “dark side” of our inborn drive to acquire?

答案：D) Being mindlessly driven to possess more and more material things.

D 选项与音频中的“The ‘dark side’ of this drive to acquire is being mindlessly driven to possess more and more ‘things’...”（这种获取欲望的“阴暗面”体现在：我们不自觉地追求拥有越来越多的“物品”……）基本视听一致。因此，D 选项“无意识地追求拥有越来越多物质上的东西”直接对应音频中的描述，是正确答案。

干扰项分析

与“获取欲望的阴暗面”相关的音频中，并未提到过度努力相关的信息，故排除 A 选项“为了达成生活目标而过度努力”；

B 选项中“professional success”（职业成功）虽然与音频中的“succeed in your professional and personal life”（在职业个人生活中取得成功），但音频建议的是“有意识地培养远大抱负需要”，这与“获取欲望的阴暗面”无关，故排除 B 选项“被职业成功的单一想法所支配”；

C 选项“试图用各种手段在个人抱负方面击败他人”与音频内容不完全符合。虽然音频中提到了“总是将自己的“财物”与他人的进行攀比”，但重点是比较物质财富，而非个人抱负，且没有提到“用各种手段击败他人”。故排除 C。

听音重难点

本题答案信息出现在音频开头第二句话，符合首末原则。

13. What might happen if we do not harness our inborn drive to acquire?

答案：C) We might end up pursuing all the wrong things.

C 选项与音频中“If you're not consciously, mindfully and intentionally harnessing this inborn drive to acquire, you might be mindlessly pursuing all the wrong things.”（如果你不能有意识、专注地且有目的地驾驭这种与生俱来的追求欲望，你很可能会盲目地追逐一些并不适合你的东西。）基本视听一致。因此，C 选项“我们可能最终追求所有错误的东西”与音频直接对应，是正确答案。

干扰项分析

A 选项的“我们可能会使自己与他人隔绝”与音频不符。音频中没有提到与他人疏远的内容，故排除 A 选项；

虽然音频中提到了“well-being”，说是“有意识地追求那些能够增进幸福感的事物”，而不是说如果无法驾驭获取的欲望就会导致“错误的幸福感”，故排除 B 选项“我们可能会获得错误的幸福感”；

D 选项的“我们可能会把个人生活搞得一团糟”与音频不符。音频并未提到个人生活情况的相关信息，故排除 D 选项。

听音重难点

本题答案信息有条件因果信号“If”和强调语气“all”作为提示。

14. What does the passage say about our intentional aspirational goals?

答案：C) They should include goals to help other people.

选项 C 与音频中的“...they ought to also include goals to help other people in your various life roles”

（同时也应该包括在不同人生角色中帮助他人的愿景）基本视听一致，其中 ought to 与选项中的 should 对应，都表示“应该”。因此，C 选项“它们应该包括帮助他人的目标”是正确答案。

干扰项分析

A 选项中“theoretical concepts”（理论概念）与音频中的“theoretical viewpoint”（理论角度）可对应，但相关音频说的是“Think about this from a practical, rather than theoretical viewpoint.”）They should be based on solid theoretical concepts.（请从实际出发，而不是纯粹从理论角度来思考这个问题。）显然选项 A“它们应该基于坚实的理论概念”与音频并不相符，故排除；

B 选项“它们应该考虑个人兴趣”与音频不符，音频中并未提到个人兴趣，因此排除 B 选项；

音频中并未提到“worthiness”（价值感）相关的内容，故排除 D 选项“它们应该增加我们的价值感”。

听音重难点

本题答案信息前有让步转折信号“While”作为提示。

15. What will you end up doing without pursuing intentional aspirational goals?

答案：A) Drifting through life aimlessly.

A 选项与音频中的“you’re putting yourself in the dangerous position of simply drifting through life”

（你就会把自己置于在生活中随波逐流的危险境地）基本视听一致。此前的音频明确指出“If you're not pursuing intentional aspirational goals, you have nothing to strive for.”（如果你没有设立明

确的人生目标，你就失去了奋斗的方向），而“如果你没有为之奋斗的东西，你就会把自己置于在生活中随波逐流的危险境地”。因此，A 选项“毫无目标地随波逐流度过生活”是正确答案。

干扰项分析

B 选项的“放弃实现自我的机会”与音频中“you’ll not be able to experience, live and enjoy all that life has to offer”（无法体验、享受生活中所给予的一切）有一定关联，但“fulfill yourself”（实现自我）在音频中并无相关信息，故排除 B 选项；

音频指出没有目标会导致“无法体验、享受生活中所给予的一切”，但这是没有目标而导致的被动结果，而非主动放弃，故排除 C 选项的“放弃生活提供的一切”；

音频中提到过“integrity”（诚信），但说的是“Your intentional aspirational goals will also include striving to be your personal best—a person of good character, integrity and trustworthiness.”（你有意识追求的人生目标还应该包括不断完善自我——努力成为一个品格高尚、正直诚信的人。）故 D 选项的“损害你的品格和正直”与音频不符，也可排除。

听音重难点

本题答案信息出现在音频末尾，符合首末原则。

Section C

Recording One

It’s revision time for exams and dissertations. The pressure is on, so you’ll want all the help you can get to aid your memory and raise your grades. [16]As a nutrition expert, I want to say that eating well can make a real difference to your revision regime. So what brain-boosting food and drink would I recommend?

Coffee can have numerous benefits. However, while coffee may make you more alert, individuals can build up a tolerance, meaning this is short-lived. Coffee can also increase blood sugar and eventually cause lack of focus and energy. It’s also worth noting that people react differently to coffee. Some people can drink it at midnight and go straight to sleep, whereas others feel feelings of anxiety after a small amount. Also remember that coffee from a coffee shop may be stronger than coffee made at home. [17]So stop drinking coffee by 2 pm and have a maximum of two cups of coffee a day. But be aware of your own reaction to it.

Wholegrain foods will ward off hunger. Examples include porridge and wholewheat bread. Combining wholegrain foods with protein will help keep your blood sugar levels balanced, which is essential for mood and concentration.

Berries and nuts are a convenient and nutritious snack. Blueberries, like many dark coloured fruits and vegetables, can slow down brain damage and age-related decline. Frozen berries are also a good choice. They are usually cheap, last longer and don't lose their nutrients when frozen. But flavoured and coated nuts are less healthy as they contain added oil, salt and sugar.

Doctors often recommend taking vitamin supplements to top up on the nutrients you need, [18]but I would say food should always come before supplements, and the key to getting as many nutrients as possible is to eat a varied diet with lots of different colours, such as frozen berries and dark green vegetables. It's better to get everything you need from food and drink. For example, oranges contain not only vitamin C, which boosts the immune system, but also fibre and other components that you can't get packaged together in a tablet.

Don't forget to drink a proper amount of water, which can boost attention by almost 25% and can elevate your mood as well.

Finally, don't skip meals. Eating regularly will help keep blood sugar balanced and feed the brain with the fuel it needs.

Questions 16 to 18 are based on the recording you have just heard.

审选项预测

根据选项中反复出现的“food、drink”等表述，推测此讲座可能与“饮食”有关。

16. What does the speaker recommend in this talk?

答案： D) Brain-boosting food and drink.

D 选项与音频“So what brain-boosting food and drink would I recommend?”（那么，我会推荐哪些能够提升大脑功能的食品和饮料呢？）视听一致。音频中作为营养专家的演讲者明确表示要推荐“增强脑力的食物和饮料”，因此 D 选项是正确答案。

干扰项分析

A 选项的“提高成绩的方法和手段”虽然与音频开头的“raise your grades”（提高你的成绩）有一定关联，但这并非演讲者的推荐，故排除 A 选项；

音频中虽然提到了“pressure”，说是“压力很大，你肯定希望得到一切可能的帮助，以加强记忆力，提高成绩。”但这并非演讲者的推荐，故排除 B 选项的“缓解压力的锻炼”；

C 选项的“Revision-conducting approaches”（复习的方法）虽然与“revision time”（复习时间）相关，但演讲者推荐的是饮食的帮助，而非具体的复习方法故排除 C 选项。

听音重难点

本题答案信息出现在音频开头的问句中，符合首末原则。

17. What does the speaker warn against about coffee?

答案：C) Drinking it after 2 pm.

本题问的是“关于咖啡，演讲者警告我们不要做什么？”根据演讲者的话“So stop drinking coffee by 2 pm and have a maximum of two cups of coffee a day.”（因此，建议在下午两点后不要再饮用咖啡，并将每日摄入量控制在两杯以内。）可知，音频中明确给出了这一时间限制作为建议，告诫大家不要在这个时间点之后饮用咖啡。故“在下午两点后饮用咖啡”即是演讲者警告我们不要做的事，因此 C 选项是正确答案。

干扰项分析

A 选项“从咖啡店买咖啡”与音频不符，音频文中只是提到“coffee from a coffee shop may be stronger than coffee made at home”（咖啡店里的咖啡通常比家里做的更浓一些），但演讲者并没有警告不要从咖啡店购买咖啡，故排除 A 选项；

B 选项“对咖啡产生耐受性”虽然与音频中的“individuals can build up a tolerance”（人体可能会逐渐产生耐受性）对应，但只是在陈述事实，而非演讲者的警告，故排除 B 选项；

D 选项“喝加糖的咖啡”与音频不符，音频中只提到了“Coffee can also increase blood sugar”（咖啡也可能导致血糖升高），但没有具体提到喝咖啡加糖是否有影响，故排除 D 选项。

听音重难点

本题答案信息前有逻辑信号“So”的提示，且该句为祈使句，具有强调作用。

18. How can we get sufficient nutrients according to the speaker?

答案：B) By consuming a rich variety of foods.

B 选项与音频中的“the key to getting as many nutrients as possible is to eat a varied diet with lots of different colours”（要摄入尽可能多的营养，关键在于保持饮食多样化，多吃各种颜色的食物）对应。其中“eat a varied diet”和选项中的“consuming a rich variety of foods”是同义替换，都强调了饮食多样性。因此，B 选项“通过摄入丰富多样的食物”是正确答案。

干扰项分析

A 选项的“通过服用多种维生素补充剂”与音频观点矛盾。音频明确提到“food should always come before supplements”（食物应该始终优先于补充剂），随后还提到“天然的营养组合是单靠药片无法完全替代的”，所以 A 选项错误；

虽然音频中提到了冷冻浆果，也提到了橙子，但音频强调的是“多样化饮食”，而非仅限于橙子和冷冻浆果，故排除 C 选项的“通过同时吃橙子和冷冻浆果”；

音频中以橙子为例说明“它不仅富含能增强免疫力的维生素 C，还含有膳食纤维和其他营养成分，这种天然的营养组合是单靠药片无法完全替代的。”由此可知，仅靠补剂药片无法获得足够的营养，故排除 D 选项“通过服用包装成药片的营养成分”。

听音重难点

本题答案信息前有转折逻辑信号“but”作为提示。

Recording Two

[19]The late Swedish academic Hans Rosling has identified a worrying trend: not only do many people across advanced economies have no idea that the world is becoming a much better place, but they actually even think the opposite. This is no wonder, when the news focuses on reporting catastrophes, terrorist attacks, wars and famines.

Who wants to hear about the fact that every day some 200,000 people around the world are lifted above the \$2-a-day poverty line? Or that more than 300,000 people get access to electricity and clean water for the first time every day? These stories of people in low-income countries simply don't make for exciting news coverage. But, as Rosling pointed out in his book *Factfulness*, it's important to put all the bad news in perspective.

While it is true that globalisation has put some downward pressure on middle-class wages in advanced economies in recent decades, it has also helped lift hundreds of millions of people above the global poverty line. [20]If we really care about global welfare, globalisation is the only way forward to ensure that economic prosperity is shared among all countries and not only a select few advanced economies.

While some people glorify the past, one of the big facts of economic history is that until quite recently a significant part of the world population has lived under quite miserable conditions—and this has been true throughout most of human history.

While there were many long-lasting ups and downs, like the Great Depression or the recent Great Recession, the constancy of the long-run growth rate is actually quite miraculous. Low-income countries, including China and India, have been growing at a significantly faster pace in recent decades and are quickly catching up to the West. A 10% growth rate over a prolonged period means that income levels double roughly every seven years. It is obviously good news if prosperity is more shared across the globe.

While inequality within countries has gone up as a result of globalisation, global inequality has been on a steady downward trend for several decades. This is mostly a result of the improvement of

hundreds of millions of people's living standards. [21]In fact, for the first time ever since the Industrial Revolution, about half of the global population can be considered middle class.

Questions 19 to 21 are based on the recording you have just heard.

审选项预测

根据选项中多次出现的“world、economies、countries”等表述，推测此讲座可能与“世界经济形势”有关。

19. What is the worrying trend that the late Swedish academic has identified?

答案：A) Many people across advanced economies think the world is going from bad to worse.

音频开头直接指出“已故瑞典学者汉斯·罗斯林发现了一个令人担忧的趋势”，随后说这个趋势就是“not only do many people across advanced economies have no idea that the world is becoming a much better place, but they actually even think the opposite”（在许多发达经济体中，大多数人不仅不了解世界正在变得越来越好，反而认为情况恰恰相反），即，许多人不仅不知道世界在变好，反而认为形式在恶化。因此，A 选项“许多发达经济体的人认为世界变得越来越糟”是正确答案。

干扰项分析

B 选项的“新闻聚焦于报道世界各地发生的灾难”在音频中确实有提及，但这是在解释为什么发达国家的人会有错误看法，而非题目所问的罗斯林指出的“令人担忧的趋势”本身，故排除 B 选项；音频中虽然提到了“Great Recession”，但音频并非说当前世界正在经历大衰退，只是提到历史上的起伏（如大萧条和大衰退），因此 C 选项的“世界很大一部分正在经历另一场大衰退”与音频不符，可排除；

音频中提到了“lived under quite miserable conditions”（生活在相当贫困的环境中），说“但经济史上一个重要事实是，直到不久前，世界上很大一部分人口仍生活在相当贫困的环境中——这在人类历史的大部分时期都是如此”。这一点与罗斯林指出的“令人担忧的趋势”无关，故排除 D 选项的“许多人都了解那些生活在贫困环境中的人”。

听音重难点

本题答案信息出现在音频开头，符合首末原则；且有加强语气的“not only do...but...”作为提示。

20. What does the speaker say about globalisation?

答案：C) It is the only way for all countries to share economic prosperity.

C 选项与文本中的“globalisation is the only way forward to ensure that economic prosperity is shared among all countries”（只有通过全球化我们才能确保经济繁荣能够惠及所有国家）基本视听一致，明确点明了全球化是实现共同繁荣的唯一途径。因此，C 选项“它是所有国家共享经济繁荣的唯一途径”是正确答案。

干扰项分析

随后的音频中出现了“ups and downs”，但说的是“虽然经济发展曾经历过诸如大萧条和近期大衰退等长期波动”，而非特指“全球化”，故排除 A 选项“像其他历史趋势一样，全球化也经历了起起落落”；

音频中并未提到经济学家或普通人如何看待全球化，故排除 B 选项的“全球化被经济学家和普通人誉为奇迹”；

音频强调的是全球化是实现共同繁荣的唯一途径，而非仅仅“给予发展机会”，故 D 选项的“全球化给了越来越多的国家带来了难得的发展机会”与音频不符，可排除。

听音重难点

本题答案信息有加强语气的“all”、“only”作为提示。

21. What do we learn about half of the global population?

答案：B) They can be classified as middle class.

选项 B 与音频中“In fact, for the first time ever since the Industrial Revolution, about half of the global population can be considered middle class.”（实际上，自工业革命以来，全球人口中有约一半可以被归入中产阶级，这是史无前例的。）对应。其中“can be considered middle class”与选项中的“can be classified as middle class”意思一致，均表示“可被视为/归类为中产阶级”。因此，B 选项“他们可以被归类为中产阶级”是正确答案。

干扰项分析

音频中并未提到全球半数人口的财富状况如何，故排除 A 选项的“他们的财富可能会下降”；

音频明确提到“数亿人生活水平改善”，而由此“全球人口中有约一半可以被归入中产阶级”，因此人们的生活水平得到了提高而非恶化。C 选项的“他们的生活水平一直在恶化”与音频不符，可排除；

D 选项中“a radical transformation”（激进的转变）与音频内容无关，故排除 D 选项“他们正在经历一场激进的转变”。

听音重难点

本题答案信息出现在音频末尾，且有“In fact”作为提示。

Recording Three

We all know that the sense of smell is powerful. The delicious scent of bread, for example, can act like a time machine. One sniff can bring back a memory from many years ago. Indeed, scent particles, in general, can revive memories that have been long forgotten. [22]But why do smells sometimes trigger powerful memories, especially emotional ones? The short answer is that the brain regions that handle smells, memories and emotions are linked.

A scent is a chemical particle that floats in through the nose and into the region of the brain responsible for smell, where the sensation is first processed into a form that the brain can read. Brain cells then carry that information to the area of the brain where emotions are processed, and then to an adjacent area of the brain where learning and memory formation take place.

[23]Scents are the only sensations that travel such a direct path to the emotional and memory centers of the brain. That results in an intimate connection between emotions, memories and scents, which is why memories triggered by scents are experienced as more emotional than those triggered by sight or sound.

Let's take a closer look at how those memories are activated. Usually, when a person smells something that's connected to a meaningful event in their past, they'll first have an emotional response to the sensation and then a memory might follow. But sometimes, the memory doesn't come to the surface; the person might feel the emotion of something that happened in the past but won't remember what they experienced.

What causes this baffling phenomenon? The explanation is context. Imagine the scenario: a person is walking down the street, smelling a scent that they first encountered decades ago, which activates an emotional response. [24]If the person had first come across that smell in a very different context, it will be much more difficult to recover the associated memory because the brain uses the context to give meaning to the information and find that memory.

[25]The special nature of memories brought back by sense notwithstanding, they have the same drawbacks as other memories. They aren't always accurate, and they can change over time. In fact, each time we remember something, that memory can become distorted. But because of the strong emotional associations these memories evoke, people who remember something due to a scent are often convinced that the memories are accurate, even when they aren't.

Questions 22 to 25 are based on the recording you have just heard.

审选项预测

根据选项中出现的“smells/scent、brain”等表述，推测此讲座可能涉及到“嗅觉”、“大脑”相关的研究。

22. What question does the speaker try to answer in this talk?

答案：A) Why smells can activate emotional memories.

A 选项与音频中的“*But why do smells sometimes trigger powerful memories, especially emotional ones?*”（但为什么某些气味能够唤起如此强烈的记忆，特别是那些与情感相关的回忆呢？）基本视听一致。除此之外，音频中还自问自答地说“*The short answer is that the brain regions that handle smells, memories and emotions are linked.*”（简而言之，大脑中处理气味、记忆和情感的区域是相互关联的。）由此可确定，A 选项“为什么气味能够激活情感记忆”正确。

干扰项分析

B 选项“嗅觉能变得多么强大”虽然与音频开头提到“*the sense of smell is powerful*”（嗅觉是强大的）对应，但音频主要讨论的并非嗅觉本身的力量有多强大，而是气味与情感的联系，故排除 B 选项；C 选项与音频中的“*Indeed, scent particles, in general, can revive memories that have been long forgotten.*”（事实上，各种气味粒子都能唤醒早被遗忘的记忆。）看似对应，但选项说的是“气味粒子如何唤醒被遗忘的记忆”，音频中并未提到气味粒子唤醒记忆的方式和过程，故排除 C 选项；

音频开头虽然提到了面包的香气，但这只是为了举例说明气味能够唤醒记忆，而非“为什么面包的香气会对心理有强烈影响”，因此排除 D 选项。

听音重难点

本题答案信息前有转折信号“*But*”，且答案句为问句。

23. What is said to result in an intimate connection between emotions, memories and scents?

答案：D) The sensations of scents going directly to the brain's emotional and memory centers.

音频提到“*Scents are the only sensations that travel such a direct path to the emotional and memory centers of the brain.*”（气味是唯一一种直接通往大脑情感和记忆中心的感官。）随后说“*That results in an intimate connection between emotions, memories and scents...*”（这导致情感、记忆和气味之间形成了密切联系...）。由此可知这种直接传递的路径是导致密切联系的原因。因此 D 选项“气味感觉直接传递到大脑的情感和记忆中心”与音频相符，是正确答案。其中，选项中“*going directly*”与音频中“*a direct path*”是一组同义替换，都表示“直接到达”。

干扰项分析

音频虽然提到了情感、记忆和气味之间的密切联系，但“大脑细胞对强烈情感记忆的处理”并非导致这种密切联系的原因，故排除 A 选项；

音频虽然提到了“scent particles...can revive memories that have been long forgotten”（气味粒子都能唤醒早被遗忘的记忆），但这与“导致情感、记忆和气味之间产生密切联系”的原因无关，故排除 B 选项“化学粒子激活大脑情感处理区域”；

音频中只提到“脑细胞将这些信息传递到负责处理情感的大脑区域”，也提到了化学粒子与负责嗅觉的大脑细胞之间的互动，但同样这也并非导致“情感、记忆和气味之间的密切联系”的原因，故排除 C 选项“化学粒子与负责嗅觉的大脑细胞之间的相互作用”。

听音重难点

本题答案信息有强调语气的“only”作为提示。

24. What does the brain use to give meaning to information and find a memory?

答案：D) Context.

选项 D 与音频中的“because the brain uses the context to give meaning to the information and find that memory”（因为大脑会利用情境赋予信息意义，并找到对应的记忆）视听一致。因此 D 选项“情境”是正确答案。

干扰项分析

音频中并未提到“想象力”对大脑解读信息并唤起记忆的作用，故排除 A 选项；

根据音频，B 选项“联想”虽然与记忆检索相关，但音频并不是说用“联想”来赋予信息意义并找到记忆。因此排除 B 选项；

C 选项的“经验”虽然可能是情境的一部分，但并不能代指情境整体，故排除 C 选项。

听音重难点

本题答案信息前有因果信号“because”的提示。

25. What drawback do memories of scents share with other memories?

答案：A) Inaccuracy and alterability.

音频明确指出“The special nature of memories brought back by sense notwithstanding, they have the same drawbacks as other memories.”（虽然感官唤起的记忆有其独特之处，但它们和其他记忆一样，也不免有其局限性。）随后介绍了共同的局限性：“They aren't always accurate, and they can change over time.”（这类记忆并非总是准确无误，而且会随着时间的推移发生变化。）音频中的“aren't always accurate”直接对应了 A 选项中提到的“inaccuracy”（不准确性），随后的“change over time”

也可对应到“alterability”（可变性），因此 A 选项“不准确性和可变性”正确。此外，随后的音频还进一步解释说“In fact, each time we remember something, that memory can become distorted.”（实际上，每当我们回忆起某事时，那段记忆都可能会产生偏差。）这再次强调了记忆的可变性和不准确性。

干扰项分析

B 选项“易于产生极端解释”与音频不符。音频并未提到“极端解释”是共同的缺点，故排除 B；

结合音频，虽然记忆确实具有个人和个体特征，但这一点并非记忆的普遍缺点，故排除 C 选项“个人化和个体化”；

虽然记忆可能受情境影响，但这并不是文本中直接指出的缺点，故排除 D“依赖相关场景”。

Part III Reading Comprehension

Section A

词性分析：

名词：halt（停止，中止）、scenario（情景；剧本）、shadow（阴影，影子）

动词：elapses（消逝，逝去）、erode（侵蚀，腐蚀；削弱）、flattered（奉承，讨好；使高兴；使显得更好）、flips（快速翻转；突然改变）、halt（停止，中断）、overburdened（使负担过重）、predominates（占主导地位，占优势）、propagate（传播；繁殖）、shadow（投阴影于）

形容词：affectionate（充满深情的，亲爱的）、flattered（深感荣幸的）、overburdened（负担过重的）、vigorous（精力充沛的，强劲的）

副词：approximately（大约，近似地）、halt（跛的，瘸的）、tentatively（试探性地，暂时地）、typically（典型地；通常）

26. (L) shadow

Negative energy can then cast a 26 over your efforts to build a shared understanding.

第 26 空前是不定冠词 a，因此空格处应当填入一个名词。该空位于“cast a ... over”结构中，cast 是一个动词，意为“投射”，常与 shadow 搭配，表示“给……投下阴影”。此处应是比喻负面能量会对建立共识的努力产生消极影响。结合文意，负面情绪会“笼罩”对话，因此 L 选项 shadow（阴影）符合语境和语法，表示“负能量会因此给你们试图建立共识的努力蒙上一层阴影”。

27. (A) affectionate

Sprinkling in positivity via appreciation, 27 smiles, and warm comments helps.

第 27 空前是 appreciation，后面是 smiles，故此处需要一个形容词修饰 smiles。根据前半句提到的“在对话中加入一些积极元素”可以推知，此处需要一个跟“赞赏”和“温暖的话语”语义相近的表达，体现一种积极的情感。选项中只有 A 选项 affectionate（深情的；亲切的）符合文意，表示“赞赏、亲切的微笑和温暖的话语，这些都会有所帮助”。

28. (F) flips

If the tone of a dialogue heats up and anger erupts, the dialogue 28 from collaborative to adversarial, and progress is likely to come to an immediate 29.

第 28 空后是 from...to...结构，描述对话从“合作”转向“对抗”的变化，因此该空需填入一个动词；且因为主语是 the dialogue，该动词还应当是第三人称单数形式。空格处所在半句意为“如果对话语气逐渐激烈、怒气爆发，那么对话就会从协作 28 对抗”。第三人称单数形式的动词选项中，只有 F 选项 flips（快速翻转；突然改变）符合文意，表示“对话从协作转为对抗”。

29. (G) halt

If the tone of a dialogue heats up and anger erupts, the dialogue flips from collaborative to adversarial, and progress is likely to come to an immediate 29.

第 29 空前是 an immediate，因此空格处需要填入一个名词。空格处所在句子的前半句提到“对话从协作转为对抗”，进而指出“其进展很可能会立刻 29”。由此可以推知，halt（停止，中止）最符合此处语境，填入后与前文逻辑一致，即对抗导致对话“中断”；且 come to a halt（停滞，中断）是一个惯用表达。因此本题选择 G 选项。

30. (N) typically

The silent partner 30 tires of only listening, while the talker can feel 31.

第 30 空前是主语 the silent partner，后面是谓语动词 tires，因此空格处需要填入一个副词，描述沉默的一方因只听不说而感到疲倦。对比选项来看，N 选项 typically（通常）作为副词修饰 tires，表示“沉默的一方通常会厌倦单纯的倾听”，符合对话中不对等情况的普遍性描述。因此本题选择 N 选项。

31. (H) overburdened

The silent partner typically tires of only listening, while the talker can feel 31.

第 31 空位于句子后半部分的“while the talker can feel ____”结构中，需要一个形容词来形容相对应的情绪感受。此处描述的是说话多的一方可能感受到的情绪，与前文“沉默一方通常感到厌倦”形成对比。根据句意可知，H 选项 overburdened（负担过重的）最符合文意，表示“而健谈的一方可能会感到负担过重”，与对话失衡的主题相符。

32. (D) erode

Different rates of speech and levels of voice volume can 32 symmetry as well.

第 32 空前是情态动词 can，后面是 symmetry（对称性），因此需要填入一个动词原形。根据句意可知，选项中只有动词原形 erode（侵蚀；削弱）符合语境，表示“不同的语速和音量水平也会破坏对称性”，呼应后文所说的“语速较快或声音较大的那一方很容易占用更多的发言时间；而语速较慢或声音较轻的那一方很难获得发言机会”。因此本题选择 D 选项。

33. (O) vigorous

Conversations also lose balance when one partner's opinions count more than the other's. One person's input may carry more sway because their style of expression is more 33.

第 33 空前是副词 more，用来构成比较级，因此推测空格处需要填入一个形容词，修饰前面的 their style of expression。空格处所在句子的前一句意为：当一方的意见比另一方的更有分量时，对话也会失去平衡。而后具体指出了“如果一方的表达 33，其意见可能也更具影响力。”由此可以推知，O 选项 vigorous（有力的；充满活力的）符合语境，表示“一方的表达更果断有力”使其意见也更具影响力，从而导致对话失去平衡。

34. (M) tentatively

One viewpoint may tend to get lost because it is expressed more 34.

第 34 空前是副词 more 以及动词 is expressed，因此该空需填入一个副词。空格处所在句子与前句形成对比，描述另一方观点因表达方式而被忽视。而选项中与 vigorous（果断有力的）含义相反的副词只有 M 选项 tentatively（试探性地；犹豫地），填入后表示“一个观点因表达得更犹豫不决而容易被忽略”，符合此处语境。

35. (I) predominates

If either partner fairly consistently 35 or evaporates, modifying the pattern will be helpful.

第 35 空后是 or evaporates，因此该空需填入一个第三人称单数形式的动词与 evaporates 构成并列。该句描述对话中一方持续主导或退出的情况。在可选的动词中，只有 predominates（占主导地位）

符合文意，表示“如果任意一方相对来说始终占据主导或始终被边缘化”，强调需调整这种互动模式以恢复对话平衡。因此本题选择 I 选项。

Section B

36. E

第一步：选取关键词

“名词优先”：the earth and the sun

“动形其次”：cannot see、is positioned right between

第二步：定位关键词

[E] ...But the moon is always moving, so it's getting hit with sunlight at different angles. It's invisible to us during the new moon, because our satellite is parked right between us and the sun; the so-called dark side of the moon is lit up like Las Vegas, but the side we can see is in shadow. A full moon happens when the earth is right between the sun and the moon, so sunlight hits the part we can see. And all the other phases are just the transition from one of those extremes to the other.

第三步：寻找同义替换

题干 / 原文：

cannot see / invisible to us

is positioned right between the earth and the sun / is parked right between us and the sun

37. K

第一步：选取关键词

“名词优先”：volcanic eruptions、a moody blue color

“动形其次”：assume

第二步：定位关键词

[K] Getting two blue moons a year is rare, but we have individual blue moons every few years. Also, fun fact: not actually blue. A moon indeed does take on a moody bluish color, but this only happens when particles of just the right size disperse through the sky—it has nothing to do with the moon's status as “blue.” Big clouds of ash from volcanic eruptions or fires can do the trick, but it doesn't happen often, and the stars would certainly have to align for two such rare instances to occur at once.

第三步：寻找同义替换

题干 / 原文：

assume a moody blue color / take on a moody bluish color

38. G

第一步：选取关键词

“名词优先”：supermoon、in February

“动形其次”：closest to the earth、occurs

第二步：定位关键词

[G] The reason you care about this ordinary change in distance is that it turns a moon super. When a full moon happens close to perigee, it's going to look a bit bigger. Honestly, the difference is not profound, but if you're in a position to photograph the supermoon next to something that shows the slight increase in scale, it can look pretty cool. January's super blood wolf moon eclipse is super because the date lines up with the closest the moon will get to us during January, but the moon won't actually be at its closest for the year until February's supermoon, during which you can expect plenty of undue excitement over.

第三步：寻找同义替换

题干 / 原文：

closest to the earth / at its closest for the year

supermoon occurs in February / February's supermoon

39. B

第一步：选取关键词

“名词优先”：super blood wolf moon、no resemblance to a bloody wolf head

“动形其次”：nothing unusual

第二步：定位关键词

[B] The latest example is the super blood wolf moon eclipse which sounds like the name of an emotional song I would have performed a modern dance routine to in 9th grade, but is, in fact, an astronomical event set to occur on January 20. As we'll explain below, there is nothing truly mysterious or otherwise special about this moon, and it will not look like a bloody wolf head in the sky or anything wild like that. We get these super lunar events by smashing together all the qualifiers we've historically used to keep track of full moons throughout the year, and in the age of the internet we can get a little too enthusiastic.

第三步：寻找同义替换

题干 / 原文：

nothing unusual / nothing truly mysterious or otherwise special

no resemblance to a bloody wolf head / not look like a bloody wolf head

40. H

第一步：选取关键词

“名词优先”：light、an atmosphere thicker than usual

“动形其次”：reflecting from it、appear orange、travels through

第二步：定位关键词

[H] Blood moons only occur during total lunar eclipses (which can happen a few times a year in any given location). When the moon slips through our shadow, we give it a reddish coloring. The moon can also look orange whenever it's rising or setting, or if it hangs low in the horizon all night—the light bouncing off of it has to travel through a thicker atmosphere, which scatters more blue light away. But you'll probably only see that deep, sinister red during an eclipse.

第三步：寻找同义替换

题干 / 原文：

the light reflecting from it / the light bouncing off of it

appear orange / look orange

travels through an atmosphere thicker than usual / travel through a thicker atmosphere

41. M

第一步：选取关键词

“名词优先”：the name of wolf moon、cultures of American Indians

“动形其次”：contrary to logic、originates from

第二步：定位关键词

[M] Sometimes you'll see a headline that promises a moon with so many qualifiers it makes your head spin. A super blue blood worm moon, perhaps? Or a super blood wolf moon? Lots of websites will tell you that “wolf moon” is the traditional name of the first full moon of the year in “Native American” cultures, which is kind of a weird thing to claim given that there are 573 registered Tribal Nations in the U.S. alone today, not to mention historically. The idea that hungry, howling wolves were such a universal constant in January that all of North America across its different cultures, geographies, and languages spontaneously came up with the same nickname is illogical.

第三步：寻找同义替换

题干 / 原文：

the name of wolf moon originates from / “wolf moon” is the traditional name of

cultures of American Indians / in “Native American” cultures

contrary to logic / illogical

42. F

第一步：选取关键词

“名词优先”：moon's orbit、not a hundred-percent circle、distance from the earth

“动形其次”：changes

第二步：定位关键词

[F] The moon isn't always exactly the same distance from Earth, because its orbit isn't perfectly circular.

We call the closest point *perigee*(近地点), and the most distant point is *apogee*(远地点). 2018's closest perigee and most distant apogee both happened in January, and the difference was about 30,000 miles.

第三步：寻找同义替换

题干 / 原文：

the moon's orbit is not a hundred-percent circle / its orbit isn't perfectly circular

distance from the earth changes / isn't always exactly the same distance from Earth

43. N

第一步：选取关键词

“名词优先”：a given month or season、a specific name、in different cultures

第二步：定位关键词

[N] Many cultures have traditional names for the full moon on a given month or season, so there's quite a list to draw from if you're trying to really juice up a story on a slightly-thinner-than-average view of the moon. But these are all based on human calendars and activities and folklore; you will not go outside and see a pink moon in April, though I wish it were so.

第三步：寻找同义替换

题干 / 原文：

a specific name in different cultures / many cultures have traditional names

44. D

第一步：选取关键词

“名词优先”：lots of people、its size

“动形其次”：know absolutely nothing、appears to change、regularly、act like they know

第二步：定位关键词

[D] Look, it's okay if you don't know. There are probably loads of folks who walk around pretending they totally know why that thing in the sky seems to get bigger and smaller at regular intervals but who totally do not.

第三步：寻找同义替换

题干 / 原文：

lots of people / loads of folks

know absolutely nothing / totally do not (know)

appears to change its size regularly / seems to get bigger and smaller at regular intervals

act like they know / pretending they totally know

45. J

第一步：选取关键词

“名词优先”：a blue moon

“动形其次”：appears twice in the same month、is nicknamed

第二步：定位关键词

[J] In March of 2018, we had our second “blue” moon of the year, to much acclaim. And while that's not necessarily special in an oh-gosh-get-out-and-look-at-it way, it's certainly special: a blue moon is a nickname for when two full moons fall in the same calendar month. We hadn't previously had two in one year since 1999. We won't have them again until 2037. ...

第三步：寻找同义替换

题干 / 原文：

appears twice in the same month / two full moons fall in the same calendar month

is nicknamed a blue moon / a blue moon is a nickname for

Section C

Passage One

46. A) They are becoming somewhat deserted.

第一步：选取关键词

“名词优先”：rural areas

第二步：定位关键词

第 2 段：Rural life is associated with closely-knit communities, sense of belonging, and a simple, tranquil life. Yet whilst some or all of these elements exist in the countryside, so do conservatism and a lack of employment opportunities. And it is mostly due to the latter that rural communities are suffering. Attracted by the improved economics of urban areas, country-dwellers across the world are moving out, contributing to the excessive crowdedness of densely populated cities, and leaving the countryside in desolation.

第三步：分析题干／文章

问题问的是「如今乡村地区变成了什么样？」原文第 2 段后半部分提到，被城市地区的经济优势所吸引，全世界的乡村居民正在迁出，这让城市过度拥挤的同时也「让乡村地区日渐荒凉（leaving the countryside in desolation）」。因此本题选择 A 选项「它们正变得有些荒凉」，其中 deserted 与原文中的 desolation 都可以表示「荒凉（的）」。

错误选项分析

B) “They are being increasingly urbanised.”（它们正在日益城市化。）原文未提及乡村地区本身正在城市化，而是说乡村人口正流向城市。

C) “They are closely-knit communities.”（它们是紧密联系的社区。）虽然第 2 段开头提到乡村生活与“紧密社区（closely-knit communities）”相关，但题干问的是乡村地区的“现状”，因此该选项答非所问。

D) “They are haunted by conservatism.”（它们被保守主义所困扰。）原文提到了保守主义（conservatism）是乡村地区存在的问题之一，但这并非原文强调的乡村地区“现状”，因此该选项答非所问。

47. B) It is less energy-efficient compared to that in cities.

第一步：选取关键词

“名词优先”：rural lifestyle

第二步：定位关键词

第 3 段：So how can the countryside ensure its survival among these changes, or should it at all? Due to both the distance between residences and facilities and often intermittent public transport, those living in the countryside are heavier automobile users. Rural dwellers also use more energy maintaining their mostly detached buildings. We may be piled up like boxes in the city, but this brings energy efficiency that the countryside cannot match. Rural energy requirements result in higher carbon emissions per person than in the city, so it is actually irresponsible to endorse such a lifestyle choice.

第三步：分析题干／文章

问题问的是「作者对乡村生活方式的看法是什么？」原文第3段中，作者明确指出城市生活方式更节能，而乡村由于能源需求高（如出行依赖汽车、房屋维护等），人均碳排放量反而高于城市，也即「乡村的生活方式不如城市节能高效（this brings energy efficiency that the countryside cannot match）」。因此B选项「与城市生活相比，它的能源利用效率较低」准确概括了这部分原文信息，是本题的正确答案。

错误选项分析

A) “It is unlikely to survive given the on-going changes.”（鉴于正在发生的变化，它不太可能存续下去。）作者并未直接否定乡村生活方式存续的可能性，而是讨论其在能源利用效率方面的问题，进而指出倡导这种生活方式实际上是不负责任的。

C) “It is highly dependent upon heavy automobiles.”（它高度依赖重型汽车。）原文提到乡村居民出行更依赖汽车/是重度依赖汽车的用户（are heavier automobile users），但选项所说的是“高度依赖重型汽车”，两者相差甚远。

D) “It is a choice more affluent people will endorse.”（它是富裕群体会支持的选择。）原文第4段提到富裕的城市居民可能会在乡村地区购买第二居所，但未说明他们支持乡村生活方式。

48. D) It is detrimental to rural preservation.

第一步：选取关键词

“名词优先”：rich urban residents、second home

第二步：定位关键词

第4段：Protecting the countryside is a hot topic. Those who have made their fortunes in the city often buy second homes in the countryside, visiting intermittently for a sample of a supposedly simple life. The side-effect of this is that house prices are pushed up due to increased demand, leaving them unaffordable for local people. A solution has yet to be found for this challenge, for market forces are further forcing residents out of the countryside. For those who believe in rural preservation, this is deplorable.

第三步：分析题干／文章

问题问的是「作者如何看待富裕的城市居民在乡村购买第二套房产？」原文第4段指出，这种行为为推高房价，使乡村本地人买不起房，且明确提到「对于支持乡村保护的人来说，这简直糟透了（this is deplorable）」。这表明作者认为这种行为对乡村保护不利，因此本题选择D选项「它不利于乡村保护」。

错误选项分析

A) “It is bound to mar the traditional rural life.”（它必然会破坏传统的乡村生活。）原文并未直接讨论传统乡村生活被破坏，且“必然会破坏”这一表述过于绝对。

B) “It adversely impacts rural social stability.”（它对乡村社会稳定产生不利影响。）原文只是指出这种行为会推高乡村地区房价，使得当地居民买不起房子，但并未直接说明乡村社会稳定性的问题。

C) “It hinders rural economies' revitalisation.”（它阻碍了乡村经济复苏。）原文并未讨论乡村经济复苏的问题。虽然第6段提到了“对更简单生活的向往是否会变得愈发强烈，从而推动乡村复兴（a rural renaissance）？”但这是疑问句，与“阻碍了乡村经济复苏”也并无关联。

49. A) It is destined to change gradually.

第一步：选取关键词

“名词优先”：industrialisation and technological advances

第二步：定位关键词

第5段：Whilst an idealised view of the countryside is common, the reality is that rural life has continuously evolved. Industrialisation brought an increase in divisions of labour, changing social links between rural people. The internet has introduced once foreign cultures into the countryside. Improved travel connections and affordability have made the world more accessible, creating a ‘global village’. Considering these changes, surely an evolving countryside is inevitable.

第三步：分析题干／文章

问题问的是「随着工业化和技术进步，我们对乡村有何了解？」原文第5段结合几个例子（工业化进一步细化乡村劳动分工；互联网引入外来文化；交通改善形成“地球村”等）指出，「考虑到这些变化，乡村的演变无疑是不可避免的（an evolving countryside is inevitable）」。因此A选项「它注定会逐渐改变」准确概括了这部分原文信息，是本题的正确答案。

错误选项分析

B) “It will present an idealised way of life.”（它将呈现一种理想化的生活方式。）对应文段开头明确说了，尽管人们普遍对乡村抱有理想化的看法（an idealised view），但现实是乡村生活一直在不断演变。因此该选项表述不准确。

C) “It is likely to embrace foreign cultures.”（它可能会接纳外来文化。）对应文段虽然提到互联网将曾经陌生的文化引入乡村，但并未强调乡村方面的“接纳”态度。

D) “It will become increasingly diversified.”（它将变得越来越多样化。）原文指出现实中的乡村生活一直在不断演变，但无论是分工细化，还是外来文化引入等，作者强调的重点都在于乡村不可

避免的“演变/改变”过程，且其变化方向是未知的（第7段：...but the future of the countryside is less clear）。因此“变得越来越多样化”这一表述不够准确。

50. D) It is less easy to envisage.

第一步：选取关键词

“名词优先”：the future of the countryside

第二步：定位关键词

第7段：As the world continues to urbanise, the voices calling for rural preservation may well grow louder. But change is inevitable. We know that the world is going to see new cities emerging from the dust and current cities growing into megacities, but the future of the countryside is less clear.

第三步：分析题干/文章

问题问的是「相对城市来说，作者如何看待乡村的未来？」原文最后一段通过转折信号 but 明确指出，城市地区将出现新城并发展成大都市，而「乡村的未来却不那么明朗（less clear）」。换言之，乡村的未来更加难以预测，因此本题选择 D 选项「它比较难以预见」。其中 envisage 表示「设想，展望」。

错误选项分析

A) “It is going to be harder for the locals.”（它对当地人来说会更艰难。）原文并未讨论当地人未来的具体困难，只是说乡村的未来不够明朗，难以预测，该选项属于过度推断。

B) “It is going to resemble that of cities.”（它会与城市的未来相似。）原文未提及乡村会变得像城市那样。

C) “It is less likely to stay static.”（它不太可能保持不变。）原文第5段提到乡村地区的变化不可避免（inevitable），“不太可能”的表述较轻，不够准确。

Passage Two

51. A) It has hardly ever been disputed.

第一步：选取关键词

“名词优先”：“beauty is in the eye of the beholder”

第二步：定位关键词

第1段：Statements, like “beauty is in the eye of the beholder(观看者),” are rarely questioned. They’ve become so embedded in our consciousness that people think it’s absurd to think otherwise. It might be useful, however, to at least push back on this assumption because people evaluate environment, situations,

and people aesthetically. We may find that we still believe it is correct, but we may also find that there is a lot more to the situation than you suppose.

第三步：分析题干／文章

问题问的是「文章如何评价“美与不美，全在观者”这一说法？」原文第1段开头便明确指出「像“美与不美，全在观者”这样的说法很少被质疑（are rarely questioned）。它们已经深植于我们的意识中，以至于人们认为反驳它们是荒谬可笑的。」由此可知，这一观点很少被质疑或争议。因此本题选择A选项「它几乎从未被质疑过」，其中disputed与questioned是一组同义替换，都表示「有争议的」。

错误选项分析

B) “It can be interpreted aesthetically.”（它可以从美学角度来解释。）原文提到人们会从美学角度评估环境和事物，但并未直接说明这一观点本身可以从美学角度来解释。

C) “Many people have found it absurd.”（许多人认为它荒谬。）原文说的是人们认为反对这一观点是荒谬的，而非认为这一观点本身荒谬。

D) “People have long been misled by it.”（人们长期以来被它误导。）原文未提及这一观点具有误导性。

52. C) There is less consensus on objects shaped by human craft.

第一步：选取关键词

“名词优先”：a recent study、aesthetic taste

第二步：定位关键词

第2段：A recent study exploring aesthetic taste was published in Cognition. The results from this study show that people agree very much in their aesthetic evaluation of natural objects, but they disagree more about artifacts, or human-made objects.

第三步：分析题干／文章

问题问的是「最近一项探讨审美品味的研究发现了什么？」原文第2段中提到了这项研究，并通过转折信号but指出了一个差异：「研究结果表明，人们对自然物体的审美评价高度一致，但对人工制品或人造物体的审美评价分歧较大（but they disagree more about artifacts, or human-made objects）。」此处disagree more about与C选项中的less consensus on都表达了「缺乏共识」的含义。因此C选项「人们更难对人工制品达成审美共识」准确对应原文信息，是本题的正确答案。

错误选项分析

- A) “Aesthetic tastes tend to differ from person to person.”（审美品味往往因人而异。）原文强调的是自然与人工制品的审美评价差异，而非个体间的普遍差异。
- B) “Natural beauty is rarely surpassed by artificial beauty.”（自然美很少被人工美超越。）原文并未比较自然美与人工美的高低，人们对人工制品的审美评价难以达成共识也不意味着人工美就一定不如自然美。
- D) “There is general agreement on what is pleasing to the eye.”（人们对赏心悦目的事物有普遍共识。）原文仅提到对自然物体的审美共识，未涵盖所有审美对象。

53. D) They come into people's view less often than natural spaces.

第一步：选取关键词

“名词优先”：aesthetic appraisal、artifacts

第二步：定位关键词

第3段：The study found that shared taste was most common for faces and natural landscapes, but least common among works of architecture and art. The hypothesis is the commonly pleasing features, like proportion or symmetry, are at work.

第4段：Preferences for natural scenes might be learned through life experiences. Factors like habitability, safety, and openness might be preferred as people develop. Some of the details of landscapes change, but the basics are more common, e.g., water, open spaces, and signs of care.

第5段：Art and architecture, unlike natural spaces, do not have the same level of exposure. So, people do not have the same level of shared taste.

第三步：分析题干／文章

问题问的是「为什么人们在人工制品的审美评价上存在差异？」梳理原文内容可知，前三段明确指出，研究发现人们对人工造物更难达成审美共识，也即存在较大分歧。接着第4段和第5段解释了原因：人们经常能看到自然景色，从而对其产生了某些共通的偏好。但「与自然空间不同，人们对艺术和建筑接触得并不多（do not have the same level of exposure）。因此，人们在这些方面的审美也难以产生共鸣。」因此D选项「比起自然空间，它们进入人们视野的频率较低」准确概括了这部分原文信息，是本题的正确答案。

错误选项分析

A) “They come out in a great variety of designs.”（它们的设计种类繁多。）原文未提及设计种类的多样性是造成审美分歧的原因。

- B) “They lead to varying behavioral consequences.”（它们导致不同的行为后果。）原文第6段提到作品风格元素（而非行为后果）也可能是造成审美分歧的原因，因此该选项与原文信息不符。
- C) “They take up much less natural space than landscapes.”（它们占用的自然空间比景观少得多。）原文未提及人工制品的空间占用问题。

54. B) It displays aesthetic traits in a similar way the world over.

第一步：选取关键词

“名词优先”：sunset

第二步：定位关键词

第8段：Nature exhibits some of the universal aesthetic features, such as radiance, in a common way throughout the world. It's not exactly the same everywhere, but it is common. For example, a sunset is similar enough in different places to warrant almost universal appeal.

第三步：分析题干／文章

问题问的是「日落的例子说明了自然界的什么特点？」原文第8段用到了日落的例子，指出自然界以相同的方式向世界各地展现了一些普遍的审美特质（exhibits some of the universal aesthetic features），虽非完全相同，但具有共性。「例如，各地的日落都极为相似，足以赢得几乎所有人的喜爱。」由此可知，日落属于自然界展示的具有审美共性的美。因此B选项「它在全世界以相似的方式展现一些审美特质」准确对应原文信息，是本题的正确答案。

错误选项分析

- A) “It creates a powerful appeal through its brilliant radiance.”（它通过耀眼的光辉产生强大的吸引力。）原文提到日落的例子，但并未强调其“耀眼的光辉”，因此通过“耀眼的光辉”而产生的“强大吸引力”也无据可依。
- C) “It embodies beauty with a wide array of aesthetic features.”（它以多样的审美特征体现美感。）原文未提及“多样的审美特征”，反而强调自然美中共性的存在。
- D) “It establishes the principles of beauty in a number of ways.”（它以多种方式确立美的准则。）原文说的是自然界展现了一些普遍的审美特质，在世界各地具有共性，并未讨论自然如何“确立美的准则”。

55. C) The way their creators apply the principle of beauty may not be pleasing to everybody.

第一步：选取关键词

“名词优先”：universal appeal

第二步：定位关键词

第9段：Possible universal principles of beauty—such as proportion, fittingness, radiance, and others—are general categories, which allow for a wide array of embodiments. When people get involved in making artifacts in architecture or art, they apply these very general concepts in unique ways. But the way they applied the principle may not have universal appeal.

第三步：分析题干/文章

问题问的是「为什么人工制品并非总是具有普遍吸引力？」原文第9段最后通过转折信号 but 指出，人们打造建筑或艺术作品时，会以独特的方式应用一些通用的审美准则，「但他们应用这些准则的方式可能并不具备普遍的吸引力」（But the way they applied the principle may not have universal appeal.）。换言之，「其创作者应用审美准则的方式可能并非人人喜欢」，因此本题选择 C 选项。

错误选项分析

A) “The appreciation of their beauty is not subject to objective standards.”（欣赏它们的美不受客观标准的约束。）原文第7段作者明确指出，人们的审美偏好或评价似乎存在一个客观依据（an objective ground），因此该选项与原文信息不符。

B) “The universal principle of beauty prevents a wide array of embodiments.”（美的通用准则导致美无法以多种形式展现。）对应文段首句明确指出，可能存在一些通用的审美准则，不过这不妨碍美可以有丰富多样的表现形式（which allow for a wide array of embodiments），因此该选项与原文信息不符。

D) “Their creators interpret the universal principle of beauty each in their preferred way.”（其创作者以各自偏好的方式诠释美的通用准则。）对应文段的确提到创作者会以独特的方式应用通用的审美准则。但本题问的是“人工制品并非总是具有普遍吸引力”的原因，显然创作者的独特应用方式本身并非直接原因，部分受众并不喜欢其应用方式才是关键所在，因此该选项答非所问。

Part IV Translation

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

遨游太空历来是中华民族的梦想。2003年，神舟五号飞船发射成功，杨利伟成为第一个飞入太空的中国宇航员。2008年，神舟七号升空，翟志刚成为中国历史上首位进行太空行走的宇航员。近年来，中国航天进入创新发展“快车道”，太空基础设施建设稳步推进，中国空间站于2022年全

面建成。中国航天事业的迅速发展在中华民族的历史上写下了辉煌的一页，也为人类文明进步做出了巨大贡献。未来，中国探索太空的脚步将迈得更稳、更远。

原文分析

这段文字简单描述「中国航天事业」的发展历程及对人类文明进步的贡献，从内容上看属于社会发展类话题。通过快速浏览原文，我们可以确定，译文涉及的时态比较多，需逐句分析。

关键词汇

遨游太空	travel to/roam in space	中国空间站	the Chinese Space Station
神舟五号飞船	Shenzhou V spacecraft	全面建成	fully complete
发射	launch	中国航天事业	China's aerospace industry
宇航员	astronaut	写下一页	write a chapter
神舟七号	Shenzhou VII	辉煌的	brilliant; glorious
升空	launch; lift-off	人类文明	human civilization
太空行走	spacewalk	做出贡献	make contributions to
进入快车道	enter a fast lane	探索太空	space exploration
基础设施	infrastructure	稳（的）	stable
稳步推进	steady progress; steadily advance	迈得更远	reach farther

汉英翻译

1. 遨游太空历来是中华民族的梦想。

主语为“遨游太空”，宜处理为动名词短语做主语的形式，即“traveling to space”或“roaming in space”，“历来是”译作“has always been”。

参考翻译：Traveling to space has always been a dream of the Chinese nation.

2. 2003 年，神舟五号飞船发射成功，杨利伟成为第一个飞入太空的中国宇航员。

该句共由两个短句组成。翻译时可调整句意为“神舟五号飞船的成功发射使得杨利伟成为第一个飞入太空的中国宇航员”。时态方面，句子陈述的是 2003 年发生的客观事实，故时态应为一般过去时。

语言方面，“神舟五号飞船”译作“Shenzhou V spacecraft”，“发射成功”译成形容词加名词的形式，即“successful launch”，“第一个飞入太空的中国宇航员”翻译为“the first Chinese astronaut to fly into space”。

参考翻译：In 2003, the successful launch of the Shenzhou V spacecraft made Yang Liwei the first Chinese astronaut to fly into space.

3. 2008 年，神舟七号升空，翟志刚成为中国历史上首位进行太空行走的宇航员。

该句共由两个短句组成，句式同上一句话类似。翻译时既可考虑与上一句一样合并译作一句话，也可以译成 and 连接的并列句，时态为一般过去时。

语言方面，“神舟七号”即“Shenzhou VII”，“升空”可译作“launch / lift-off”，“中国历史上首位进行太空行走的宇航员”翻译为“the first astronaut in Chinese history to perform a spacewalk”。

参考翻译 1：In 2008, Shenzhou VII was launched, and Zhai Zhigang became the first astronaut in Chinese history to perform a spacewalk.

参考翻译 2：In 2008, Zhai Zhigang became the first astronaut in Chinese history to conduct a spacewalk with the lift-off of Shenzhou VII.

4. 近年来，中国航天进入创新发展“快车道”，太空基础设施建设稳步推进，中国空间站于 2022 年全面建成。

该句共由三个短句组成。根据句意，短句二和三可以理解为是“中国航天进入创新发展‘快车道’”的具体表现，故在翻译时可以对短句进行主次之分，如将短句一译作主句，再将短句二处理为 with 的复合结构，表示伴随的状态，最后再将短句三译成由 leading to 现在分词短语来做结果状语，或者单独成句。

语言方面，“中国航天”即“中国航天事业”，译作“China’s aerospace industry”，“进入创新发展的‘快车道’”译作“entered a fast lane of innovative development”，也可以理解为“进入快速创新发展期”，翻译为“enter a period of rapid innovation and development”；“太空基础设施”译作“space infrastructure”，“稳步推进”既可以译作动词短语“steadily advance”，也可以译作名词短语“steady progress”；“中国空间站”为一个专有名词，翻译为“the Chinese Space Station”，“全面建成”根据句子表达需要，既可以译成动词短语“fully complete”，需使用被动语态，也可以翻译成名词短语“comprehensive completion”。

参考翻译 1: In recent years, China's aerospace industry has entered a period of rapid innovation and development, with the construction of space infrastructure steadily advancing. The Chinese Space Station was fully completed in 2022.

参考翻译 2: In recent years, China's aerospace industry has entered a period of rapid innovation and development, with steady progress in the construction of space infrastructure, leading to the comprehensive completion of the Chinese Space Station in 2022.

5. 中国航天事业的迅速发展在中华民族的历史上写下了辉煌的一页，也为人类文明进步做出了巨大贡献。

该句共由两个短句组成，且主语都为“中国航天事业的迅速发展”，两个短句构成并列关系，可译成由连词 and 连接的并列句。语言方面，“在……上写下辉煌的一页”译作“write a brilliant chapter in sth.”，“为……做出巨大贡献”译作“make significant contributions to sth.”，“人类文明的进步”即“the progress of human civilization”。

参考翻译: The rapid development of China's aerospace industry has written a brilliant chapter in the history of the Chinese nation and has made significant contributions to the progress of human civilization.

6. 未来，中国探索太空的脚步将迈得更稳、更远。

“未来”一词提示时态应为一般将来时，“中国探索太空的脚步”中核心名词为“脚步”，译作“China's steps in space exploration”，“迈得更稳、更远”中“更”暗含比较级，译作“become more stable and reach farther”。

参考翻译: In the future, China's steps in space exploration will become more stable and reach farther.

参考译文

Traveling to space has always been a dream of the Chinese nation. In 2003, the successful launch of the Shenzhou V spacecraft made Yang Liwei the first Chinese astronaut to fly into space. In 2008, Shenzhou VII was launched, and Zhai Zhigang became the first astronaut in Chinese history to perform a spacewalk. In recent years, China's aerospace industry has entered a fast lane of innovative development, with steady progress in the construction of space infrastructure, leading to the comprehensive completion of the Chinese Space Station in 2022. The rapid development of China's aerospace industry has written a brilliant chapter in the history of the Chinese nation and has made significant contributions to the progress

of human civilization. In the future, China's steps in space exploration will become more stable and reach farther.

2024 年 12 月六级真题（第三套）

Part I Writing (30 minutes)

Directions: For this part, you are allowed 30 minutes to write an essay that begins with the sentence “College provides a great opportunity for students to explore various possibilities and find the right path for themselves.” You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words. (You should copy the sentence given in quotes at the beginning of your essay.)

Part II Listening Comprehension (30 minutes)

本次六级考试全国共考了两套听力，故本套不再重复。

Part III Reading Comprehension (40 minutes)

Section A

Directions: In this section, there is a passage with ten blanks. You are required to select one word for each blank from a list of choices given in a word bank following the passage. Read the passage through carefully before making your choices. Each choice in the bank is identified by a letter. Please mark the corresponding letter for each item on **Answer Sheet 2** with a single line through the centre. You may not use any of the words in the bank more than once.

With the rapid progress in the economy, it is natural that people's ideology is bound for change. Being 26 is no longer a virtue to some people, and they are not alone in holding this view. Each might have different viewpoints on how to lead one's lifestyle; some prefer simplicity, some love luxuries, some spend 27, some accumulate as much as they can like a country mouse. As I was born poor and in the countryside, the simple rural life seldom loses its 28 to me, but as my station changes, I have an opportunity to 29 with the newly rich, an experience which has revolutionized my view of lifestyle.

It is evil or sinful to spend little and to save much, an idea only recently being revealed to me. Actually the whole world is in a 30 to borrow and to spend, with the USA leading the trend. The USA is still the richest and most powerful country in the world, but the 31 is that they borrow money from us. Though a 32 of economics, at least I know that investing with borrowed money will turn the borrower into the 33 rather than the decent and kind lender. An apparent case is real estate. Those who are 34 and have got loans from the bank become relatively rich by selling their purchased home at a price several folds higher. Even education is not immune from this theory. Many of those poor parents who have the vision to send their children to college have benefited from this investment, even though

they have to 35 a living. It is reasonable to conclude that spending is praiseworthy, supposing it is not beyond your means.

A) appeal	E) layman	I) meadow	M) scrape
B) extravagantly	F) literally	J) mingle	N) shrewd
C) intrinsically	G) majestic	K) predator	O) thrifty
D) irony	H) malicious	L) rage	

Section B

Directions: In this section, you are going to read a passage with ten statements attached to it. Each statement contains information given in one of the paragraphs. Identify the paragraph from which the information is derived. You may choose a paragraph more than once. Each paragraph is marked with a letter. Answer the questions by marking the corresponding letter on **Answer Sheet 2**.

Are forgotten crops the future of food?

[A] On a small fruit farm near the Straits of Malacca, Lim Kok Ann is down to just one tree growing kedondong, a crunchy, sour berry that Malaysians mostly use in *pickles* (腌菜) and salads. “It’s not very well-known,” says the 45-year-old, who is instead focusing on *longan* (龙眼) berries and pineapples, which have bigger markets. “We have to grow what is profitable,” he says.

[B] But less than an hour away in the Malaysian countryside, inside three giant, silver domes, scientists are trying to change the future of food. They’re pushing the boundaries of what humans eat by growing and processing so-called ‘alternative’ crops—such as kedondong. At the headquarters of global research centre Crops For the Future (CFF) this particular under-used fruit has been turned into a sugar-free juice, high in vitamin C and getting top marks in sensory evaluations. “Anything you see here is a forgotten crop,” says Sayed Azam-Ali of the abundant plants weaving through the gardens of CFF outside Malaysia’s capital Kuala Lumpur.

[C] Prof Azam-Ali explains that just four crops—wheat, maize, rice and soybean—provide two-thirds of the world’s food supply. “We’re dependent on these four,” he says. “But actually there’s 7,000 crops we’ve been farming for thousands of years. We ignore all of those.” Researchers are trying to unlock the potential of these ignored crops—plants they describe as forgotten, under-used or ‘alternative’ as they are displaced by increasingly uniform diets fuelled by processed ingredients from the major crops.

[D] It’s a timely quest. The food sector is already responsible for nearly a third of global greenhouse gas emissions. By 2050 it estimates the world must produce 50% more food to feed the projected global

population of 10 billion. Meeting this demand without contributing to climate change calls for urgent solutions.

[E] Forgotten crops hold key answers. By investing in neglected local plants, countries can reduce their reliance on imported crops and their carbon-heavy supply chains. Bringing back the variety of crops humans once ate also boosts food security at a time warming climates threaten existing crops. On top of that forgotten crops are among the most *climate-resilient* (具有气候韧性的) and nutritious, argues Azam-Ali. His summary is plain: “Dietary diversification is critical to the future of humanity.”

[F] Food security experts agree. “There is no food insecurity in the world, there is food ignorance,” says Cecilia Tortajada, a senior research fellow at the Institute of Water Policy at the National University of Singapore. “Whenever we have native crops we tend to disregard them as if they were not valuable but they are,” she adds.

[G] Azam-Ali knows that scepticism firsthand. He came across alternative crops in the 1980s through the work of women farmers he met in Niger. The then-PhD student remembers marvelling at the crops they grew in their backyards, without the benefits of technology, to feed their families when the big crops failed. He saw a tremendous opportunity to build alternative food systems. But “the resistance was enormous”, he recalls.

[H] Undeterred, he ploughed on. Project after project helped prove these crops were viable in different environments as alternatives to the staple ones. But the question of whether these crops would be marketable remained. “That’s the critical thing,” he says. In one of the centre’s domes, food technologist Tan Xinlin uses powdered *moringa* (辣木) leaves in place of some wheat flour to bake a cake lower in *gluten* (谷胶) and higher in nutrients. Tan’s job is to create recipes with these still-unfamiliar ingredients that will appeal to both local and international tastes. In recent years she has used some of the forgotten crops grown at CFF, such as moringa and bambara groundnut, to make everything from instant soup to Indian snacks. “I try to modernise forgotten crops instead of using old recipes”, says Tan, who is also a trained chef. It’s a strategy to appeal to the world’s growing middle class who are increasingly turning to the fast and processed food industries. It’s also a way to help counter perceptions of local crops as “old or poor people’s food” or as inferior “women’s crops”, adds Tan.

[I] The roots of these connotations about local foods can run deep. The bambara groundnut, a protein-rich native crop of sub-Saharan Africa that is also grown in parts of southeast Asia, can trace its marginalisation to colonial rule. “African women who grew bambara groundnut were actually punished for growing it”, says Azam-Ali. “Colonial powers said you can’t grow it because there’s no oil. We can’t get a market for it”. But today the bambara murukku is one of CFF’s best-reviewed foods and they are aiming to get it into grocery stores, pointing to the success of crops like quinoa to potential investors.

Some 30 years ago, quinoa was virtually unheard of outside its native mountains in Bolivia and Peru. Today the nutritious grain is found on the menus of lavish restaurants across the world.

[J] Measuring crops by nutrition instead of yield is at the heart of the forgotten foods enterprise. Ever since the “green revolution” of the 1960s, high-yielding crops have dominated modern agriculture. That was in part a crucial response to devastating famines at a time when the world needed to increase its food supply. Today “nutrition is becoming a time bomb”, says Azam-Ali, as growing carbon dioxide levels strip crops of their minerals. Instead of bio-fortifying major crops we should be investing in those forgotten crops that are already more nutritious, he asserts.

[K] In the bowels of CFF’s third dome, lab manager Gomathy Sethuraman opens a window into the centre’s “crown jewels”, revealing vines of winged beans growing under a bright yellow light. It’s one of three chambers where scientists are studying the impact of higher temperatures and carbon dioxide levels on the nutritional make-up of alternative crops. This research is “the game changer”, says Azam-Ali, ensuring that “future foods” are also the healthiest ones in warmer climates.

[L] There is a growing global momentum around forgotten foods, says Danielle Nierenberg, president of Food Tank, a US-based think tank. Other than CFF, which bills itself as the world’s first research centre dedicated solely to under-utilised crops, there are other key groups championing agricultural diversity including Crop Trust, Slow Food, Icrisat and Bioversity International. Add to that more middle-income consumers searching for nutritious foods and others eager to try the unprocessed foods their grandparents once ate, she says.

[M] But the rising interest in forgotten foods in some quarters is overtaken by the global spread of Western-style diets heavy in sugar, fat and processed foods in others.

[N] A key obstacle to promoting fading local crops in Malaysia, for example, is “the obsession with imported products”, says Jenifer Kuan, co-founder of a restaurant that champions locally-sourced food in an affluent suburb of Kuala Lumpur. Customers at Sitka, regarded as the pioneer in the country’s small farm-to-table dining scene, still seek foreign ingredients as a “status symbol”, she says.

[O] The argument for forgotten foods feels intuitive. Some analysts say it is in fact inevitable. “Climate change is going to mean almost certainly tastes are going to be forced to change,” says Tim Lang, professor of food policy at City University of London. We “have to get used to eating other crops” as yields of staple crops fall, he says.

36. According to a senior researcher, we will have secure food supply if we rid ourselves of ignorance about native crops.

37. Most of the world’s food supply comes from a tiny number out of thousands of crops that have been grown for centuries.

38. To provide their family with food when the staple crops failed, some African women farmers grew local crops in their backyards.
39. High-yielding crops have occupied a dominant position in modern agriculture since the green revolution in the last century.
40. Growing alternative crops proved feasible in a variety of environments, but the critical question was whether they would be marketable.
41. According to a professor, when the yields of staple crops fall, we will have to adapt to eating foods from alternative crops.
42. Urgent measures have to be taken to provide food for the projected world population without aggravating the climate.
43. Colonial rule marginalised local crops by punishing Africans who grew them.
44. As existing crops are endangered by global warming, we can increase food security by bringing back the many forgotten food crops.
45. Researchers are trying to find out how higher temperatures and CO₂ levels affect the nutritional composition of alternative crops.

Section C

Directions: *There are 2 passages in this section. Each passage is followed by some questions or unfinished statements. For each of them there are four choices marked A), B), C) and D). You should decide on the best choice and mark the corresponding letter on Answer Sheet 2 with a single line through the centre.*

Passage One

Questions 46 to 50 are based on the following passage.

Imagine you're an alien sent to Earth to document the behaviour of the mammals inhabiting the planet. You stumble into a movie theatre that's showing the latest Hollywood horror film.

Several dozen humans are gathered together in a dark, undecorated room. They're all staring at a rectangular area on which patterns of light change rapidly.

They are clearly in a state of high arousal. Their heart rate is elevated, they occasionally glance around nervously, and they sometimes jump collectively in their seats, and emit high-pitched warning calls.

Eventually, the lights come up and the rectangular screen goes black. The humans stand up and leave the room, chatting and laughing, and showing signs of pleasure.

Why do these humans voluntarily expose themselves to what appears to be a deeply unpleasant experience? And why do they react so strongly to those patterns of light on a screen?

I am fascinated by the paradox of horror—the strange fact that many people seek out scary entertainment.

I think the answer to the puzzle lies in human nature.

My research suggests that we humans evolved to find pleasure in situations that allow us to experience negative emotions in a safe context. You can see these elements of horror in children's games. Take hide-and-seek for example, which is a simulation of a predator-prey interaction. The kid hides and the adult pretends to be a predator, searching for the child while howling like a dangerous beast.

This simulation gives the child crucial information about how to avoid becoming prey, and children tend to find that kind of activity deeply satisfying, presumably because it gives them a safe experience of a potentially catastrophic scenario.

They find it pleasurable, and pleasure is evolution's way of motivating us toward adaptive behaviour.

Horror is pleasurable to many people because it lets us play with negative emotions and develop coping strategies. We learn what it feels like to be truly afraid, and we learn how to handle negative emotion.

How, then, does horror work? My research suggests that horror works by exploiting an ancient set of biological defense mechanisms—an evolved fear system, which we share with other animals. But humans are uniquely imaginative, and we use our evolved imagination to travel into virtual worlds that are full of danger.

There are good reasons for watching a horror film, even if you're not a loyal horror fan. If you make it through the film in one piece, you'll probably experience a strong sense of mastery, a sense that you are able to make it through an appalling experience. Anyway, watching a horror film makes you better at handling your own fear, and who knows when that will become critically relevant?

46. The alien finds the audience in the movie theatre clearly in a state of _____.

- A) total mindfulness
- B) extreme excitement
- C) spiritual elevation
- D) intense curiosity

47. Why do many people seek out scary entertainment, according to the author's research?

- A) They gain experience in overcoming horror in real life.
- B) They find joy in going through simulated horrible experiences.

- C) They have learned from hide-and-seek as kids the thrill involved.
D) They have evolved to gain pleasure in escaping life-threatening situations.
48. What do children learn from hide-and-seek?
- A) How to avoid falling prey to an attacker.
B) How to simulate a predator-prey interaction.
C) How to keep themselves from catastrophic errors.
D) How to turn a dangerous scenario into a safe one.
49. Why is horror gratifying to many people?
- A) It reminds them of an ancient set of biological defence mechanisms.
B) It triggers their imagination to travel into dangerous virtual worlds.
C) It allows them to learn what fear feels like and how to tackle it.
D) It activates their evolved fear system and their unique fantasy.
50. What will one experience if they watch a horror film through without being hurt?
- A) A strong sense of clear relevance.
B) A profound sense of good fortune.
C) A profound sense of intense relief.
D) A strong sense of being in control.

Passage Two

Questions 51 to 55 are based on the following passage.

An awakening has been taking place in the physical world against the beauty model that has been dictated to us for years. But in the digital arena, social media determines what is considered beautiful.

The two opposing struggles are taking place in parallel. In the physical world, the struggle goes against the underlying pressure exerted on women to conform to an unrealistic beauty ideal. As part of the struggle, various media outlets have presented women whose bodies don't correspond to the so-called ideal. All those women who had previously been excluded from the covers of magazines, television series and the public agenda, have become "legitimate." At the same time, a group of influencers have begun to upload to social media photos of themselves without makeup, and even photos in which they highlight supposed flaws.

Technology has reshaped our beauty ideal and is doing a great job communicating that message to the masses. One of the bizarre legacies of the past decade is the popularity of the "cyborg look," which illustrates what Americans will look like in 2050.

The cyborg look spread rapidly. Today, however, the Instagram face has become the new beauty ideal.

The internalization of accepted beauty norms is much more effective when there is active involvement in the learning process. The active involvement of users is reflected in the *gamified* (游戏化的) interaction offered by the social media platforms—the ability to like, write a comment, compare, share.

Once the desired beauty ideal has been internalized, users are given tools or features to change their appearance to suit the accepted beauty ideal such as editing the image, choosing the ideal filter, the right background.

A survey conducted in the United States revealed that more than 50% filter the images before posting them. And you will not be surprised to hear that the majority of them are women. One of the significant consequences of obsessive filtering is the emerging tendency to treat oneself as an object to be observed and valued, in the same way another person observes and judges from the side.

The effect of the filters is already far beyond amiable amusement. The filters and the entire game played on the networks affect the mental health of the users. According to a study, apps like Instagram, Snapchat, and FaceTune allow users to achieve a level of perfection that was previously only observed in beauty magazines.

Even though humanity has always cherished beauty, in the last decade our obsession with looks has reached an unprecedented peak. The time spent on social media creates an urge to achieve an impossible beauty ideal so powerful that the only thing that can fix it is not cosmetic intervention, but mental health care.

51. What do we learn about beauty in the digital arena?

- A) It dictates the taste of digital media.
- B) It has been in the making for years.
- C) It has ushered in a new awakening.
- D) It is defined by social media.

52. What does the passage say about beauty in the physical world?

- A) Women are under constant pressure to keep up with beauty models.
- B) Women are encouraged to pursue a beauty ideal that has never existed.
- C) A fight is going on to remove pressure on women to conform to an absurd beauty ideal.
- D) Media outlets have begun to present as beauty models trendy women without any makeup.

53. What do we learn from the passage about the Instagram face?

- A) It is now regarded as the new beauty ideal.
- B) It is what most women will go after in 2050.
- C) It is being much talked about on social media.

D) It is a perfect illustration of the ultimate beauty.

54. What has obsessive filtering resulted in?

A) A good many women striving to reach an impossible level of perfection.

B) An urge to turn the entire game played on the network to one's advantage.

C) A tendency to regard one's body as an object of observation and judgment.

D) An increasing number of women filtering their images before uploading them.

55. What does the author want to emphasize at the end of the passage regarding Americans' obsession with looks?

A) Cosmetic surgery should be made more accessible to the masses.

B) Psychological intervention should be introduced to alleviate it.

C) Their time spent on social media should be strictly controlled.

D) Its root cause should be meticulously examined and analyzed.

Part IV Translation (30 minutes)

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English.

You should write your answer on **Answer Sheet 2**.

北斗 (Beidou) 卫星导航系统的成功研制是中国自改革开放以来取得的一项重大科技成就。研发人员经过不懈努力，攻克了一系列技术难题，北斗系统最终实现了全球覆盖和高精度定位，使中国成为世界上少数几个独立拥有全球卫星导航系统的国家之一。北斗系统已广泛应用于交通运输、灾害救援、天气预报、公共安全等诸多领域。北斗系统现在已经在国际上得到广泛认可，开始为越来越多的国家和地区提供优质服务。

2024 年 12 月六级真题解析（第三套）

Part I Writing (30 minutes)

Directions: For this part, you are allowed 30 minutes to write an essay that begins with the sentence “College provides a great opportunity for students to explore various possibilities and find the right path for themselves.” You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words. (You should copy the sentence given in quotes at the beginning of your essay.)

审题分析：

从**体裁**上看，这道题考查的是六级写作中考频较高的**论说文**，要求我们以“**大学为学生提供了一个很好的机会去探索各种可能性，并为自己找到正确的道路。**”为开头句进行写作。从**话题**上看，这道题考察是**大学**这个话题。另外题目中也明确规定“你可以发表评论，引用例子，或者使用你个人的经历来展开写作”。

需要注意的是：在书写时，可以先简单理解下这句话的意思，这句话旨在强调大学给我们提供了各种各样的课程和活动，会接触到不同的老师和同学，让我们在学习和交往中发现自己的兴趣爱好，找到自己擅长的领域，探索出自己的学术方向或职业道路。因此，在书写主体段的时候，我们将这点阐述清楚就可以了。本范文参考「**文字描述型作文：利弊影响类**」的框架模板进行书写。

写作提纲：

1. 开头段引出话题背景、回应写作任务

- ①引出话题背景：大学为学生提供了探索各种可能性的机会，并找到正确的道路
- ②回应写作任务：大学是人生一个独特的阶段，创造了一个有利于探索和自我发现的环境

2. 主体段详细阐述：大学是如何帮助我们探索可能性以及找到正确的道路

- ①为学生提供广泛的学术选择和学习机会，去探索兴趣并找到自己擅长的领域
- ②为个人成长和发展提供了一个平台，通过参加活动来发展技能，找到自己的优势

3. 结尾段再次强调主题，同时提出建议措施

- ①再次强调主题：大学不仅仅是获取知识的地方，也是自我发现和个人发展的地方
- ②提出建议措施：大学生应该抓住机会，发掘自己的潜力

范文写作:

①College provides a great opportunity for students to explore various possibilities and find the right path for themselves. ②**From my perspective**, university is a unique phase in life where students are exposed to a diverse range of subjects, ideas, and people, creating an environment conducive to exploration and self-discovery.

③**First of all**, universities offer students a wide range of academic choices and learning opportunities, enabling them to engage with diverse fields of study and knowledge. ④This helps students explore their interests and discover areas where they may excel or be passionate about. ⑤**Moreover**, universities also provide a platform for personal growth and development. ⑥Students can develop their skills and abilities in all aspects by participating in various extracurricular activities. ⑦Such experiences allow them to gain a clearer understanding of themselves, recognize their strengths and weaknesses, and ultimately find a suitable career direction or life path.

⑧**As discussed above, we could conclude that** university is not just about acquiring knowledge but also about self-discovery and personal development. ⑨**Therefore**, students should seize the opportunities to explore their potential, uncover their passions, and pave the way for a fulfilling future.

范文点评:

①开头段直接摘抄题干中的原句来引出话题背景。「provide a great opportunity for sb. to do sth.」意思是「为某人提供了一个很好的机会去做某事」。

②该句套用引出观点的功能句型「From my perspective, ...」来评价这一现象, 回应写作任务, 意为「在我看来,」。「where」引导定语从句, 修饰前面的名词「phase 阶段」, 「be exposed to」意为「接触到」, 「a diverse range of」意为「各种各样的」, 「conducive to exploration and self-discovery」为形容词短语做后置定语, 修饰前面的名词「environment」, 其中「conducive to」表示「有助于, 有利于」的意思。

③该句利用衔接手段「first of all 首先」开头。「a wide range of」意思是「广泛的, 各种各样的」, 「enabling them to...」这部分为现在分词短语做伴随状语, 「engage with」即「与.....接触」。

④该句对前文做进一步的解释说明。「this」指代前一句话, 「explore interests」即「探索兴趣」, 「where」引导定语从句, 修饰前面的名词「areas 领域」, 「excel」为动词, 意思是「擅长, 善于」, 「be passionate about」意为「热衷于.....」。

⑤该句利用衔接手段「moreover 此外」开头。「provide a platform」意思是「提供一个平台」。

⑥该句对前文做进一步的解释说明。「develop their skills and abilities in all aspects」翻译为「发展他们各方面的技能和能力」。

⑦该句紧承上句而来。「gain a clearer understanding of」意为「对……有更清晰的认识」，「recognize strengths and weaknesses」意为「认识到优势和劣势」。

⑧结尾段第一句话套用功能句型「As discussed above, we could conclude that ...」再次强调主题，意为「如上所述，我们可以得出这样的结论：……」。

⑨该句通过提建议措施进行展望号召。「seize the opportunities to do」意思是「抓住机会去做某事」，「explore one's potential」意为「发掘潜能」，「uncover one's passions」意为「找到某人的激情」，「pave the way for sth.」意为「为……铺平道路」，「fulfilling」为形容词，意思是「令人满足的，使人有成就感的」。

关键词汇：

phase *n.* 阶段，时期

be exposed to 接触到，暴露于

a diverse range of 各种各样的

conducive to 有助于，有利于

self-discovery *n.* 自我发现

engage with 与……接触

excel *v.* 擅长，善于

passionate *adj.* 狂热的；热诚的

in all aspects 在各个方面

extracurricular *adj.* 课外的

gain a clearer understanding of 对……有更清晰的认识

strengths and weaknesses 优势和劣势

ultimately *adv.* 最终

suitable *adj.* 合适的

seize the opportunities 抓住机会

uncover *v.* 发现，找出

pave the way for 为……铺平道路

fulfilling *adj.* 令人满足的，使人有成就感的

范文翻译：

大学为学生提供了一个很好的机会去探索各种可能性，并为自己找到正确的道路。在我看来，大学是人生一个独特的阶段，学生们可以接触到各种各样的学科、思想和人，创造一个有利于探索和自我发现的环境。

首先，大学为学生提供广泛的学术选择和学习机会，使他们能够接触到不同的学习和知识领域。这有助于学生探索他们的兴趣，发现他们可能擅长或热衷的领域。此外，大学也为个人成长和发展提供了一个平台。学生可以通过参加各种课外活动来发展他们各方面的技能和能力。这样

的经历让他们对自己有更清晰的认识，认识到自己的优势和劣势，最终找到适合自己的职业方向或人生道路。

如上所述，我们可以得出这样的结论：大学不仅仅是获取知识的地方，也是自我发现和个人发展的地方。因此，学生应该抓住机会，发掘自己的潜力，找到自己的激情，为充实的未来铺平道路。

Part II Listening Comprehension

本次六级考试全国共考了两套听力，故本套不再重复。

Part III Reading Comprehension

Section A

词性分析：

名词：appeal（呼吁，恳求；上诉；吸引力）、irony（讽刺，讽刺意味；反语）、layman（门外汉，非专业人员）、meadow（草地，牧场）、predator（捕食者，掠夺者）、rage（愤怒，狂怒）、scrape（擦伤，擦痕；刮擦声）

动词：appeal（吸引；呼吁；上诉）、mingle（混合；应酬，交际）、rage（发脾气，大怒；激烈进行；迅速蔓延）、scrape（刮，擦；勉强维持，艰难凑集）

形容词：extravagantly（奢侈地，浪费地）、intrinsically（本质地，固有地）、irony（铁的；含铁的；似铁的）、majestic（宏伟的，壮丽的）、malicious（恶意的，怀恨的）、shrewd（精明的，敏锐的）、thrifty（节俭的，节约的）

副词：extravagantly（奢侈地，浪费地）、intrinsically（本质地，固有地）、literally（字面上地；确实地；简直）

26. (O) thrifty

Being 26 is no longer a virtue to some people, and they are not alone in holding this view.

分析句子结构可知，第26空位于动名词being之后，作句子的主语；后面接is，形成系表结构。因此空格处需填入一个形容词或分词形式的词来描述某种品质或状态。结合句意“26对一些人来

说不再是一种美德，而且持这种观点的人并不在少数”可知，O 选项 thrifty（节俭的）填入后句意通顺，符合上下文语境，表示人们消费观念的变化。

27. (B) extravagantly

Each might have different viewpoints on how to lead one's lifestyle; some prefer simplicity, some love luxuries, some spend 27, some accumulate as much as they can like a country mouse.

第 27 空位于动词 spend 之后，作状语修饰 spend，描述花费的方式，因此空格处应填入副词。对比副词选项可知，B 选项 extravagantly（奢侈地）最符合句意，与后文“也有人像田鼠囤粮一样尽可能积攒财富”形成对比，表示一些人“挥霍无度”。

28. (A) appeal

As I was born poor and in the countryside, the simple rural life seldom loses its 28 to me, but as my station changes, I have an opportunity to 29 with the newly rich, an experience which has revolutionized my view of lifestyle.

第 28 空位于 loses its 之后，需要填入名词作宾语。在可选的名词中，A 选项 appeal（吸引力）填入后，构成 lose its appeal（失去吸引力）惯用表达，同时句意为“简朴的乡村生活几乎不会对我失去吸引力”，与前文描述的出身贫困和乡村背景相符，语义通顺。因此本题选择 A 选项。

29. (J) mingle

As I was born poor and in the countryside, the simple rural life seldom loses its appeal to me, but as my station changes, I have an opportunity to 29 with the newly rich, an experience which has revolutionized my view of lifestyle.

第 29 空位于 to 之后，与 have an opportunity 构成搭配，作句子的宾语部分，因此空格处需填入动词原形。空格处所在的部分句意为“……但随着我的身份发生变化，我得以与新富阶层 29，这段经历彻底改变了我对生活方式的看法”；再结合前半句提到的乡村出身背景，可知此处填入 J 选项 mingle（混合；应酬，交际）最为恰当，表示“得以与新富阶层来往/接触”。

30. (L) rage

Actually the whole world is in a 30 to borrow and to spend, with the USA leading the trend.

第 30 空位于 in a 之后，需要填入一个辅音开头的名词。根据句意“全世界都在借钱和消费，而美国正是这一风潮的引领者”可以推知，此处填入 L 选项 rage（狂热）构成 in a rage（处于狂热中）惯用表达，表示“全世界都在疯狂地借钱和消费”，语义通顺，符合逻辑。

31. (D) irony

The USA is still the richest and most powerful country in the world, but the 31 is that they borrow money from us.

第31空位于定冠词the之后，需填入一个名词作主语。该句描述了一个矛盾现象，即“美国仍然是世界上最富有、最强大的国家，但他们却向我们借钱”。由此可知，此处填入D选项irony（讽刺）最为贴切，突出“最富有”和“借钱”的对比反差，符合逻辑和语境。

32. (E) layman

Though a 32 of economics, at least I know that investing with borrowed money will turn the borrower into the 33 rather than the decent and kind lender.

第32空位于不定冠词a之后，需填入一个辅音开头的名词。根据“虽然……但至少我知道……”的句意可以推断，此处应当是作者的自谦表述。因此E选项layman（门外汉，外行）最符合语境，表示“虽然在经济学方面我是个外行”。

33. (K) predator

Though a layman of economics, at least I know that investing with borrowed money will turn the borrower into the 33 rather than the decent and kind lender.

第33空位于定冠词the之后，需填入一个名词，与into搭配，作turn的宾语补足语。根据后半句“而不是正直善良的贷款人”可以反推，空格处应当是指“用借来的钱投资会使借款人变成掠夺者”，也即K选项predator（掠夺者）最符合语境，表达借贷投资的负面影响。

34. (N) shrewd

Those who are 34 and have got loans from the bank become relatively rich by selling their purchased home at a price several folds higher.

第34空位于be动词are之后，作句子的表语，修饰those，因此需要填入一个形容词。该句意为“那些34人向银行贷款，然后再以数倍于原价的价格出售所购房产，变得小有财富。”由此可知，选项中只有形容词shrewd最为贴切，表示这类善于抓住财富机会的人是“精明的/敏锐的”，语义通顺，逻辑连贯。因此本题选择N选项。

35. (M) scrape

Many of those poor parents who have the vision to send their children to college have benefited from this investment, even though they have to 35 a living. It is reasonable to conclude that spending is praiseworthy, supposing it is not beyond your means.

第 35 空位于 have to 之后，与 a living 构成搭配，作句子的宾语部分，因此空格处需填入动词原形。根据前文“许多有远见的贫困父母将子女送进大学”的语境，可以推测空格处所在半句的句意应当接近“尽管他们不得不勉强维持生计”。而在选项中，M 选项 scrape（勉强维持）正符合此处语法和语义，scrape a living 就表示“勉强糊口，勉强维持生计”。

Section B

36. F

第一步：选取关键词

“名词优先”：a senior researcher、secure food supply、ignorance about native crops

“动形其次”：rid ourselves of

第二步：定位关键词

[F] Food security experts agree. “There is no food insecurity in the world, there is food ignorance,” says Cecilia Tortajada, a senior research fellow at the Institute of Water Policy at the National University of Singapore. “Whenever we have native crops we tend to disregard them as if they were not valuable but they are,” she adds.

第三步：寻找同义替换

题干 / 原文：

a senior researcher / a senior research fellow

secure food supply / there is no food insecurity

rid ourselves of ignorance about native crops / disregard them as if they were not valuable

37. C

第一步：选取关键词

“名词优先”：most of the world’s food supply、a tiny number、thousands of crops

“动形其次”：grown for centuries

第二步：定位关键词

[C] Prof Azam-Ali explains that just four crops—wheat, maize, rice and soybean—provide two-thirds of the world’s food supply. “We’re dependent on these four,” he says. “But actually there’s 7,000 crops we’ve been farming for thousands of years. We ignore all of those.” Researchers are trying to unlock the

potential of these ignored crops—plants they describe as forgotten, under-used or ‘alternative’ as they are displaced by increasingly uniform diets fuelled by processed ingredients from the major crops.

第三步：寻找同义替换

题干 / 原文：

most of the world’s food supply / two-thirds of the world’s food supply

a tiny number / just four crops

thousands of crops / 7,000 crops

grown for centuries / farming for thousands of years

38. G

第一步：选取关键词

“名词优先”：the staple crops、African women farmers、in their backyards

“动形其次”：provide their family with food、failed

第二步：定位关键词

[G] Azam-Ali knows that scepticism firsthand. He came across alternative crops in the 1980s through the work of women farmers he met in Niger. The then-PhD student remembers marvelling at the crops they grew in their backyards, without the benefits of technology, to feed their families when the big crops failed. He saw a tremendous opportunity to build alternative food systems. But “the resistance was enormous”, he recalls.

第三步：寻找同义替换

题干 / 原文：

when the staple crops failed / when the big crops failed

provide their family with food / feed their families

African women farmers / women farmers he met in Niger

39. J

第一步：选取关键词

“名词优先”：high-yielding crops、dominant position、modern agriculture、green revolution、in the last century

第二步：定位关键词

[J] Measuring crops by nutrition instead of yield is at the heart of the forgotten foods enterprise. Ever since the “green revolution” of the 1960s, high-yielding crops have dominated modern agriculture. That was in part a crucial response to devastating famines at a time when the world needed to increase its food

supply. Today “nutrition is becoming a time bomb”, says Azam-Ali, as growing carbon dioxide levels strip crops of their minerals. Instead of bio-fortifying major crops we should be investing in those forgotten crops that are already more nutritious, he asserts.

第三步：寻找同义替换

题干 / 原文：

a dominant position in modern agriculture / have dominated modern agriculture
in the last century / the 1960s

40. H

第一步：选取关键词

“名词优先”：in a variety of environments、critical question

“动形其次”：proved feasible、marketable

第二步：定位关键词

[H] Undeterred, he ploughed on. Project after project helped prove these crops were viable in different environments as alternatives to the staple ones. But the question of whether these crops would be marketable remained. “That’s the critical thing,” he says. ...

第三步：寻找同义替换

题干 / 原文：

proved feasible / proved...viable
in a variety of environments / in different environments
critical question / the critical thing

41. O

第一步：选取关键词

“名词优先”：a professor、yields of staple crops、foods from alternative crops

“动形其次”：fall、adapt to eating

第二步：定位关键词

[O] The argument for forgotten foods feels intuitive. Some analysts say it is in fact inevitable. “Climate change is going to mean almost certainly tastes are going to be forced to change,” says Tim Lang, professor of food policy at City University of London. We “have to get used to eating other crops” as yields of staple crops fall, he says.

第三步：寻找同义替换

题干 / 原文:

adapt to eating foods from alternative crops / get used to eating other crops

42. D

第一步: 选取关键词

“名词优先”: urgent measures、the projected world population、climate

“动形其次”: provide food、aggravating

第二步: 定位关键词

[D] It's a timely quest. The food sector is already responsible for nearly a third of global greenhouse gas emissions. By 2050 it estimates the world must produce 50% more food to feed the projected global population of 10 billion. Meeting this demand without contributing to climate change calls for urgent solutions.

第三步: 寻找同义替换

题干 / 原文:

urgent measures / urgent solutions

provide food for the projected world population / feed the projected global population

without aggravating the climate / without contributing to climate change

43. I

第一步: 选取关键词

“名词优先”: colonial rule、local crops、Africans who grew them

“动形其次”: marginalised、punishing

第二步: 定位关键词

[I] The roots of these connotations about local foods can run deep. The bambara groundnut, a protein-rich native crop of sub-Saharan Africa that is also grown in parts of southeast Asia, can trace its marginalisation to colonial rule. “African women who grew bambara groundnut were actually punished for growing it”, says Azam-Ali. “Colonial powers said you can't grow it because there's no oil. We can't get a market for it”. ...

第三步: 寻找同义替换

题干 / 原文:

marginalised / marginalisation

local crops / bambara groundnut

punishing Africans who grew them / African women...were actually punished for growing it

44. E

第一步：选取关键词

“名词优先”：existing crops、global warming、food security

“动形其次”：endangered、increase、bringing back

第二步：定位关键词

[E] Forgotten crops hold key answers. By investing in neglected local plants, countries can reduce their reliance on imported crops and their carbon-heavy supply chains. Bringing back the variety of crops humans once ate also boosts food security at a time warming climates threaten existing crops. On top of that forgotten crops are among the most *climate-resilient* (具有气候韧性的) and nutritious, argues Azam-Ali. His summary is plain: “Dietary diversification is critical to the future of humanity.”

第三步：寻找同义替换

题干 / 原文：

existing crops are endangered by global warming / warming climates threaten existing crops

increase food security / boosts food security

45. K

第一步：选取关键词

“名词优先”：higher temperatures、CO2 levels、nutritional composition

“动形其次”：trying to find out、affect

第二步：定位关键词

[K] In the bowels of CFF’s third dome, lab manager Gomathy Sethuraman opens a window into the centre’s “crown jewels”, revealing vines of winged beans growing under a bright yellow light. It’s one of three chambers where scientists are studying the impact of higher temperatures and carbon dioxide levels on the nutritional make-up of alternative crops. This research is “the game changer”, says Azam-Ali, ensuring that “future foods” are also the healthiest ones in warmer climates.

第三步：寻找同义替换

题干 / 原文：

trying to find out / are studying

how higher temperatures and CO2 levels affect / the impact of higher temperatures and carbon dioxide levels on

nutritional composition / nutritional make-up

Section C

Passage One

46. B) extreme excitement

第一步：选取关键词

“名词优先”：movie theatre、state

第二步：定位关键词

第1段：Imagine you're an alien sent to Earth to document the behaviour of the mammals inhabiting the planet. You stumble into a movie theatre that's showing the latest Hollywood horror film.

第3段：They are clearly in a state of high arousal. Their heart rate is elevated, they occasionally glance around nervously, and they sometimes jump collectively in their seats, and emit high-pitched warning calls.

第三步：分析题干／文章

题目问及「外星人发现电影院里的观众明显处于何种状态」。原文第1段设置了一个情境：假设你是一个外星人，来记录地球上哺乳动物的行为，然后碰巧走进了一家正在放恐怖片的电影院。接着在第3段中，原文提到电影院里的观众显然处于「高度兴奋的状态（a state of high arousal）」，并描述了具体表现：心率加快，偶尔紧张地四处张望，有时还会集体从座位上跳起来，并发出警告式的尖锐声响。因此B选项「极度兴奋」准确对应原文信息，是本题的正确答案。

错误选项分析

A) “total mindfulness”（完全专注）原文未提及电影院观众处于专注或冥想的状态。

C) “spiritual elevation”（精神升华）原文所说的 a state of high arousal 并非是指“精神升华”的状态，该选项曲解了这部分文意。

D) “intense curiosity”（强烈好奇）原文未提及电影院观众对电影内容感到“好奇”，心率加快、偶尔紧张地四处张望等反应是他们看恐怖片时产生的恐惧和兴奋反应。

47. B) They find joy in going through simulated horrible experiences.

第一步：选取关键词

“名词优先”：scary entertainment、author's research

第二步：定位关键词

第 6 段：I am fascinated by the paradox of horror—the strange fact that many people seek out scary entertainment.

第 7 段：I think the answer to the puzzle lies in human nature.

第 8 段：My research suggests that we humans evolved to find pleasure in situations that allow us to experience negative emotions in a safe context. You can see these elements of horror in children's games. Take hide-and-seek for example, which is a simulation of a predator-prey interaction. The kid hides and the adult pretends to be a predator, searching for the child while howling like a dangerous beast.

第三步：分析题干／文章

问题问的是「根据作者的研究，为什么许多人会寻求惊悚娱乐方式？」原文第 6 段最先提到了「许多人会主动寻求惊悚娱乐方式的奇怪事实」。接着作者给出了自己的解释：谜底在于人类的本性，「人类进化出了在安全环境中体验负面情绪时感到快乐的能力（to find pleasure in situations that allow us to experience negative emotions in a safe context）」。作者还以儿童游戏捉迷藏为例，说明模拟恐怖场景能带来某种满足感。因此 B 选项「他们在经历模拟的恐怖体验中找到乐趣」准确概括了作者的观点，是本题的正确答案。

错误选项分析

A) “They gain experience in overcoming horror in real life.”（他们获得了在现实生活中克服恐怖的经验。）原文强调的是“安全环境中的模拟体验”，而非直接应对现实中的恐怖。

C) “They have learned from hide-and-seek as kids the thrill involved.”（他们从儿时的捉迷藏中了解到其中的刺激。）捉迷藏游戏是作者给出的例子，它本质上属于一种“安全环境中的负面情绪体验”，而非单纯的“刺激”。

D) “They have evolved to gain pleasure in escaping life-threatening situations.”（他们已经进化出在逃离生命威胁的情境中获得乐趣的能力。）原文未提及任何“逃离生命威胁的情境”，即便有，也可能只是出现在恐怖电影中的场景。而看恐怖片本身只是一种“安全环境中的模拟体验”。

48. A) How to avoid falling prey to an attacker.

第一步：选取关键词

“名词优先”：children、hide-and-seek

第二步：定位关键词

第 8 段：My research suggests that we humans evolved to find pleasure in situations that allow us to experience negative emotions in a safe context. You can see these elements of horror in children's games.

Take hide-and-seek for example, which is a simulation of a predator-prey interaction. The kid hides and the adult pretends to be a predator, searching for the child while howling like a dangerous beast.

第 9 段：This simulation gives the child crucial information about how to avoid becoming prey, and children tend to find that kind of activity deeply satisfying, presumably because it gives them a safe experience of a potentially catastrophic scenario.

第三步：分析题干／文章

问题问的是「孩子们从捉迷藏中学到了什么？」原文第 8 段提到了捉迷藏游戏的例子，接着作者在第 9 段明确指出，这种模拟捕食者与猎物互动的游戏为孩子提供了关键信息，「教他们如何避免成为猎物」，而孩子们往往觉得这种活动非常令人满足。因此 A 选项「如何避免成为攻击者的猎物」是本题的正确答案。

错误选项分析

B) “How to simulate a predator-prey interaction.”（如何模拟捕食者与猎物的互动。）这是指捉迷藏的游戏形式，而非孩子学到的核心内容，该选项答非所问。

C) “How to keep themselves from catastrophic errors.”（如何避免犯下灾难性的错误。）原文指出孩子们非常喜欢这种游戏活动，大概是因为“这种活动让他们在安全的环境中体验了潜在的灾难性场景（a potentially catastrophic scenario）”。但选项中的“灾难性错误（catastrophic errors）”与这部分内容并无关联。

D) “How to turn a dangerous scenario into a safe one.”（如何将危险情境转化为安全情境。）原文强调的一直是“在安全环境中模拟危险体验”，因此该选项表述与原文信息不符。

49. C) It allows them to learn what fear feels like and how to tackle it.

第一步：选取关键词

“名词优先”：horror

第二步：定位关键词

第 11 段：Horror is pleasurable to many people because it lets us play with negative emotions and develop coping strategies. We learn what it feels like to be truly afraid, and we learn how to handle negative emotion.

第三步：分析题干／文章

问题问的是「为什么恐怖片让很多人感到愉悦？」原文第 11 段提到，恐怖片能让人体验负面情绪并学习应对策略，包括「了解恐惧感（what it feels like to be truly afraid）」和「处理负面情绪

(how to handle negative emotion)」等。因此 C 选项「它让他们了解了恐惧的感觉以及如何应对它」准确对应原文信息，是本题的正确答案。

错误选项分析

A) “It reminds them of an ancient set of biological defence mechanisms.” (它让他们想起一套古老的生物防御机制。) 原文第 12 段指出，恐怖片通过利用“一套古老的生物防御机制”来发挥作用，借助人类进化出的独有的想象力，我们能进入充满危险的虚拟世界。但本题问的是“恐怖片让很多人感到愉悦”的原因，上述内容说的是恐怖片发挥作用的原理。因此该选项不能回答题目所问。

B) “It triggers their imagination to travel into dangerous virtual worlds.” (它激发了他们的想象力，进入危险的虚拟世界。) 原文第 12 段指出，恐怖片通过利用一种进化出的恐惧系统来发挥作用；但人类具有独特的“想象力”，我们利用想象力“进入充满危险的虚拟世界”。但这部分内容与“恐怖片让很多人感到愉悦”的原因无直接关联，因此该选项答非所问。

D) “It activates their evolved fear system and their unique fantasy.” (它激活了他们进化出的恐惧系统和独特的幻想。) 原文第 12 段指出，恐怖片通过利用“一种进化出的恐惧系统”来发挥作用，且人类具有一种“独特的想象力”，能帮助我们进入充满危险的虚拟世界。但这部分内容与题目所问的“恐怖片让很多人感到愉悦”的原因无关，因此该选项答非所问。

50. D) A strong sense of being in control.

第一步：选取关键词

“名词优先”：a horror film through

第二步：定位关键词

末段：There are good reasons for watching a horror film, even if you're not a loyal horror fan. If you make it through the film in one piece, you'll probably experience a strong sense of mastery, a sense that you are able to make it through an appalling experience. Anyway, watching a horror film makes you better at handling your own fear, and who knows when that will become critically relevant?

第三步：分析题干／文章

问题问的是「如果一个人完整地看完一部恐怖片而没有受到伤害，他们会体验到什么？」根据原文最后一段的说法，如果一个人安然无恙地看完了这部电影，他可能会体验到「一种强烈的掌控感 (a strong sense of mastery)」，一种能够从可怖遭遇中幸免于难的感觉。因此 D 选项「一种强烈的掌控感」是本题的正确答案。

错误选项分析

A) “A strong sense of clear relevance.”（一种强烈的明确相关性。）原文最后一句提到，观看恐怖片能让人更好地应对自己的恐惧，而这种能力或许有一天会变得至关重要（critically relevant）。但这并非题目所问的“一个人完整地看完一部恐怖片会体验到的感觉”。

B) “A profound sense of good fortune.”（一种巨大的幸运感。）原文并未提及“巨大的幸运感”。

C) “A profound sense of intense relief.”（一种强烈的解脱感。）原文强调的是“掌控感”而非“解脱感”。

Passage Two

51. D) It is defined by social media.

第一步：选取关键词

“名词优先”：in the digital arena

第二步：定位关键词

第1段：An awakening has been taking place in the physical world against the beauty model that has been dictated to us for years. But in the digital arena, social media determines what is considered beautiful.

第三步：分析题干／文章

问题问的是「关于数字领域中的美丽，我们了解到了什么？」原文第1段直接引出话题，并用一个转折信号 but 指出「在现实世界中，人们已经开始觉醒，开始反对多年来强加给我们的美丽标准。但在数字领域，社交媒体决定了什么是“美”（social media determines what is considered beautiful.）。」因此 D 选项「它由社交媒体定义」准确对应原文信息，是本题的正确答案。

错误选项分析

A) “It dictates the taste of digital media.”（它决定了数字媒体的品味。）原文未提到美“决定”数字媒体的品味，而是社交媒体定义美，该选项逻辑颠倒。

B) “It has been in the making for years.”（它多年来一直在酝酿。）原文未提及美的标准形成的时间跨度。

C) “It has ushered in a new awakening.”（它引发了一种新的觉醒。）原文提到的是“现实世界”中的觉醒，人们开始反对多年来被强加的美丽标准，而非“数字领域中的美丽引发了一种新的觉醒”。

52. C) A fight is going on to remove pressure on women to conform to an absurd beauty ideal.

第一步：选取关键词

“名词优先”：in the physical world

第二步：定位关键词

第2段：The two opposing struggles are taking place in parallel. In the physical world, the struggle goes against the underlying pressure exerted on women to conform to an unrealistic beauty ideal. As part of the struggle, various media outlets have presented women whose bodies don't correspond to the so-called ideal. All those women who had previously been excluded from the covers of magazines, television series and the public agenda, have become “legitimate.” At the same time, a group of influencers have begun to upload to social media photos of themselves without makeup, and even photos in which they highlight supposed flaws.

第三步：分析题干／文章

问题问的是「关于现实世界中的美丽，文章说了什么？」原文第2段指出「在现实世界中，斗争的对象是施加给女性的隐性压力（the struggle goes against the underlying pressure exerted on women），即要求她们迎合一种不切实际的理想化的美（to conform to an unrealistic beauty ideal）。」因此C选项「一场斗争正在进行，旨在消除女性被迫迎合荒谬美丽标准的压力」准确概括了原文观点，是本题的正确答案。

错误选项分析

A) “Women are under constant pressure to keep up with beauty models.”（女性一直迫于压力而紧跟各种美丽标准。）原文强调的是“反抗压力”，即要求女性迎合一种不切实际的理想化的美，而非单纯描述压力存在。

B) “Women are encouraged to pursue a beauty ideal that has never existed.”（女性被鼓励追求一种从未存在过的美丽理想。）原文说的是“要求女性迎合一种不切实际的理想化的美（conform to an unrealistic beauty ideal）”，但“不切实际的”并不等同于“从未存在过的（has never existed）”。

D) “Media outlets have begun to present as beauty models trendy women without any makeup.”（媒体开始将素颜时尚女性打造为美丽标准。）原文提到的是展示“不符合所谓理想标准的女性”，而非特指“不化妆/素颜”的时尚女性。

53. A) It is now regarded as the new beauty ideal.

第一步：选取关键词

“名词优先”：Instagram face

第二步：定位关键词

第3段：Technology has reshaped our beauty ideal and is doing a great job communicating that message to the masses. One of the bizarre legacies of the past decade is the popularity of the “cyborg look,” which illustrates what Americans will look like in 2050.

第4段：The cyborg look spread rapidly. Today, however, the Instagram face has become the new beauty ideal.

第三步：分析题干／文章

问题问的是「关于 Instagram 脸，我们从文章中了解到了什么？」原文第4段直接通过转折信号 however 明确指出「但现在，Instagram 脸已成为新的美丽标准（the new beauty ideal）。」因此 A 选项「它现在被视为新的美丽标准」是本题的正确答案。

错误选项分析

B) “It is what most women will go after in 2050.”（它是大多数女性在 2050 年会追求的目标。）原文第3段提到的是“2050 年美国人的长相预测”（与“赛博格造型”相关），而非 Instagram 脸。

C) “It is being much talked about on social media.”（它在社交媒体上被广泛讨论。）原文未提及 Instagram 脸在社交媒体上“被广泛讨论”。

D) “It is a perfect illustration of the ultimate beauty.”（它是终极美的完美体现。）原文未使用“终极的（ultimate）”或“完美的（perfect）”等绝对化表述，该选项属于无中生有。

54. C) A tendency to regard one's body as an object of observation and judgment.

第一步：选取关键词

“名词优先”：obsessive filtering

第二步：定位关键词

第7段：A survey conducted in the United States revealed that more than 50% filter the images before posting them. And you will not be surprised to hear that the majority of them are women. One of the significant consequences of obsessive filtering is the emerging tendency to treat oneself as an object to be observed and valued, in the same way another person observes and judges from the side.

第三步：分析题干／文章

问题问的是「过度使用滤镜导致了什么？」原文第7段指出，「过度使用滤镜的一个严重后果是，人们开始倾向于将自己视为被观察和评判的对象（the emerging tendency to treat oneself as an object to be observed and valued），就像他人从旁观者的角度观察和评判自己一样。」由此可知，C 选项「一种将身体视为供人观察和评判对象的倾向」准确对应原文信息，是本题的正确答案。

错误选项分析

A) “A good many women striving to reach an impossible level of perfection.”（许多女性努力达到一个不可能实现的完美水平。）原文第8段最后提到，像 Instagram、Snapchat 和 FaceTune 这样的应用程序，能够让用户达到以前只有在美容杂志上才能看到的“完美水平（a level of perfection）”。但这是社交媒体的整体影响，而非过度使用滤镜的直接结果；且选项中“不可能实现的”这一表述并无原文依据。

B) “An urge to turn the entire game played on the network to one's advantage.”（一种将网络上的整个游戏转化为个人优势的冲动。）原文第8段提到，滤镜以及社交网络上的整个“游戏”（the entire game played on the networks）都正在影响用户的心理健康，但并未提及将其“转化为个人优势的冲动”。

D) “An increasing number of women filtering their images before uploading them.”（越来越多的女性上传照片前使用滤镜。）该选项属于客观现象描述，而非过度使用滤镜导致的“结果”，因此不能回答题目所问。

55. B) Psychological intervention should be introduced to alleviate it.

第一步：选取关键词

“名词优先”：the end of the passage、Americans' obsession with looks

第二步：定位关键词

第9段：Even though humanity has always cherished beauty, in the last decade our obsession with looks has reached an unprecedented peak. The time spent on social media creates an urge to achieve an impossible beauty ideal so powerful that the only thing that can fix it is not cosmetic intervention, but mental health care.

第三步：分析题干／文章

问题问的是「有关美国人对容貌的痴迷，作者在文章结尾想强调什么？」可以看到作者在文章最后一段通过转折信号 but 直接强调了，在社交媒体上花费的时间让人们急切追求一种不可能实现的美丽理想，「以至于唯一能解决这个问题方法不是整容干预，而是心理健康护理（but mental health care）」。因此 B 选项「应该引入心理干预来缓解这种痴迷」是本题的正确答案，其中 psychological intervention 就相当于原文中的 mental health care，都表示「心理干预（治疗）」。

错误选项分析

A) “Cosmetic surgery should be made more accessible to the masses.”（应该让整容手术在大众中更加普及。）该选项与原文作者的观点相反，原文明确否定了整容干预（the only thing that can fix it is not cosmetic intervention）。

C) “Their time spent on social media should be strictly controlled.” (应该严格控制他们在社交媒体上花费的时间。) 原文只是说，在社交媒体上花费的时间让人们急切追求一种不可能实现的美丽理想，未提及“应该严格控制时间”。

D) “Its root cause should be meticulously examined and analyzed.” (应该仔细研究和分析其根本原因。) 原文未讨论该现象的“根本原因”，而是指出在过去十年里这种痴迷达到了前所未有的高峰，并直接提出了解决方案（也即引入心理干预来缓解这种痴迷）。

Part IV Translation

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on **Answer Sheet 2**.

北斗 (Beidou) 卫星导航系统的成功研制是中国自改革开放以来取得的一项重大科技成就。研发人员经过不懈努力，攻克了一系列技术难题，北斗系统最终实现了全球覆盖和高精度定位，使中国成为世界上少数几个独立拥有全球卫星导航系统的国家之一。北斗系统已广泛应用于交通运输、灾害救援、天气预报、公共安全等诸多领域。北斗系统现在已经在国际上得到广泛认可，开始为越来越多的国家和地区提供优质服务。

原文分析

这段文字简单描述「北斗卫星导航系统」的研发成功及在全球范围内的广泛应用，从内容上看属于社会发展类话题。通过快速浏览原文，我们基本上可以确定，译文整体上都是与现在相关的时态。

汉英翻译

1. 北斗 (Beidou) 卫星导航系统的成功研制是中国自改革开放以来取得的一项重大科技成就。

该句的主干部分为“.....成功研制是.....取得的一项重大科技成就”，“中国自改革开放以来”为一段时间状语，可置于句末进行翻译。“北斗卫星导航系统”翻译为“the Beidou Satellite Navigation System”，“取得的一项重大科技成就”译作“a major scientific and technological achievement”，“自改革开放以来”即“since the reform and opening-up”。

参考翻译：The successful development of the Beidou Satellite Navigation System is a major scientific and technological achievement for China since the reform and opening-up.

2. 研发人员经过不懈努力，攻克了一系列技术难题，北斗系统最终实现了全球覆盖和高精度定位，使中国成为世界上少数几个独立拥有全球卫星导航系统的国家之一。

该句共由四个短句组成。根据句意，短句一“经过不懈的努力”为一段方式状语，可置于句首由介词“through”引出，短句二“研发人员攻克了一系列技术难题”译作主句，短句三既可以译作由连词and连接的并列句，也可以处理为现在分词短语做结果状语，同理短句四也可以单独成句或译作现在分词短语做结果状语的形式。

语言方面，“不懈努力”译作“relentless/unremitting efforts”，“攻克了一系列技术难题”用一般过去时翻译，即“overcame a series of technical challenges”，“全球覆盖和高精度定位”分别译作“global coverage”和“high-precision positioning”；“使.....成为”根据句子表达的需要，既可以用短语“position sth. as...”也可以使用“making”一词来表示，“世界上少数几个.....的国家之一”翻译为“one of the few countries in the world to...”，“独立拥有全球卫星导航系统”译作“independently possess a global satellite navigation system”。

参考翻译 1：Through unremitting efforts, researchers overcame a series of technical challenges, leading to the global coverage and high-precision positioning of the Beidou system. This achievement has positioned China as one of the few countries in the world to independently possess a global satellite navigation system.

参考翻译 2：Through unremitting efforts, researchers overcame a series of technical challenges, and the Beidou system has ultimately achieved global coverage and high-precision positioning, making China one of the few countries in the world to independently possess a global satellite navigation system.

3. 北斗系统已广泛应用于交通运输、灾害救援、天气预报、公共安全等诸多领域。

该句主干部分为“北斗系统已广泛应用于……领域”，为一个被动结构，剩下的部分对“领域”一词进行举例说明，可以由介词短语 such as 引出。“已广泛应用于”译作“has been widely applied in...”，“灾害救援、天气预报、公共安全”分别译作“disaster relief, weather forecasting and public safety”。

参考翻译：The Beidou system has been widely applied in various fields such as transportation, disaster relief, weather forecasting and public safety.

4. 北斗系统现在已经在国际上得到广泛认可，开始为越来越多的国家和地区提供优质服务。

“现在已经”暗含时态应为现在完成时，“在国际上得到广泛认可”可翻译为“gain wide recognition internationally”或者是“be widely recognized internationally”，“为……提供优质服务”译作“provide high-quality services to...”。

参考翻译：The Beidou system has now gained wide recognition internationally and has begun to provide high-quality services to an increasing number of countries and regions.

参考译文

The successful development of the Beidou Satellite Navigation System is a major scientific and technological achievement for China since the reform and opening-up. Through unremitting efforts, researchers overcame a series of technical challenges, leading to the global coverage and high-precision positioning of the Beidou system. This achievement has positioned China as one of the few countries in the world to independently possess a global satellite navigation system. The Beidou system has been widely applied in various fields such as transportation, disaster relief, weather forecasting and public safety. The Beidou system has now gained wide recognition internationally and has begun to provide high-quality services to an increasing number of countries and regions.
